Meet Me At The Boathouse By Suzanne Bugler:

Meet Me at the Boathouse Suzanne Bugler,2007 Louise's parents only notice her to criticise her. So when Danny follows her home one day she's excited to finally get some attention. She knows her school work is suffering and her friends think he is dodgy but she can't get enough of Danny. That is until her best friend is killed and his adoration turns to obsession.

The Child Inside Suzanne Bugler,2012-01-05 The gripping new psychological drama from the author of *Richard and Judy* Book Club selection *This Perfect World*. As a teenager Rachel lived through the death of a friend and discovered that even the most enchanted of lives can be easily shattered. When tragedy strikes her own life as an adult and she loses her unborn child Rachel ought to turn to her husband for support. But in trying to protect one another she and Andrew end up further apart than ever and Rachel finds herself resentful and lonely. Haunted by the past she contacts the brother of her old friend and the two of them are drawn into a dangerous and destructive affair. But betrayal comes at a high price and having lost one child how can she bear to face losing another. Praise for *This Perfect World*: A dark but deftly written novel about modern family life. *Marie Claire*. This novel had me so engrossed I read it in three days. *Essentials*. Dark and unsettling but compulsive. *Choice*.

The Safest Place Suzanne Bugler,2013-03-14 How cosy I made it sound. How easy Sam and Ella both looked at me for a moment their faces a mixture of apprehension and wistfulness. I smiled back at them indulgently feeling so pleased with myself. Now I look back and I want to grab my old self by the shoulders and shake hard. I want to slap the smug smile off my face. I wasn't just complacent. I was blind. Jane Berry has always dreamed of moving to the country. When she uproots her family and takes them to live in a rural paradise at first it all seems perfect. She has the house and the space she always longed for and is determined to make a better life for herself and her children. But when her marriage comes under pressure the dream starts to fall apart. A seemingly promising new friendship shows its dark side and Jane finds her life spiralling out of control. Then one night a line is crossed that threatens to ruin her and break apart her family forever. *The British*
