**Summary of David Sedaris's Let's Explore Diabetes with Owls** Everest Media, 2022-10-10T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 In America we expect a bit more gravity than in other countries 2 I want to leave the doctor's office in tears but instead I walk out feeling like a hypochondriac 3 I had my teeth implanted in a dentist's office in America They were connected and were screwed in with a screwdriver The pain wasn't bad since I was already numb The next day I flew to London to meet my agent David Stewart at his flat near King's Cross He was staying at the Mandarin Oriental during a business trip I was staying at the Berkeley I've always thought of London as my second home It's where I spent much of my childhood and it's where I have many friends from college When I was going through my divorce it was the only city I could visit without getting sick The night before I left David and I went to dinner at Scott's a restaurant near where he lives with his wife and their two children It was such a different scene than the one at Scott's apartment people were dressed up and talking in soft tones the tables were set with white cloths and vases filled with fresh flowers I felt like I had stepped into a luxury hotel rather than a family restaurant I had my teeth implanted in a dentist's office in America 4 I went from avoiding dentists and periodontists to practically stalking them because I enjoy their company
