Atlas Polskiego Podziemia Niepodległościowego 1944-1956 The Atlas Of The Independence Underground In Poland 1944:

Atlas polskiego podziemia niepodległościowego 1944-1956 Sławomir Poleszak, Rafał Wnuk, Agnieszka Jaczyńska, Magdalena Śladecka, Krzysztof Kałamucki, Mieczysław Sirko, Witold Zbirohowski-Kościa, 2020 Opracowanie wizualizacji kartograficznej wydawnictwo zawiera cz. opisów oraz ikonograficznych ramy chronologiczne atlasu wyznaczają wydarzenia istotne dla genezy i dzieła polskiego powojennego podziemia niepodległościowego. Za początkowy moment kształtowania się tej konspiracji uznano styczeń 1944 r. początek ofensywy sowieckiej skutkiem było wkroczenie Armii Czerwonej na ziemie II RP. Data ta do grudnia 1956 r. symboliczny moment wyjścia z lasu pod wpływem przemian państwowych ukrywających się w podziemiu. Dla dopełnienia obrazu przypomniano również sylwetki tych którzy z takiej możliwości nie skorzystali i trwali w ukryciu jeszcze w latach sześćdziesiątych tych lat przez organa bezpieczeństwa. **Atlas of the independence underground in Poland 1944-1956** Rafał Wnuk, 2007 The Un-Polish Poland, 1989 and the Illusion of Regained Historical Continuity Tomasz Kamusella, 2017-08-21 This book discusses historical continuities and discontinuities between the Polish-Lithuanian Commonwealth, interwar Poland, the Polish People's Republic, and contemporary Poland. The year 1989 is seen as a clear point break that allowed the Poles and their country to regain a natural historical continuity with the Second Republic as interwar Poland is commonly referred to in the current Polish national master narrative. In this pattern of thinking about the past, Poland-Lithuania nowadays roughly coterminous with Belarus, Latvia, Lithuania, Poland, Russia's Kaliningrad Region, and Ukraine is seen as the First Republic. However, in spite of this politics of memory, Geschichtspolitik regarding its borders, institutions, law, language, or ethnic and social makeup, present-day Poland in reality is the direct successor to and the continuation of communist Poland. Ironically, today's Poland is very different in all the aforementioned aspects from the First and Second Republics. Hence, contemporary Poland is quite un-Polish indeed from the perspective of Polishness defined as a historical, legal, social, cultural, ethnic, and political continuity of Poland-Lithuania and interwar Poland. The Mentality of Partisans of the Polish Anti-Communist Underground 1944-1956 Mariusz Mazur, 2022-10-30 This book is the first study of the mentality of anti-Communist underground fighters and presents especially their thinking, ideals, stereotypes, and customs. The models and psychological processes that the volume analyses are relevant not only to the Polish partisans but also to members of other underground organisations in East-Central Europe, South America, and Asia. It explores how the underground organizations were created, who joined them, and why, what thoughts and emotions were involved, and what were the consequences of the decisions to join them. Experiences and situations are illustrated with excerpts of diaries and memoirs which reveal the thinking of people in extreme situations when their lives are in danger, when they are caught in desperate conflicts, or are fighting against overwhelming government forces. The Mentality of Partisans is useful for upper-level undergraduates, postgraduates, and scholars interested in the history of

Europe resistance movements anticommunism military and political conflicts World War Two and non classical historiography

Stalin and Europe Timothy Snyder, Ray Brandon, 2014 A volume of original essays that reassesses the Soviet Union's impact on Europe before during and after World War II

Intermarium Marek Jan Chodakiewicz, 2017-09-08 History and collective memories influence a nation its culture and institutions hence its domestic politics and foreign policy That is the case in the Intermarium the land between the Baltic and Black Seas in Eastern Europe The area is the last unabashed rampart of Western Civilization in the East and a point of convergence of disparate cultures Marek Jan Chodakiewicz focuses on the Intermarium for several reasons Most importantly because as the inheritor of the freedom and rights stemming from the legacy of the Polish Lithuanian Ruthenian Commonwealth it is culturally and ideologically compatible with American national interests It is also a gateway to both East and West Since the Intermarium is the most stable part of the post Soviet area Chodakiewicz argues that the United States should focus on solidifying its influence there The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world As such the area can act as a springboard to addressing the rest of the successor states including those in the Caucasus Central Asia and the Russian Federation Intermarium has operated successfully for several centuries It is the most inclusive political concept within the framework of the Commonwealth By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area This is a brilliant and innovative addition to European Studies and World Culture

Paramilitarism and European Society in the 1940s Gareth Pritchard, Vesna Drapac, 2025-01-29 This book explores the social roots character and consequences of paramilitary violence in Europe in the 1940s Paramilitarism had an impact on the lives of millions of Europeans yet knowledge about this important topic is partial and fragmented The general perception of European paramilitary violence in the 1940s derives almost entirely from the resistance collaboration paradigm This dichotomous analytical framework makes a clear distinction between politically motivated violence and social violence such as sexual criminal and structural violence By contrast in this book Gareth Pritchard and Vesna Drapac recognise the mutual dependence of all kinds of violence Their interpretative model the Regimes of Violence paradigm which takes account of the changing relationship between state society and organised violence allows us to observe paramilitarism in the round The Regimes of Violence framework reveals the interconnectedness of paramilitarism with other forms of violence during this period of unprecedented brutality Today paramilitary violence is a global phenomenon It has resulted in the undermining of the rule of law and the erosion of civil society in many different countries on different continents while at the same time traumatising the countless numbers of innocent people who are caught in its crossfire With their compelling and timely study Pritchard and Drapac provide an historical context and present a novel approach for understanding why paramilitarism shows no sign of abating

