The Stars Look Down By Aj Cronin:

The Stars Look Down A.J. Cronin, 1935 **The Stars Look Down** A. J. Cronin, 2025-09-25 *The Stars Look Down* was A J Cronin's fourth novel published in 1935 and this tale of a North country mining family was a great favourite with his readers Robert Fenwick is a miner and so are his three sons His wife is proud that all her four men go down the mines But David the youngest is determined that somehow he will educate himself and work to ameliorate the lives of his comrades who ruin their health to dig the nation's coal It is perhaps a typical tale of the era in which it was written there were many novels about coal mining but Cronin a doctor turned author had a gift for storytelling and in his time wrote several very popular and successful novels In the magnificent narrative tradition of *The Citadel* Hatter's Castle and Cronin's other novels *The Stars Look Down* is deservedly remembered as a classic of its age Carol Reed Peter William Evans, 2019-01-04 Carol Reed is one of the truly outstanding directors of British cinema and one whose work is long overdue for reconsideration This major study ranges over Reed's entire career combining observation of general trends and patterns with detailed analysis of twenty films both acknowledged masterpieces and lesser known works Evans avoids a simplistic auteurist approach placing the films in their autobiographical socio political and cultural contexts and relating these to the analysis of Reed's art The critical approach combines psychoanalysis gender theory and the analysis of form Archival research is also relied on to clarify Reed's relations with his creative team financial backers and others Films examined include *Bank Holiday* *A Girl Must Live* *Odd Man Out* *The Fallen Idol* *The Third Man* *Night Train to Munich* *The Way Ahead* *Outcast of the Islands* *Trapeze* and *Oliver* A.J. Cronin, *a Reference Guide* Dale Salwak, 1982 **The Paperback Art of James Avati** Piet Schreuders, James Avati, Kenneth Fulton, 2005 *Monografie van de Amerikaanse coverschilder James Avati 1912-2005* **A.J. Cronin** Alan Davies, 2018-01-01 A J Cronin author of some of the best loved novels of the mid twentieth century and the creator of Dr Finlay has been unjustly overlooked by literary biographers In this the first full length life of this eminent and unjustly neglected writer Alan Davies recounts the story of Cronin's Scottish childhood as the son of a Protestant mother and Catholic father his subsequent medical career and his rise to literary prominence emphasizing throughout the importance of holding at arm's length many of the apocryphal tales that have accumulated around the memory of the author of *Hatter's Castle* *The Citadel* and *The Stars Look Down* many of which are based on mistaken autobiographical readings of Cronin's fiction itself Incorporating an account of Cronin's tempestuous relationship with his publisher Victor Gollancz and new revelations about the author's private life Davies's book paints a clearer portrait of both Cronin the writer and Cronin the man **Working Stiffs, Union Maids, Reds, and Riffraff** Tom Zaniello, 2018-05-31 The revised and expanded edition of *Working Stiffs Union Maids Reds and Riffraff* offers 350 titles compared to the original edition's 150 The new book is global in scope with examples of labor films from around the world Viewers can turn to this comprehensive annotated guide for films about unions or labor organizations labor history working class life where an economic factor is significant political movements if they are tied

closely to organized labor production or the struggle between labor and capital from a top down either entrepreneurial or managerial perspective Each entry includes a critical commentary production data cast list MPAA rating if any suggested related films annotated references to books and websites for further reading and information about availability of films for rental and or purchase This edition addresses both historical and contemporary films and features many more documentaries and hard to find information about agitprop and union financed films Working Stiffs Union Maids Reds and Riffraff An Expanded Guide to Films about Labor features fifty eight production stills and frame enlargements It also includes a greatly expanded Thematic Index of Films Two new sections will help the reader discover labor films in chronological order or by nationality or affiliation with certain cinematic movements To read Tom Zaniello s blog on the cinema of labor and globalization featuring even more reviews visit <http://tzaniello.wordpress.com> Praise for the earlier edition Zaniello has created a useful and far reaching guide with abundant information These are the sorts of films that prove what James Agee wrote in these pages nearly fifty years ago The only movies whose temper could possibly be described as heroic or tragic or both have been made by leftists The Nation Zaniello has done a monumental job identifying the films that should be included in this genre Working Stiffs Union Maids Reds and Riffraff is sorely needed and long overdue Cineaste An engaging and opinionated book Even though mining trucking Jimmy Hoffa and class warfare are the book s major themes what holds the project together is Zaniello s sense of fun and wit Zaniello is a better writer than most major film critics Village Voice Literary Supplement

A State of Play Steven Fielding, 2014-04-24 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com A State of Play explores how the British have imagined their politics from the parliament worship of Anthony Trollope to the cynicism of The Thick of It In an account that mixes historical with political analysis Steven Fielding argues that fictional depictions of politics have played an important but insidious part in shaping how the British think about their democracy and have helped ventilate their many frustrations with Westminster He shows that dramas and fictions have also performed a significant role in the battle of ideas in a way undreamt of by those who draft party manifestos The book examines the work of overtly political writers have treated the subject discussing the novels of H G Wells the comedy series Yes Minister and the plays of David Hare However it also assesses how less obvious sources such as the films of George Formby the novels of Agatha Christie the Just William stories and situation comedies like Steptoe and Son have reflected on representative democracy A State of Play is an invaluable distinctive and engaging guide to a new way of thinking about Britain s political past and present **AJ Cronin**
