Laura Maylene Walter

Let It Go By Mercy Celeste:

Let It Go Mercy Celeste, 2014-09-23 Creed was the main focus of Eli's fierce temper. For ten years the two men left a trail of destruction in their wake with rodeo beer and fists all they had in common. Until a judge had enough and sentenced them to house arrest in the same house. They'd either learn to get along or they'd kill each other. Trapped on Eli's rundown Florida ranch, Creed discovers Eli's secret one that he shares. But he didn't count on Eli learning all of his secrets, especially the one that would shatter their newfound truce. Scarred to his bones, Eli avoided relationships like the plague. Yet something about the quiet Creed had always pushed his buttons. Falling in love with him was never part of Eli's plan. When it happens, he's unprepared and out of his league. When a shared enemy comes calling, Eli can only think of keeping Creed safe. He never dreamed that their lives were linked or that Creed's former life could destroy them both. Will love be enough to save them?

Sweet Summer Days Sheryl Lister, 2018-06-19 Celeste Williams has finally gotten her life back on track and the last thing on her mind is dating again. Then she meets Thaddeus Whitcomb, a man as caring as he is handsome. The chemistry between them is instant and irresistible. Celeste thought no man could move her as deeply as her late husband, but Thad rekindles a passion she never believed she'd feel again. Since his divorce years ago, Thad has lived a full and successful life. The moment Celeste crosses his path, he realizes she's the piece he never knew had been missing. As friendship blossoms into more, Thad discovers a second chance at romance. But Celeste begins to retreat. Once he uncovers her reasons for becoming distant, he'll do whatever it takes to convince the sensual beauty that nothing matters more than their love. **Letter from Leonora** Eric

Roach, 1978 The Amado Women Désirée Zamorano, 2014-06-09 Southern California is ground zero for upwardly mobile middle-class Latinas. Matriarchs like Mercy Amado, despite her drunken philandering now-ex-husband, could raise three daughters and become a teacher. Now she watches helplessly as her daughters drift apart as adults. The Latino bonds of familia don't seem to hold. Celeste, the oldest daughter who won't speak to the youngest, is fiercely intelligent and proud. She has fled the uncertainty of her growing up in Los Angeles, California, to seek financial independence in San Jose. Her sisters did the same thing but very differently. Sylvia married a rich but abusive Anglo, and to hide away, she immersed herself in the suburbia of her two young daughters. And Nataly, the baby, went very hip into the free-spirited Latino art world, working on her textile creations during the day and waiting on tables in an upscale restaurant by night. Everything they know comes crashing down in a random tragic moment, and Mercy must somehow make what was broken whole again. Désirée Zamorano says that she was taken aback by the negative reaction to Sonia Sotomayor's wise Latina remark. And she is appalled by stereotypical rendering of Latinas in mainstream literature, saying that true-to-life middle-class Latinas are invisible in the fabric of American culture. Zamorano is a playwright, Pushcart Prize nominee for fiction, and the director of the Community Literacy Center at Occidental College. She also collaborates with InsideOut Writers, a program that works with formerly incarcerated youth. *For Love and Mercy* C. Ingrid Deringer, 2022-08-19 Suddenly angelic beings of light appeared.
