Ellen Ellen Coyne, 2020-10-30 This isn't a Catholic country anymore someone proudly declared in a pub where Ellen Coyne was sitting Ellen had left the Church long ago like many her age But she had never stopped talking to God Now about to turn 30 she realised she wasn't quite ready for this declaration to be true Abandoning the Church had been an act of protest However Ellen began to wonder who had really lost the most Why should those who damaged the Church get to keep all its good bits like the rituals the community a guide for living a better life and the comfort of believing it's not the end when somebody dies But how could she ally herself to an institution she doesn't entirely agree with In her first book a stunningly thoughtful and intelligent debut Ellen Coyne tries to figure out how much she really wants to go back to the Church and if it is even the right thing to do Get ready this is going to inspire a thousand conversations across Ireland about the role of the Church in our society and our future Louise O'Neill I flew through this on a will she won't she knife edge all the while questioning my own attitude to faith and spirituality Emer McLysaght Sings with sincerity this is the book the church doesn't know it needs for its own survival Justine McCarthy

The Author of Love Joc Anderson, 2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie Oh God The question that's begging to be answered is Who is God This devotional evolved out of one person's desire to portray God in a truer light In the Book of Job God reprimanded Job's friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope you'll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what you're all about May you understand God's love for you

Are You There God? Charisse Jones, 2020-04-15 Are You There God created to empower believers and yet believers that God is always present In life we all have a journey to experience and story to share with others Thus God did not create us to walk this road alone God desires to protect provide correct and direct us but we must recognize that He exists We have to acknowledge that life is more than what is visible to our eyes and understand that an encounter with

Jesus is both spiritual and tangible through God's Word. Are You There God was birthed by reflecting on my experiences and wanting to share this with others to inspire and lead them to Christ. It's a practical application of my life and biblical accounts which helped me to see God. Those same experiences may be your story or different but reflection on your life can help you see where God was and still is today. I hope that as I share my story with you it will help you recognize encounter and embrace the living God who longs to be your lifelong partner. Jesus Christ never meant for us to experience life without Him and His companionship. God loves you so much that He gave His only Son. John 3:16 NIV for your sins for your present existence and your future eternal salvation.