Cursed Joanna Tokarska-Bakir, 2023-11-15 In Cursed Joanna Tokarska-Bakir investigates the

July 4 1946 Kielce pogrom a milestone in the periodization of the Jewish diaspora This massacre compelled thousands of Polish Jews who survived the Holocaust to flee postwar Poland It remains a negative reference point in the Polish historical narrative and represents a lack of reckoning with the role of antisemitism in postwar Polish society and identity politics Tokarska Bakir weaves together the voices of the Kielce pogrom survivors witnesses and perpetrators with a myriad of other archival sources Her meticulous research exposes wartime and postwar biographies of local factory workers city and church officials local police officers and members of the security service some of whom participated in the Holocaust and then directly or indirectly participated in the Kielce pogrom Tokarska Bakir paints a social portrait that explores people s behavior in light of forces and emotions greater than themselves She reconstructs a postwar communist system that despite promises to combat deeply rooted antisemitism not only failed to prevent its spread but turned a blind eye to it and eventually used it to legitimize itself Cursed is a microhistory that recreates the events of the Kielce pogrom step by step and examines the dominant hypotheses about the pogrom through the prism of previously classified archival evidence It offers readers a nuanced analysis that cuts across social and ideological divisions The resulting narrative is filled with new discoveries not only about the Kielce pogrom but about the nature of antisemitism hostility toward minorities and collective violence Published in Association with the United States Holocaust Memorial Museum *Acta Poloniae Historica* ,2008

Geschichte Polens im 20. Jahrhundert Włodzimierz Borodziej,2016-07-01 Im 20 Jahrhundert hat Polen dreimal europäische Geschichte geschrieben 1920 als es die Rote Armee schlug 1939 als es sich Deutschland widersetzte und 1980 als es die erste Bewegung hervorbrachte die den Staatssozialismus ebenso friedlich wie erfolgreich herausforderte Włodzimierz Borodziej erzählt die dramatische und wendungsreiche Geschichte Polens von 1900 bis zur Gegenwart und macht begreiflich wie das Land zu dem wurde was es heute ist Curating (Post-)Socialist Environments Philipp Schorch,Daniel Habit,2021-06-09 In which ways are environments post socialist and how do they come about How is the relationship between the built environment memory and debates on identity enacted What are the spatial material visual and aesthetic dimensions of these post socialist enactments or interventions And how do such post socialist interventions in environments become re curated By addressing these questions this volume releases curation from its usual museological framing and carries it into urban environments and private life worlds from predominantly state sponsored institutional settings with often normative orientations into spheres of subjectification social creativity and material commemorative culture

Biuletyn Instytutu Pamięci Narodowej ,2008 Ghost Citizens Lukasz Krzyzanowski,2020-06-16 Few Polish Holocaust survivors went home after liberation Lukasz Krzyzanowski recounts the story of a group who did the returnees of Radom Bureaucrats tried to hold back their property and possessions to prop up the ruined state And the returnees faced pogroms and even gangs of fellow Jews Against it all they struggled to rebuild their lives **Narodowe Siły Zbrojne na Lubelszczyźnie 1944-1947** Mirosław Piotrowski,2009 **Białe plamy-czarne plamy** Polsko-Rosyjska Grupa do Spraw

Trudnych, Polski Instytut Spraw Międzynarodowych, 2010 **Polski przegląd kartograficzny**, 2008 **Towards Freedom**
Andrzej Krzysztof Kunert, 2014 Exhibition catalog for exhibit held at National Louis University in Chicago Illinois from April
23 to May 20 2007 Fighting Warsaw: The Story of the Polish Underground State, 1939-1945 Stefan
Korbonski, 2016-03-28 Fighting Warsaw is a human story Stefan Korbonski the leader of the Polish Underground State
portrays the years of the German occupation during the Second World War and the beginning of anti Soviet underground
activities thereafter His story presents the entire organization strategy and tactics of the Polish underground which included
armed resistance civil disobedience sabotage and boycotts The Polish Underground was perhaps the best organized and most
active of all wartime undergrounds and Stefan Korbonski is well qualified to tell its story He was almost immediately after
the fighting had stopped arrested by the Russians he managed to regain his freedom and it is to this happy release that we
owe this book an absorbing account of Poland's fight for freedom These are the highly personal memoirs of an active
conspirator and in their vivid detail and exciting anecdotes they are probably more successful in conveying a sense of what
the resistance was actually like than a more comprehensive treatment would be Few people who read the author's chapters
on this one aspect of the resistance will fail to be moved by them or to come away from them with an increased
understanding of the prerequisites of successful opposition to an occupying power that is both efficient and ruthless
GORDON CRAIG New York Herald Tribune Fighting Warsaw is one of the most absorbing inspiring and ultimately
disheartening documents to come out of the last war The book which is detailed and written with humor modesty and a
surprising lack of rancor makes it quite plain that there is an indomitable quality in the Poles that will prevent them from
ever giving up their great dream The New Yorker **The Secret Army. (The Story of the Polish Underground**
Movement ... from 1939 to the End of 1944.) [With a Portrait and Maps.] Tadeusz Komorowski, 1950 **Atlas ziem**
odzyskanych Poland. Główny Urząd Planowania Przestrzennego, 1947
