discoveries are celebrated with Nobel Prizes founded by Alfred Nobel in his will and awarded since 1901 to represent the highest level of recognition for research. In our journal we feature the winners of prizes in Chemistry, Physics, Physiology or Medicine, and Economics. Did you know that you as a Young Minds reader share an important trait with our Nobel Prize winners? This is curiosity. The scientific journeys of Nobel laureates are fueled by an intense, life-long search for answers, the same curiosity that motivates you to read these articles. As Nobel Laureate May-Britt Moser told us, "As a scientist, I feel privileged to be able to ask questions that I think are important. I hope the papers in this journal may help nurture and reinforce children's passion and curiosity for science, what a gift to humanity that would be." Let this unique Collection help you to develop your own curiosity and passion and inspire you reach for new discoveries in your own life. Check out the 10 brilliant articles in Volume 1 here, find out about key discoveries ranging from how humans find our way using special brain cells to how we might find life on planets beyond our solar system. Would you like to submit to this? *The Kids' Fun-filled Search & Find Geography Book* Tony Tallarico, 1997 *Education Mania* Joshua Flapan, 2023 *Education Mania* is a University. The New Doctor is about people who think that a college degree is a real degree. In fact, the doctorate is doing the goals of the college. In many ways, the full benefits of a college degree go to the doctorate. Like in the majors in the field of engineering, psychology, and English, there are a lot of college grads around the world who face the food stamp line, and it is contrary to how the university gets people a job. The scandal involves an essay and dissertation. That is an approximately five chapter essay. Also, the book has introductions to explain to the reader how a university degree becomes a new doctor. My book explores solutions to subject areas that prove the doctor is the new college. The solutions include having college to nothing, getting rid of the bus, child labor, and apprentices.
