Phil Edmonston, 2018-02-03 Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car and truck book on the market Dr Phil along with George Iny and the Editors of the Automobile Protection Association pull no punches **Hard Broke** M. D. Matter, 2025-05-31 Based on first hand experience encompassing multiple combat deployments in Iraq Afghanistan and the Horn of Africa this book addresses the threat of asymmetric warfare and the future of combat The American way of war is enabled by the concept of massing all available firepower when done correctly it makes US forces hard to beat However improvised explosive devices have increasingly enabled a new kind of asymmetric warfare one that conventional forces continue to struggle to counter This book offers a counter IED playbook one based upon the author s experiences of over 90 months of combat operations working the problem sets of Fires Effects IEDs Close Target Reconnaissance Tracking Tagging Locating TTL and Information Operations This text offers insights into the ways through some of the most complicated problems that have tested the Department of Defense and the Army the problems of how a conventional force is organized manned equipped and trained to deal with the problem of IEDs and how the Army is doctrinally organized to deal with an emerging revolution of military affairs *Modernizing the Telephone Consumer Protection Act* United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Communications and Technology, 2017 *Sounding Human* Deirdre Loughridge, 2024-01-05 An expansive analysis of the relationship between human and machine in music From the mid eighteenth century on there was a logic at work in musical discourse and practice human or machine That discourse defined a boundary of absolute difference between human and machine with a recurrent practice of parsing human musicality from its merely mechanical simulations In *Sounding Human* Deirdre Loughridge tests and traverses these boundaries unmaking the human or machine logic and seeking out others

better characterized by conjunctions such as and or with Sounding Human enters the debate on posthumanism and human machine relationships in music exploring how categories of human and machine have been continually renegotiated over the centuries Loughridge expertly traces this debate from the 1737 invention of what became the first musical android to the creation of a sound wave instrument by a British electronic music composer in the 1960s and the chopped and pitched vocals produced by sampling singers voices in modern pop music From music generating computer programs to older musical instruments and music notation Sounding Human shows how machines have always actively shaped the act of music composition In doing so Loughridge reveals how musical artifacts have been or can be used to help explain and contest what it is to be human

Halayem, Isabelle Reine Amado, Asma Bouden, Bennett Leventhal, 2022-10-06 America's Gun Wars Donald J. Campbell, 2019-04-10 This book examines the controversies surrounding gun control which are less about whether it works and more about whether the nation should prioritize traditional values of rugged independence or newer values of communitarian interdependence America's Gun Wars contends that an understanding of America's gun controversy cannot be found in statistics documenting the rise or fall of violent crime or in examining trade offs between societal needs and personal safety or in following the political maneuvering of advocacy groups such as the National Rifle Association or Everytown for Gun Safety At heart the gun controversy is a values conflict involving how people see themselves and how they make sense of the world they live in Understanding this controversy requires a deep analysis of the profoundly different cultures inhabited by pro and anti gun activists lawmakers and voters Written by a social scientist who has spent his life exploring how values and self perceptions impact behavior this book explores the origins and evolution of cultures in American society the beliefs experiences and principles that guide the behavior of members in both camps and the triumphs and failures that the two sides have experienced from colonial times to the present day *Popular Photography*, 1999-06 *The Software Encyclopedia*, 1988 *Performativity, Cultural Construction, and the Graphic Narrative* Leigh Anne Howard, Susanna Hoeness-Krupsaw, 2019-09-11 *Performativity Cultural Construction and the Graphic Narrative* draws on performance studies scholarship to understand the social impact of graphic novels and their sociopolitical function Addressing issues of race gender ethnicity race war mental illness and the environment the volume encompasses the diversity and variety inherent in the graphic narrative medium Informed by the scholarship of Dwight Conquergood and his model for performance praxis this collection of essays makes links between these seemingly disparate areas of study to open new avenues of research for comics and graphic narratives An international team of authors offer a detailed analysis of new and classical graphic texts from Britain Iran India and Canada as well as the United States *Performance Social Construction and the Graphic Narrative* draws on performance studies scholarship to understand the social impact of graphic novels and their sociopolitical function Addressing issues of race gender ethnicity race war mental illness and the environment the volume encompasses the diversity and variety inherent in the graphic narrative medium This book will be of interest to students and scholars in the areas of communication literature comics studies performance studies sociology languages English and gender studies and anyone with an interest in deepening their acquaintance with and understanding of the potential of graphic narratives *LGBTQIA+ Inclusive Children's Librarianship* Lucy Santos Green, Jenna Spiering, Vanessa Lynn Kitzie, Julia Erlanger, 2022-05-16 This book breaks new ground offering school and public librarians serving children in grades K-8 a roadmap for implementing and upholding queer inclusive programs policies and services School and public librarians are serving ever greater numbers of LGBTQIA children and families Transgender children may begin to express a strong sense of gender identity as early as 2-3 years of age Children are also identifying as gay much sooner than earlier

generations often between the ages of 7 and 12 Additionally more children than ever before are living with LGBTQIA caregivers In seeking to make our programs and services inclusive and equitable for these growing populations librarians may court controversy and face community backlash from patrons who feel queer inclusive content is inappropriate for young children This book codifies a set of best practices for librarians as they rise to this challenge defining queer inclusive programs identifying potential barriers to implementation and offering strategies and resources to overcome them Resources for Additional Support

Feenin Alexander Ghedi Weheliye, 2023-09-29 In Feenin Alexander Ghedi Weheliye traces R B music s continuing centrality in Black life since the late 1970s Focusing on various musical production and reproduction technologies such as auto tune and the materiality of the BlackFem singing voice Weheliye counteracts the widespread popular and scholarly narratives of the genre s decline and death He shows how R B remains a thriving venue for the expression of Black thought and life and a primary archive of the contemporary moment Among other topics Weheliye discusses the postdisco evolution of house music in Chicago and techno in Detroit Prince and David Bowie in relation to appropriations of Blackness and Euro whiteness in the 1980s how the BlackFem voice functions as a repository of Black knowledge the methods contemporary R B musicians use to bring attention to Black Lives Matter and the ways vocal distortion technologies such as the vocoder demonstrate Black music s relevance to discussions of humanism and posthumanism Ultimately Feenin represents Weheliye s capacious thinking about R B as the site through which to consider questions of Blackness technology history humanity community diaspora and nationhood
