The Mistletoe Bride Other Haunting Tales By Kate Mosse:

The Mistletoe Bride and Other Haunting Tales Kate Mosse, 2013-10-24 The perfect winter ghost short story collection from the No 1 bestselling author of LABYRINTH and THE CITY OF TEARS I hear someone coming It has happened before I pause and listen but no longer hear anything I sigh As always hope is snatched away before it can take root And so then as always I am carried back to that first December so very long ago Rooted in the elemental landscapes of Sussex Brittany and the Languedoc here are tales of ghosts and spirits seeking revenge grief stricken women and haunted men coming to terms with their destiny The Theological Turn in Contemporary Gothic Fiction Simon Marsden, 2018-09-21 This study examines theological themes and resonances in post 1970 Gothic fiction It argues that contemporary Gothic is not simply a secularised genre but rather one that engages creatively and often subversively with theological texts and traditions This creative engagement is reflected in Gothic fiction's exploration of theological concepts including sin and evil Christology and the messianic resurrection eschatology and apocalypse Through readings of fiction by Gothic and horror writers including Stephen King Joyce Carol Oates Peter Straub William Peter Blatty and others this book demonstrates that Christianity continues to haunt the Gothic imagination and that the genre's openness to the mysterious numinous and non rational opens space in which to explore religious beliefs and experiences less easily accessible to more overtly realist forms of representation The book offers a new perspective on contemporary Gothic fiction that will be of interest to students and scholars of contemporary Gothic and of the relationship between literature and religion more generally *The Woman in Black* Mark Fryers, Marcus K. Harmes, 2025-03-21 The Woman in Black terrified viewers in 1989 and is remembered as one of Britain's scariest horror films It is justly famous as the combined work of three giants of British drama Susan Hill Nigel Kneale and Herbert Wise This book is the first to study the rich themes and terrifying impact of this film presenting it as a TV film that is cinematic in its effect and quality The book traces the adaptation of Susan Hill's novel paying close attention to the ways in which the celebrated writer Nigel Kneale turned a popular book into a spooky film and reconstructs the brilliance of veteran director Herbert Wise It also explores themes ranging from maternal rage and imperial disquiet to eerie soundscapes and landscapes Archival papers from the Nigel Kneale Archive on the Isle of Man are used to reveal how Kneale transformed the novel into the script and interviews with production personnel shed light on the remarkable talent and experience of the team who produced this classic film Gothic Travel through Haunted Landscapes Lucie Armitt, Scott Brewster, 2022-12-06 This book argues that the process and experience of travel in Gothic literature provides a unique and transformative perspective on the relationship between fear and recurring cultural preoccupations from the late eighteenth century to the present ranging from concerns about climate change or the presence of the unseen to the negotiation of cultural difference and the apprehension produced by various modes of modern transport and unknown unknowable terrain The book follows travellers who take many fictional forms tourists commuters walkers explorers as well as the armchair

tourist or reader as they encounter fascinating strange and often disconcerting weathers climates landscapes and topographies Gothic travel epitomises the wonder excitement suspicion or incomprehension that arises from journeys through familiar and unfamiliar terrain While exposure to the wild elemental or primitive could produce the elevation of the sublime in early Gothic increasingly the experience of travel raised unsettling questions about people places and environments that lay beyond established frames of knowledge Gothic travellers are haunted never alone and the experience of journeying through these landscapes provokes fears that may shadow them even after they have returned to home ground *Climates of Fear* reveals the persistent ways in which Gothic narratives of travel confront fears about the environment surveillance immigration and the foreign These abiding concerns speak loudly to the present time however when the encroachments on our immediate surroundings from climate change digital communication and geopolitical dislocation seem at once remote and intimate invisible yet urgent Thus the book also asks whether recent portrayals of Gothic journeys now pose different questions to the reader **Poems That Make Grown Women Cry** Anthony Holden, Ben Holden, 2016-04-05

Following the success of their anthology *Poems That Make Grown Men Cry* father and son team Anthony and Ben Holden working with Amnesty International have asked the same revealing question of 100 remarkable women What poem has moved you to tears The poems chosen range from the eighth century to today from Rumi and Shakespeare to Sylvia Plath W H Auden to Carol Ann Duffy Pablo Neruda and Derek Walcott to Imtiaz Dharker and Warsan Shire Their themes range from love and loss through mortality and mystery war and peace to the beauty and variety of nature From Yoko Ono to Judi Dench Chimamanda Ngozi Adichie to Elena Ferrante Carol Ann Duffy to Kaui Hart Hemmings and Joan Baez to Nikki Giovanni this unique collection delivers private insights into the minds of women whose writing acting and thinking are admired around the world *The Winter Ghosts* Kate Mosse, 2009-10-15 Nothing is as it seems France 1928 It is ten years since the Great War ended but Freddie Watson is still haunted by the loss of his beloved brother Driving through the foothills of the Pyrenees his car spins off the road in a snowstorm He takes refuge in an isolated village and there meets the captivating Fabrissa They spend the night talking of love and loss and war By daybreak Fabrissa has vanished and Freddie has discovered that he alone holds the key to an ancient mystery one which leads him deep into the mountains and to a cave that conceals a shocking secret A wonderfully haunting winter's tale Stop the clock and read it in one sitting She A great read Mosse writes movingly about loss and atmospherically about France Daily Mail Beautiful and haunting this is a great story of love loss and courage
