Murder in the Family Burl Barer,2016-06-21 Now updated the New York Times bestseller about a horrifying Alaska massacre and a controversial trial Barer writes true crime at its best Jack Olsen On March 15 1987 police in Anchorage Alaska arrived at a horrific scene of carnage In a modest downtown apartment they found Nancy Newman s brutally beaten corpse sprawled across her bed In other rooms were the bodies of her eight year old daughter Melissa and her three year old Angie whose throat was slit from ear to ear Both Nancy and Melissa had been sexually assaulted After an intense investigation the police focused on a principal suspect twenty three year old Kirby Anthoney a troubled drifter who had turned to his uncle Nancy s husband John for help and a place to stay Little did John know that the nephew he took in was a murderous sociopath These shocking tragic

events stunned Anchorage residents and motivated the Major Crimes Unit of the city's police department to get everything right. Feeling the heat Kirby bolted for the Canadian border. But he was caught in time and the cops and a tenacious prosecutor began a long bitter battle to convict him up against an equally tough defense lawyer and the egomaniacal defendant himself. The tale reached its climax in a controversial trial where for the first time an FBI profiler was allowed to testify and the pre-DNA science of allotyping was presented to a jury. But justice would not be served until after the psychopathic Kirby Anthoney took the stand in his own defense and showed the world the monster he truly was. **A Taste for Murder** Burl Barer, Frank C. Girardot, 2016-03-08. As seen on Investigation Discovery. A true crime murder mystery that will leave you gasping for breath. Steve Jackson, New York Times bestselling author of *No Stone Unturned*. Frank Rodriguez, a much-loved counselor of troubled teens, lies dead on the bedroom floor. His wife and stepdaughter are in shock and so is the medical examiner when he performs the autopsy. Aside from being dead, Frank is in perfect health. Demanding to know the cause of her husband's death, Angie Rodriguez badgers the police, insisting that Frank was murdered. The cops attribute her assertions to overwhelming grief but soon they too believe that Frank didn't die of natural causes. When the police enlist their number one suspect to help in the investigation, things spiral out of control until law enforcement is dealing with a daring plot to murder Angie's best friend and allegations of another homicide so evil and perverse that even seasoned LA County Detectives are shocked beyond belief. New York Times bestselling and Edgar Award winning author Burl Barer with co-author Frank Girardot has hit yet another home run with this crime story. A smart and well-written whodunnit tale.
