Liam From the moment I set eyes on that brown-eyed little Italian rock goddess I knew she was meant for me But my life was too messed up to give her what she needed So I pushed her away right into the arms of my band's front man only to regret it the second I saw them together The moment they were over I tried to clean up my act and chased after that girl until she was mine But like always I let my demons screw with my head and went looking for my next fix I knew if she found out I would have to choose between the numbness that the drugs gave me and the best thing that had ever happened to me I chose wrong Gabriella The second that I found out Liam was in a car accident that fateful New Year's Eve night I knew I'd made the worst mistake in not trying to fight for him For us I never should have pushed him away but tried to help him through his battle with addiction When he woke up in the hospital and saw me standing beside of him I knew that I had killed the love he had for me and all that was left was hate Now more than a year later I knew the truth about that crazy night I knew why he'd pushed me out of his life and I was going to stop at nothing to get the man who owns my heart and soul back That is if I can survive the night
