Armageddon Road A Vcs Diary 1914 1916

B Lingard

Armageddon Road A Vcs Diary 1914 1916:

Armageddon Road Billy Congreve, 2014-08-18 Billy Congreve was an exceptional soldier and an exceptional man. By the time he was killed on the Somme in July 1916 at the age of twenty five he had been awarded the DSO MC and the Legion d'Honneur and for his many deeds of gallantry on the Somme a posthumous VC. Born into a military family his father General Congreve had also won the VC he became a regular soldier in the Rifle Brigade before the war and in France became a staff officer but one who chose to be in the front line as often as he could. This makes his remarkable diaries all the more valuable since he writes from the thick of the fighting and yet retains an objectivity that enables him to observe all that is going on around him both in the trenches and at headquarters. Terry Norman carefully edited the diary to set his story in the context of the war and thus provide an exceptional picture of what an officer thought of the conduct of the war side by side with his personal grief at the loss of his friends and the wastage of human life. Out of print for over 30 years this special centenary edition of this classic work includes a new foreword from esteemed military author Nigel Cave as well as an expanded introduction from Terry's widow Joan and a newly designed plate section detailing the extraordinary exploits of a truly remarkable man during the first two years of the war. This book is a compulsive purchase for all fans of the period.

Armageddon Road Billy Congreve, Billy Congreve, 2014 Billy Congreve was an exceptional soldier and an exceptional man. By the time he was killed on the Somme in July 1916 at the age of twenty five he had been awarded the DSO MC and the Legion d'Honneur and for his many deeds of gallantry on the Somme a posthumous VC. Born into a military family his father General Congreve had also won the VC he became a regular soldier in the Rifle Brigade before the war and in France became a staff officer but one who chose to be in the front line as often as he could. Victoria Crosses on the Western Front - Somme 1916 Paul Oldfield, 2016-08-30 In the past while visiting the First World War battlefields the author often wondered where the various Victoria Cross actions took place. He resolved to find out. In 1988 in the midst of his army career research for this book commenced and over the years numerous sources have been consulted. *Victoria Crosses on the Western Front Somme 1916* is designed for the battlefield visitor as much as the armchair reader. A thorough account of each VC action is set within the wider strategic and tactical context. Detailed sketch maps show

the area today together with the battle lines and movements of the combatants It will allow visitors to stand upon the spot or very close to where each VC was won Photographs of the battle sites richly illustrate the accounts There is also a comprehensive biography for each recipient covering every aspect of their lives wars and all parents and siblings education civilian employment military career wife and children death and burial commemoration A host of other information much of it published for the first time reveals some fascinating characters with numerous links to many famous people and events

British Battalions in France & Belgium, 1914 Ray Westlake,1997-09-05 A unique account of the 143 infantry battalions of the British Army that served in France and Belgium from August to the end of December 1914 during WWI Ray Westlake has painstakingly compiled a comprehensive compendium of the exact movements of every regiment involved on the various battlefields in France and Flanders during World War One Detailed records of movements both in and out of battle areas and on a day by day basis are covered in the same meticulous style as the author's previous books British Battalions on the Somme and British Regiments at Gallipoli

The Truce Chris Baker,2014-09-15 A fascinating new study of the events leading up to and during one of the most poignant events of the First World War the Christmas Truce 1914

British Generalship on the Western Front 1914-1918 Simon Robbins,2004-12-17 This book explores how British Army learnt from the pyrrhic victories of 1915 17 and developed the new tactics leadership and doctrine of combined arms to overcome the tactical stalemate hitherto bedevilling Allied offensives to defeat the

