The Rules By Stacey Kade:

Project Paper Doll: The Rules Stacey Kade, 2013-04-23 1 Never trust anyone 2 Remember they are always searching 3 Don't get involved 4 Keep your head down 5 Don't fall in love Five simple rules Ariane Tucker has followed them since the night she escaped from the genetics lab where she was created the result of combining human and extraterrestrial DNA Ariane's survival and that of her adoptive father depends on her ability to blend in among the full-blooded humans to hide in plain sight from those who seek to recover their lost and expensive project But when a cruel prank at school goes awry it puts her in the path of Zane Bradshaw the police chief's son and someone who sees too much Someone who really sees her After years of trying to be invisible Ariane finds the attention frightening and utterly intoxicating Suddenly nothing is simple anymore especially not the rules

For This Life Only Stacey Kade, 2016-08-30 A young man struggles to move forward after the death of his twin brother in this contemporary novel about loss redemption and love Paper Dolls Katherine H. Adams, Michael L. Keene, 2017-08-23 Paper dolls might seem the height of simplicity quaint but simple toys nothing more But through the centuries paper figures have reflected religious and political beliefs notions of womanhood motherhood and family the dictates of fashion approaches to education individual self image and self esteem and ideas about death This book examines paper dolls and their symbolism from icons made by priests in ancient China to printable Kim Kardashians on the Internet to show how these ephemeral objects have an enduring and sometimes surprising presence in history and culture

Finding Felicity Stacey Kade, 2019-03-19 Felicity meets Fangirl in this contemporary novel about a young woman who must leave behind her fantasy life inspired by her favorite WB show from the 1990s and create a real one at college Caroline Sands has never been particularly good at making friends And her parents divorce and the move to Arizona three years ago didn't help Being the new girl is hard enough without being socially awkward too So out of desperation and a desire to please her worried mother Caroline invented a whole life for herself using characters from Felicity an old show she discovered online and fell in love with But now it's time for Caroline to go off to college and she wants nothing more than to leave her old life behind and build something real However when her mother discovers the truth about her manufactured friends she gives Caroline an ultimatum Prove in this first semester that she can make friends of the nonfictional variety and thrive in a new environment Otherwise it's back to living at home and a lot of therapy Armed with nothing more than her resolve and a Felicity inspired plan Caroline accepts the challenge But she soon realizes that the real world is rarely as simple as television makes it out to be And to find a place where she truly belongs Caroline may have to abandon her script and take the risk of being herself Editing the Soul Everett Hamner, 2017-10-02 Personal genome testing gene editing for life threatening diseases synthetic life once the stuff of science fiction twentieth and twenty first century advancements blur the lines between scientific narrative and scientific fact This examination of bioengineering in popular and literary culture shows that the influence of science on science fiction is more reciprocal than we might expect Looking closely at the work of Margaret

Atwood Richard Powers and other authors as well as at film comics and serial television such as Orphan Black Everett Hamner shows how the genome age is transforming both the most commercial and the most sophisticated stories we tell about the core of human personhood As sublime technologies garner public awareness beyond the genre fiction shelves they inspire new literary categories like slipstream and shape new definitions of the human the animal the natural and the artificial In turn what we learn of bioengineering via popular and literary culture prepares the way for its official adoption or restriction and for additional representations By imagining the connections between emergent gene testing and editing capacities and long standing conversations about freedom and determinism these stories help build a cultural zeitgeist with a sharper more balanced vision of predisposed agency A compelling exploration of the interrelationships among science popular culture and self Editing the Soul sheds vital light on what the genome age means to us and what s to come

Project Paper Doll The Hunt Stacey Kade,2015-04-07 Sixteen year old Ariane Tucker has finally escaped GTX the research facility that created her from human and extraterrestrial DNA But life on the run is complicated **Starlight Nights** Stacey Kade,2025-10-16 In this sizzling companion to the critically acclaimed 738 Days Stacey Kade once again creates a masterful combination of romance angst and thrills in the backdrop of a Hollywood film set At twenty two Calista Beckett is trying to overcome her early fame and fortune The former savior of the world on Starlight is now a freshman at college miles away from L A and her former existence She sees it as her start to a new life a normal life one where she won t make the same mistakes she made before a brush with heroin addiction and losing her freedom to her controlling mother thanks to a court order Eric Stone played her older brother Byron on Starlight But she s been in love with him pretty much since they kissed her first kiss while auditioning When Eric shows up on campus out of the blue Calista s struck immediately by two things first in spite of everything that s happened she still feels something dangerous for him and second she s absolutely determined not to let him ruin her life again Only Eric s not going away so easily At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **For This Life Only** Stacey Kade,2016-08-30 A young man struggles to move forward after the death of his twin brother in this poignant and powerful Kirkus Reviews coming of age tale about loss redemption love and the moment you begin to see the world differently Three minutes Jacob Palmer died for three life changing minutes And when he woke up nothing was the same Elijah his twin brother is dead and his family is broken Jace s planned future is crushed along with his pitching arm Everyone keeps telling him that Eli s in a better place but Jace isn t so sure Because in those three minutes there was nothing Overwhelmed by guilt and doubt Jace struggles to adjust to this new version of the world one without his brother one without the certainties he once relied on And then Thera comes into his life She s the last girl he should be turning to for help But she s also the first person to truly see him Project Paper Doll The Trials Stacey Kade,2015-04-21 After being on the run Ariane Tucker finds herself back where she started under the cruel control of Dr Jacobs head of the research facility that created her Now she must participate in the

upcoming trials a deadly competition pitting her against other alien hybrids each representing a rival corporation

Finding Felicity Stacey Kade, 2018-03-20 Felicity meets Fangirl in this contemporary novel about a young woman who must leave behind her fantasy life inspired by her favorite WB show from the 1990s and create a real one at college Caroline Sands has never been particularly good at making friends And her parents divorce and the move to Arizona three years ago didn't help Being the new girl is hard enough without being socially awkward too So out of desperation and a desire to please her worried mother Caroline invented a whole life for herself using characters from Felicity an old show she discovered online and fell in love with But now it's time for Caroline to go off to college and she wants nothing more than to leave her old life behind and build something real However when her mother discovers the truth about her manufactured friends she gives Caroline an ultimatum Prove in this first semester that she can make friends of the nonfictional variety and thrive in a new environment Otherwise it's back to living at home and a lot of therapy Armed with nothing more than her resolve and a Felicity inspired plan Caroline accepts the challenge But she soon realizes that the real world is rarely as simple as television makes it out to be And to find a place where she truly belongs Caroline may have to abandon her script and take the risk of being herself
