Love Letters to the Dead Ava Dellaira, 2014-05-01 Sometimes the best letters are the ones that go unanswered It begins as an assignment for English class write a letter to a dead person any dead person Laurel chooses Kurt Cobain he died young and so did Laurel's sister May so maybe he'll understand a bit of what Laurel is going through Soon Laurel is writing letters to lots of dead people Janis Joplin Heath Ledger River Phoenix Amelia Earhart it's like she can't stop And she'd certainly never dream of handing them in to her teacher She writes about what it's like going to a new high school meeting new friends falling in love for the first time and how her family has shattered since May died But much as Laurel might find writing the letters cathartic she can't keep real life out forever The ghosts of her past won't be contained between the lines of a page and she will have to come to terms with growing up the agony of losing a beloved sister and the realisation that only you can shape your destiny A lyrical haunting and stunning debut from the protégé of Stephen Chbosky **THE PERKS OF BEING A WALLFLOWER** [Ava Dellaira Typescript and Galley Proofs of Love Letters to the Dead](#) Ava Dellaira, 2013

King, Jay Asher, Gayle Forman and Lauren Myracle [Epistolarity in a Post-Letter World](#)

Sindija Franzetti, 2024-11-18 The study intervenes in a field hitherto dominated by formal and historical analyses of the literary letter Across the five case studies the method of reading epistolarity as a motif is applied to a selection of American novels published after 1990 Nick Bantock's Griffin Lish and Dunn test the limitations of letters for conveying individual experience to a distant other Robinson and Erdrich envision epistolarity as an address to a future Exploring the employment of epistolarity as a motif the study offers an interpretation of the messages these fictions extend for readers in a post-letter world Communication technologies and practices may change but epistolarity as a motif a reprise of a scene of encounter that depends on keeping a distance between addresser and addressee remains a deeply compelling site of inquiry in twenty-first century literature
