Invest in Your Professional Future Your Patients Deserve a Certified Gerontological Nurse *Nursing School, NCLEX and Career Transition Success* Cheryl Thompson, 2025-04-04. This unique textbook is designed as a comprehensive resource to empower nursing students through their educational journey and transition to nursing practice. It bridges theory and practice, offering strategies to master critical thinking, adopt brain-based learning, and develop a growth mindset. Essential skills for thinking like a nurse and applying classroom knowledge to clinical practice are covered. Critical thinking and brain-based learning concepts are integrated with real-world nursing education scenarios, providing students with actionable strategies to support success. The book includes foundational concepts in critical thinking and brain-based learning applied to learning self-assessment tools to identify strengths and areas for improvement, case studies to foster critical thinking and application of concepts, and practical strategies for applying concepts to support academic and nursing practice success. The book addresses contemporary challenges faced by nursing students, including time management, stress management, and test anxiety. It goes beyond typical nursing school guides by providing in-depth coverage of choosing your first nursing job and navigating early career decisions, understanding the NCLEX, its structure, purpose, and how to prepare effectively, applying brain-based learning, critical thinking, and growth mindset principles to excel in nursing school, on the NCLEX, in clinical experiences, and in professional practice. Whether you're just starting your nursing education or preparing for the NCLEX and your first job, this textbook provides the tools and strategies needed to excel. It's an indispensable companion for any nursing student aiming to thrive in their studies and launch a successful nursing career.