The Battle Book of Ypres Beatrix Brice,2014-09-22 Of the many hard fought battles on the Western Front Ypres stands out as an example of almost inhuman endeavour For four long years it was the focal point of desperate fighting Officially there were four main battles in 1914 1915 1917 and 1918 these were more accurately peaks in a continuing struggle for Ypres symbolised Belgian defiance and the British continued to expend disproportionate resources on defending it It never fell although the Germans came close to its gates and indeed its loss would have been a severe blow to morale The Battle Book of Ypres originally published in 1927 and now presented again as a special Centenary Edition comprises a chronological account of the fighting in the Ypres Salient during the First World War followed by a useful and unique alphabetical reference to the events in and around each hamlet village or wood names familiar to those who fought or followed the course of war all those years ago names now once again lost in insignificance The names given to each stage of the struggle by the Battle Nomenclature Committee are listed in the appendix Also included is an index of formations and units an annotated bibliography and a new Foreword by military historian Nigel Cave

Trial by Gas George H. Cassar,2014-12 World War I has long captured the macabre imagination for the seemingly willful manner in which nations sent their young men to die in droves while fighting over essentially the same patch of land for four long years The vision of those senseless deaths becomes even harsher and more depraved when we consider how many soldiers were killed by poison gas In May 1915 the long and bloody Second Battle of Ypres gained notoriety for the participants use of poison gas the first time the weapon had been used in battle With both sides realizing the

importance of victory in Ypres moral considerations were set aside Although other more costly battles of World War I have often overshadowed the Second Battle of Ypres despite the unprecedented use of gas in the latter that battle now receives an examination commensurate with its significance In *Trial by Gas* George H Cassar focuses on the conflict s second half the battles at Frezenberg Ridge and Bellewaarde Ridge both of which were fought primarily by British units taking the reader inside the trenches and behind the desks of those making the decisions Cassar s intimate account offers an accurate clear and complete chronicle of a battle with a remarkably enduring impact despite its indecisive outcome *Battleground Europe* Nigel Cave,1990-03-29 A study of the most important sites primarily of the two world wars covering both their history and descriptions of how they are today For the interested traveller the author groups key sites together listing places offering accommodation food and detailing places of local interest **Tuscany's Noble Treasures** Paula Clifford,2021-12-15 A comprehensive study of female religious life in medieval Tuscany and the development of new categories of religious women **British Generalship during the Great War** Simon Robbins,2016-04-15 Following the career of one relatively unknown First World War general Lord Horne this book adds to the growing literature that challenges long held assumptions that the First World War was a senseless bloodbath conducted by unimaginative and incompetent generals Instead it demonstrates that men like Horne developed new tactics and techniques to deal with the novel problems of trench warfare and in so doing seeks to re establish the image of the British generals and explain the reasons for the failures of 1915 16 and the successes of 1917 18 and how this remarkable change in performance was achieved by a much maligned group of senior officers Horne s important career and remarkable character sheds light not only on the major battles in which he was involved the progress of the war his relationships with his staff and other senior officers the novel problems of trench warfare the assimilation of new weapons tactics and training methods and the difficulties posed by the German defences but also on the attitudes and professionalism of a senior British commander serving on the Western Front Horne s career thus provides a vehicle for studying the performance of the British Army in the first quarter of the Twentieth Century It also gives an important insight into the attitudes ethos and professionalism of the officer corps which led that army to victory on the Western Front exposing not only its flaws but also its many strengths This study consequently provides a judgment not only on Horne as a personality innovator and general of great importance but also on his contemporaries who served with the British Armies in South Africa and France during an era which saw a revolution in military affairs giving birth to a Modern Style of Warfare which still prevails to this day *Sanctuary Wood & Hooge* Nigel Cave,1990-12-31 Both Sanctuary Wood and the village of Hodge saw intense fighting during the First World War Nigel Cave takes the reader on an explanatory tour of the immediate area Included is a description of the museum at Hill 62 with its trench system stereoscopic photos and weapons [Somme 1916](#) Gerald Gliddon,2009-11-20 Set out topographically it covers everything from the famous battle sites of High Wood and Mametz Wood to obscure villages on the

