But as the boys start on the path to manhood and begin their apprenticeships to their respective masters, they one day stumble upon a strange shipwreck and learn that invaders from a strange and distant world have found a way to invade Midkemia through portals known as rifts and are preparing for a full scale assault. As Tomas learns to be a soldier and Pug studies the path of a magician, both boys find themselves growing into the heroes they had hoped to become but growing apart as the effects of the Riftwar change both of their lives forever.
