Armenia At The Crossroads Postcommunist States And Nations

John K. Cox

Armenia At The Crossroads Postcommunist States And Nations:

Armenia Robert Krikorian, Joseph Masih, 2013-10-11 Since the collapse of the Soviet Union Armenia has remained on the brink of on the brink of becoming an economic crossroads or an isolated backwater a democratic or authoritarian state a peaceful and prosperous country or a nation on the brink of conflict Armenia s difficult independence is intricately linked with her transcaucasian neighbours and whichever path she follows they will undoubtedly be affected Armenia At the Crossroads considers Armenia as a nation and as a state and puts her tragic history into the context of current events since independence

The Baltic States Thomas Lane, Artis Pabriks, Aldis Purs, David J. Smith, 2013-11-05 Since the end of the Cold War there has been an increased interest in the Baltics The Baltic States brings together three titles Estonia Latvia and Lithuania to provide a comprehensive and analytical guide integrating history political science economic development and contemporary events into one account Since gaining their independence each country has developed at its own pace with its own agenda and facing its own obstacles The authors examine the tensions accompanying a post communist return to Europe after the long years of separation and how each country has responded to the demands of becoming a modern European state Estonia was the first of the former Soviet republics to enter membership negotiations with the European Union in 1988 and is a potential candidate for the next round of EU expansion in 2004 Lithuania and Latvia have also expressed their desire for future membership of NATO and the EU

Books on Turkey, 2005 **Historical Dictionary of Armenia** Rouben Paul Adalian, 2010-05-13 There are two Armenias the current Republic of Armenia and historic Armenia The modern state dates from the early 20th century Historic Armenia was part of the ancient world and expired in the Middle Ages Its people however survived and from its residue recreated a new country The history of the Armenians is the story of how an ancient people endured into modern times and how its culture evolved from one conceived under the influence of Mesopotamia to one redefined by the civilization of Europe The second edition of the Historical Dictionary of Armenia relates the turbulent past of this persistent country through a chronology an introductory essay a bibliography and over 200 cross referenced dictionary entries on significant persons events places organizations and other aspects of Armenian history from the earliest times to the present

The Czech Republic Rick Fawn, 2004-08-02 Czechoslovakia has captured the nation s imagination throughout the twentieth century The Allied betrayal of the country to Nazi Germany in 1938 was to demonstrate the appalling consequences of naive appeasement of aggression The wholesale reform of Soviet communism in the Prague Spring of 1968 won western support and sympathy when it was crushed by Warsaw Pact tanks The fierce communist regime thereafter was brought down almost magically in 1989 Czechoslovakia added to the international political vocabulary the term Velvet Revolution and the velvet metaphor has characterised much of the country s path breaking postcommunist transformation and its peaceful break up in 1993 In separate chapters on history politics economics foreign relations and the new Czech identity this book not only applauds the successes of the Czech Republic since 1993 but also uncovers the frayed

edges of the velvet nation **Kyrgyzstan** John Anderson,2013-10-11 Born out of the collapse of the USSR Kyrgyzstan has been notable for its struggle to develop a pluralist polity and free market an attempt that distinguishes it from some of its more authoritarian neighbors This volume introduces students and businessmen to this most attractive of republics offering an overview of its history politics economic development and place in the international community In particular it focuses on the problematic nature of political development with democratic and pluralist impulses struggling to survive against the dominance of more traditional forms of governance **Slovakia** Karen Henderson,2003-08-29 Since Slovakia achieved independent statehood at the end of 1992 it has become one of the most prosperous post communist states This book provides a unique and thorough introduction to Slovakia and will enable the reader to understand its multi faceted nature The book includes chapters on Twentieth Century History Politics Economy and International Relations **Russia** Neil Robinson,2003-09-02 Over the last hundred years Russia has undergone a succession of failed projects of state construction from Tzarist modernisation to Soviet state socialism to liberal democratic market capitalism This new book introduces these vastly different projects and explains their failure in order to illuminate the common problems of balancing social and economic transformation with political stability that Russia s rulers have faced during the twentieth century Russia A State of Uncertainty traces Russia s complex historical development in the last century as well as its recent political troubles and economic misfortunes and its place in the contemporary international system Providing up to date information on Russian political developments including the elections of 1999 and 2000 Robinson assesses the chances of future projects of political and economic reconstruction Written in a clear and accessible way this book will be an invaluable text for students learning about Russia for the first time as well as anyone interested in the state and history of Russia **Belarus** David Marples,2013-10-11 In any assessment and understanding of Belarus the key questions to address include why has Belarus apparently rejected independence under its first president Alyaksandr Lukashenka and sought a union with Russia Why has the government rejected democracy infringed on the human rights of its citizens and fundamentally altered its constitution in favour of presidential authority Has the country made any progress toward market reforms How have Russia and the West responded to the actions of Belarus And what is the future likely to hold for its ten million citizens The author s conclusions are optimistic Belarus he believes will survive into the twenty first century but as a Eurasian rather than a European state **Ukraine** Marta Dyczok,2013-11-05 Ukraine has surprised many international observers Few anticipated its declaration of independence in 1991 or its determination to move out of Russia s shadow Dyczok redresses the continuing dearth of information on the country Aimed at nonspecialists and specialists alike it presents an overview of the main government policies and the social and cultural issues facing the new state These are placed within their historical regional and global framework In contrast with the generally bleak picture that international media reports present the book suggests that Ukraine has actually accomplished a great deal in a short time In seven years from 1991 to 1998 Ukraine went from being a