outlying flanks The British first began to take the Somme sector over from the French Army in June 1915 From this time onwards they built up a very close bond with the local population many of whom continued to live in local villages close to the front line The author draws on the latest research and analysis as well as the testimony of those who took part to present all aspects of a battle that was to become a symbol of the horrors of the Great War *VCs of the First World War: Somme 1916* Gerald Gliddon, 2012-05-30 The Battle of the Somme which lasted from 1 July to 18 November 1916 is remembered as one of the most horrific and tragic battles of the First World War On the first day alone nearly 19 000 British troops were killed the greatest one day loss in the history of the British Army By November the death toll from the armies of Britain France and Germany had risen to over a million This book tells the stories of fifty one soldiers from the Commonwealth and Empire armies whose bravery on the battlefield was rewarded by the Victoria Cross the highest military honour men like Private Billy McFadzean who was blown up by two grenades which he smothered in order to save the lives of his comrades and Private Todger Jones who single handedly rounded up 102 German soldiers Not only do we learn of heroic endeavours of these men at the height of battle but we also read of their lives before 1914 ranging from the backstreets of Glasgow to a country house in Cheshire and of what life was like after the war for the thirty three survivors *Legacy of the Somme 1916* Gerald Gliddon, 1996 The Battle of the Somme is widely regarded as one of the bloodiest and most controversial land battles ever fought The first British troops went over the top on 1 July 1916 and by the day s end some 19 000 had been killed in the greatest one day loss the British Army has ever known This notoriety has ensured that the Somme and its many fallen warriors live on in countless books plays and films Documentary sources about the Somme abound and there is a voracious appetite among the book buying public for more *Legacy of the Somme 1916* is a unique bibliographical and media guide to the battle setting on record in as comprehensive a listing as is possible much of what has been written filmed or sound recorded in the English language between 1916 and 1995 This detailed listing includes official unofficial and unit histories of the British and Commonwealth armies biographies autobiographies and memoirs literature drama and media archives tanks and war graves registers Short commentaries accompany each entry and a detailed index enables accurate cross referencing of subjects First and foremost this is a unique work of reference which will appeal to all with an interest in the First World War It will aid historians researchers and enthusiasts to track down the vast amount of information available on the battle and will also prove valuable to libraries museums and the book trade **The Battles of the British Expeditionary Forces, 1914-1915** Fred R. van Hartesveldt, 2005-04-30 In this valuable resource over 1 000 annotated sources from Great Britain France and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I Unique to this bibliography is the comprehensive coverage of sources resulting in a more complete picture of the circumstances of activities of the British Expeditionary Force BEF Sources include coverage of the BEF s military role as well as background information about domestic military considerations and Allied and enemy efforts This

volume will support researchers and students in their efforts to find out what the Expeditionary Force's contributions were in World War I and for expanding their knowledge of the Great War and British military history. In this valuable resource over 1 000 annotated sources from Great Britain, France and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I. Unique to this bibliography is the comprehensive coverage of sources and it results in a more complete picture of the circumstances of activities of the British Expeditionary Force (BEF). Sources include coverage of the BEF's military role as well as background information about domestic military considerations and Allied and enemy efforts. This volume will support researchers and students in their efforts to find out what the Expeditionary Force's contributions were in World War I and for expanding their knowledge of the Great War and British military history. The volume includes four chapters of historiographical essays discussing the interpretations and controversies that surround the performance and leadership of the BEF in 1914-1915. The essays direct readers to the major sources that support various ideas and indicate gaps in the historiography of the subject. Following the historiographical essays is an annotated bibliography of more than 1 000 sources that are relevant to the study of the BEF.

