The Shadow of Kilimanjaro Rick Ridgeway, 1999-10-15 Chronicles a journey by foot across East Africa and depicts the vanishing animals of a rapidly vanishing world **The Temptress** Paul Spicer, 2010-05-06 In Kenya's Happy Valley in the years spanning the 1920s to the 1940s no one paid too much attention to the privileged colonial set as they farmed their estates partied until dawn and indulged in extra marital affairs Not until Josslyn Hay Earl of Erroll was shot dead at the wheel of his Buick in the early hours of 24 January 1941 Some said the good looking womaniser had it coming He was a philanderer who could have had any number of enemies among cuckolded husbands who wanted revenge Ageing Jock Delves Broughton stood trial for Erroll's murder but was acquitted and the mystery remained unsolved until now American heiress Alice de Janz had been conducting a clandestine affair with Joss for years Married into French aristocracy her stunning beauty was to prove a fatal lure to men of adventure Previously tried by a French court for shooting one of her lovers scandal followed her wherever she went She arrived in Kenya as a newly married Countess in the 1920s but by 1941 she had turned forty and the years of partying had taken their toll Pushed aside by Erroll for younger lovers and increasingly isolated Alice threw herself into an act of desperation resulting in his murder and her own tragic demise The Temptress not only solves the mystery of Josslyn Hay's murder with the utmost conviction it eloquently paints a portrait of a volatile captivating woman

Interdisciplinary Measures Graham Huggan, 2008-02-01 Interdisciplinary Measures makes the case for a cross disciplinary but literature centred approach to postcolonial studies Despite the anxieties that interdisciplinarity brings with it a combination of different discontinuously structured disciplinary knowledges is arguably best suited to address the tangled concerns of both the globalised present and the colonial past The book looks specifically at the intersections between literary criticism history anthropology geography and environmental studies while arguing more specifically for a postcolonialism across the disciplines in the service of informed cross cultural critique Bringing together a wide range of literary material from Africa Australia Canada the Caribbean New Zealand and South Asia the book also considers the different but sometimes related cultural contexts within which the key debates in postcolonial studies e g those around globalisation North South relations and the new imperialism are currently taking place These debates suggest the need for a multi sided multilingualistic and not least multidisciplinary approach to postcolonial studies that consolidates its status as a comparative field

Professor Ricardo de Souza, 2024-12-29 O cenário era Tsavo uma terra selvagem e inspita localizada no coração da África Oriental. Sob o comando do Império Britânico a ferrovia que cruzava a região não era apenas uma empreitada de engenharia monumental, mas também um símbolo da expansão colonial conectando a costa do Oceano Índico ao interior do continente. Para os britânicos a ferrovia era uma linha vital de transporte e com o objetivo prometendo consolidar seu controle sobre a África Oriental e facilitar a exploração de recursos naturais e territórios. Porém o projeto enfrentou uma série de desafios formidáveis: um ambiente hostil, doenças mortais como a malária e o mais inesperado de todos: dois predadores selvagens que se tornaram uma ameaça real e aterradora. *Acquisitions List, African-American Collection* University of Pittsburgh. Retreat Upward Thomas Nisbett, 2024-06-18 The terrain of life is mountainous. Mountains have peaks and valleys, ups and downs, ascents and descents, highs and lows, much like daily living. We all face challenges that feel more like uphill battles, encountering difficult obstacles. The terrain of real faith is mountainous. We experience spiritual highpoints and emotional low points in our faith journey. It used to be common to refer to humans as souls. We need a few trusted souls to journey with us. The soul of a person is eternal, needing to be nourished and developed in this unpredictable terrain called life. Various pathways connect the outer life and the inner life: gardening, desert isolation, ocean travel, among others. The author chose to Retreat Upward: A Mountain Pathway for the Soul.
