Lewis, 1988 A collection of letters from the English author of the Narnia books to a variety of children Letters to Children C. S. Lewis, 1999-03 **Letters to Children** Clive Staples Lewis, 1985-01-01 A collection of letters from the English author of the Narnia books to a number of children **C S Lewis** Colin Duriez, 2013-05-02 An Oxford student of C S Lewis said he found his new tutor interesting and was told by J R R Tolkien Interesting Yes he's certainly that You'll never get to the bottom of him You can learn a great deal about people by their friends and nowhere is this more true than in the case of C S Lewis the remarkable academic author populariser of faith and creator of Narnia He lost his mother early in life and became estranged from his father much to his regret Throughout his life key relationships mattered deeply to him from his early days in the north of Ireland and his schooldays in England as still a teenager in the trenches of World War One and then later in Oxford The friendships he cultivated throughout his life proved to be vital influencing his thoughts his beliefs and his writings What did Arthur Greeves a life long friend from his adolescence bring to him How did J R R Tolkien and the other members of the now famous Inklings shape him Why in his early twenties did he move in with a single mother twice his age Janie Moore and live with her for so many years until her death And why did he choose to marry so late What of the relationship with his alcoholic and gifted brother who eventually joined his unusual household In this sparkling new biography which draws on material not previously published Colin Duriez brings C S Lewis and his friendships to life Essential C. S. Lewis Clive Staples Lewis, 1996 A selection of Lewis work including essays letters poems and texts of *The Lion the Witch and the Wardrobe* *Perelandra* and *Abolition of Man* America Discovers C. S. Lewis K. Alan Snyder, 2016-09-01 The continuing interest in the works of C S Lewis long after his death in 1963 is a testament to the influence his writings have had on the English speaking world not to mention the many translations of his works into other languages His own home nation of Great Britain was actually slower in appreciating his offerings than the United States Lewis's books made a major impact on the American reading public starting with the publication of the American version of *The Screwtape Letters* in 1943 Lewis has not only influenced the lives of Americans we may consider prominent but also the multitude of individuals who have come across his works and have been deeply affected spiritually by what they read The goal of this study is to document as much as possible the impact of Lewis on Americans from his lifetime until the present day It also seeks to understand just why Lewis caught on in America to such a degree and why he remains so popular *Before They Were Authors* Elizabeth Haidle, 2019 Collective biography of ten famous authors in the style of graphic novels The Good News of the Return of the King Michael T. Jahosky, 2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but

that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R Tolkien s The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many Creative Writing Kathryn Ann Lindskoog,1989 Crammed with crucial facts ideas and warnings never before brought together into clear focus this guide is not only fun to read but also work boots practical Not only inspiring but pinch penny accurate it is an energizing tonic for writers weary brain cells Lightning Print On Demand Title **Finding Purpose in Narnia** Gina Burkart,2008 Finding Purpose in Narnia weaves C S Lewis biographical information from his own autobiography and letters to help readers better understand Prince Caspian the second in the classic and wildly popular Chronicles of Narnia series The author who grew up loving these books offers a series of reflections arranged in five parts shaped around the Scripture verse 1 Corinthians 13 and divided into three sections Faith Hope and Love Just in time for the eagerly awaited movie this engagingly written book is a resource that invites personal reflection and growth by inviting readers to interact with the insights of C S Lewis the author s reflections and Scripture passages Throughout the book are helpful reflection questions help readers understand how C S Lewis found purpose in Narnia and how we can as well Highlights Fine spiritual reading resource to the movie The Chronicles of Narnia Prince Caspian scheduled release date May 16 2008 No other book focuses specifically on Prince Caspian Flexible usage in variety of settings personal reading discussion groups faith sharing family school church etc *From Soldier to Storyteller* Kathleen Broome Williams, Hal M. Friedman,2024-10-08 Many of the best known and most popular children s stories of the 20th and early 21st century were written by veterans of World War I and World War II These include works by such writers as A A Milne C S Lewis Roald Dahl Ian Fleming and J R R Tolkien among others Although they had experienced war most of the veterans did not overtly write about it The seeming paradox of warriors who went through searing combat and then wrote books for children has not been addressed collectively before now The essays in this book explore what motivated these veterans to write for children what they wrote and how their writing was influenced by the wars they lived through It examines how their combat experience can be traced in their writing however subtly whether it was stories about a bear and his piglet companion a World War I flying ace or a flying car Their reactions to war as reflected in their writing yield important lessons about the complicated legacy of the 20th century s two great conflicts and their long lasting impact through children on society at large Protestants on Screen Gastón Espinosa,Erik Redling,Jason W. Stevens,2023 Protestants on Screen explores the Protestant contributions to American and European film from the silent era to the present day The authors analyze how Protestant filmmakers beliefs theology symbols

sensibilities and cultural patterns have shaped the history of film Challenging the stereotype of Protestants as world denouncing and defying puritans and iconoclasts who stood in the way of film's maturation as an art the authors contend that Protestants were among the key catalysts in the origins and development of film bringing an identifiably Protestant aesthetic to the medium The essays in this volume track key Protestant themes like faith and doubt sin and depravity biblical literalism personal conversion and personal redemption holiness and sanctification moralism and pietism Providence and secularism apocalypticism righteousness and justice religion and race the priesthood of all believers and its offshoots democratization and individualism Protestants the essays in this volume demonstrate helped birth and shape the film industry and harness the power of motion pictures for spiritual instruction edification and cultural influence **C.
