Pemberontak Tak (Selalu) Salah Petrik Matanasi, 2009-09-30 Harus dipahami dengan baik bahwa buku ini bukan serangkaian daftar pemberontakan yang pernah terjadi di Nusantara. Sebaliknya tujuan buku ini adalah untuk mengajak memahami mengapa begitu banyak terjadi pemberontakan. Tetapi nyatalah bahwa untuk memahami siapa yang memberontak dan siapa yang diberontak siapa yang dilawan atau yang dilawan membutuhkan satu topangan. Maka dalam memilih dan memilah pemberontakan mana yang layak kami angkat kami bertopang pada empat alasan pokok. Apa saja itu?

Javanese Performances on an Indonesian Stage Barbara Hatley, 2008-08-07 During the dramatic economic and social transformation of late twentieth century Indonesia theatre in Central Java featured a familiar cast of rulers nobles clown servants and ordinary people. However these performances were not a repetition of age old cultural traditions. Instead by stretching the framework of Javanese theatre convention theatre troupes challenged dominant cultural and political values. As political pressures intensified in the final months of the New Order regime these witty critical performances drew enthusiastic oppositionist crowds. The dismantling of repressive state control after the fall of Suharto in 1998 diminished interest in political critiques from the stage and growing economic weakness caused patronage and sponsorship to dry up. By 2003-2004 however a revival was underway as performers engaged with the politics of regional autonomy and democratization and actors responded to the devastating Yogyakarta earthquake of 2006 by staging shows in the worst affected areas to help sustain community spirit and pride in local culture. Barbara Hatley's account of more than thirty years of theatre activities and social change shows how performers and audiences have adapted resisted incorporated and survived. As Indonesian society evolves Javanese performances continue to engage with ever changing social contexts expressing the dynamic resilience and sense of identity of those who stage and watch them.