Ypres 1914: Messines Nigel Cave, Jack Sheldon, 2016-01-19. These three Battleground Europe books on Ypres 1914 mark the centenary of the final major battle of the 1914 campaign on the Western Front. Although fought over a relatively small area and short time span, the fighting was even more than usually chaotic and the stakes were extremely high. Authors Nigel Cave and Jack Sheldon combine their respective expertise to tell the story of the men, British, French, Indian and German, who fought over the unremarkable undulating ground that was to become firmly placed in British national conscience ever afterwards. At the end of October 1914, an increasingly desperate Falkenhayn, aware that his offensive in Flanders had stalled, decided to make one final effort to break through the Allied lines south of Ypres. Pulling together a large strike force, the so-called Army Group Fabeck, he launched a violent offensive designed to capture the Messines Ridge and to use this dominating terrain as a springboard for a further advance. Inadequately resourced, assembled in a rush, this thrust was soon in trouble. Confused fighting in the wooded areas to the south of the Menin Road slowed the advance and initial attempts to gain a foothold on the ridge failed. A supreme effort by the men of the 26th Infantry Division ultimately brought about the capture of the town of Messines, and similar heroics by the Bavarian 6th Reserve Division led to the fall of Wytschaete, but it was all in vain. Yet again a valiant Allied defence had buckled but not broken.

Edith Wharton and Mary Roberts Rinehart at the Western Front, 1915 Ed Klekowski, Libby Klekowski, 2018-07-06. By 1915 the Western Front was a 450-mile line of trenches, barbed wire and concrete bunkers stretching across Europe. Attempts to break the stalemate were murderous and futile. Censorship of the press was extreme; no one wanted the carnage reported. Remarkably, the Allied command gave two intrepid American women, Edith Wharton and Mary Roberts Rinehart, permission to visit the front and report on what they saw. Their travels are reconstructed from their own published accounts, Rinehart's unpublished day-by-day notes and the writings of other

journalists who toured the front in 1915 The present authors explorations of the places Wharton and Rinehart visited serves as a travel guide to the Western Front **The Battle of Neuve Chapelle** Geoff Bridger,1998-08-12 A history of the World War I engagement between British and German forces in northern France and a visitor s guide to the battlefield site Neuve Chapelle a lost battlefield is now opened up for the explorer to learn more about the actions that took place there In early 1915 the British decided to take the offensive for the first time in the war against German positions in Northern France The initial objective was a bulge about one mile across in their lines at Neuve Events which took place here early in 1915 are described in detail and show why this almost forgotten battle set the course of the war *The Battles of the Somme, 1916* Fred R. van Hartesveldt,1996-05-30 The 1916 Anglo French offensive comprising the battles of the Somme marked a change in the Allies relationships with the British beginning to play a more important role From contemporaries to the present the Somme has also produced a number of controversies This book shows the current state of historians interpretations of the Somme The initial section presents the historical background of the offensive lays out the major interpretative disputes and identifies the scholars and works in each school of thought The second section provides a bibliography of more than 700 entries The initial section of the book presents the historical background of the offensive and lays out the major interpretative disputes about it The section identifies scholars and works in each school of thought enables readers to determine where a specific work fits in the spectrum of views and provides cross references to the bibliography The second section provides an annotated bibliography of more than 700 entries

Armageddon Road A Vcs Diary 1914 1916 Introduction

In today's digital age, the availability of Armageddon Road A Vcs Diary 1914 1916 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Armageddon Road A Vcs Diary 1914 1916 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Armageddon Road A Vcs Diary 1914 1916 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Armageddon Road A Vcs Diary 1914 1916 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Armageddon Road A Vcs Diary 1914 1916 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Armageddon Road A Vcs Diary 1914 1916 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Armageddon Road A Vcs Diary 1914 1916 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and

educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Armageddon Road A Vcs Diary 1914 1916 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Armageddon Road A Vcs Diary 1914 1916 books and manuals for download and embark on your journey of knowledge?

FAQs About Armageddon Road A Vcs Diary 1914 1916 Books

What is a Armageddon Road A Vcs Diary 1914 1916 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Armageddon Road A Vcs Diary 1914 1916 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Armageddon Road A Vcs Diary 1914 1916 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Armageddon Road A Vcs Diary 1914 1916 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Armageddon Road A Vcs Diary 1914 1916 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting,

merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