little known nation within a non democratic state to an internationally recognized independent country During this period of change it contributed to the geopolitical shift which occurred with the implosion of the Soviet Union As such it may be argued Ukraine has a role to play in the search for the new international order

Latvia Artis Pabriks, Aldis Purs, 2013-03-07 The past one hundred years have been a very trying time for Latvia complete with success tragedy and still unrealized promise Within the course of a generation the country experienced revolutions wars and independent statehood and then the slide into authoritarianism World War II brought new occupations The tragedies were staggering holocaust executions and an exodus of refugees Soviet consolidation bred deportations forced collectivization and partisan warfare Almost fifty years later Latvia regained its independence and emerged from decades of disastrous Soviet rule This book comprehensively surveys Latvia's recent past and prospects for the new millennium placing contemporary events in historical perspective The authors address the evolution of the country from the movement against Soviet rule to the dilemmas of contemporary politics party formation the problem of corruption the quest for the future and a regional and international role the struggle to develop a civil society the issue of ethnic relations and the recurring tendency towards statist solutions Proper attention is also given to economic developments

Slovenia John K. Cox, 2004-06-01 A clear and concise introduction to contemporary Slovenia It examines the country's rapid transition from a collection of provinces in the southern part of the Habsburg Empire to a republic within Yugoslavia to an independent state and analyzes the major political and economic developments since 1991 The perfect introduction to one of Europe's most fascinating nations

Estonia David Smith, 2013-12-16 In 1998 Estonia became the first of the former Soviet republics to enter membership negotiations with the European Union Since then it has been hailed as the model pupil amongst the current applicants This study traces the remarkable reforms that have propelled Estonia from the USSR to the threshold of the EU in less than a decade The work also explores the tensions inherent in the concept of a postcommunist return to Europe Since 1991 membership of western transnational organizations has been consistently portrayed as the best guarantee of Estonia's independence Yet the membership criteria imposed by these organizations have frequently conflicted with the nationalist priority of restoring a sovereign Estonian nation state At the same time Estonia's geopolitically sensitive location poses a dilemma for the West thereby ensuring that the country will remain the litmus test not just of Russia's intentions towards Europe but of the New Europe as a whole

Lithuania Thomas Lane, 2014-04-08 This book offers a concise survey of Lithuania's peaceful transition to independence in the postcommunist era and shows how the country has moved to return to Europe whilst also resisting the dilution of her rich culture and traditions

Bulgaria Vesselin Dimitrov, 2013-01-11 The communist regime in Bulgaria was perhaps the most stable in Eastern Europe and its demise was brought about only by the general collapse of the Soviet bloc In the light of this what is surprising about the country's transitions to democracy and a market economy is not that it has been uneven but that it has proceeded without fundamental disruptions and is now showing some signs of consolidation

The two party system that emerged from the round table negotiations in 1990 has survived remarkably intact although the parties within it have undergone considerable transformations The institutions of democracy have often been misused but have shown their ability to survive in crisis situations After a dismal record of macroeconomic mismanagement the establishment of a currency board has brought stability to the country s economy and the long delayed structural reform is finally off the ground Having survived the trials of transition Bulgaria is now faced with the more difficult task of adapting its political and economic institutions to the requirements of future EU membership Poland George Sanford,2012-12-06 Poland pioneered the collapse of communism in Eastern Europe Domestic reformism and the negotiated abdication of ruling elites in 1989 have structured the country s politics in the 1990s But the division between the communist and Solidarity camps continues to cause problems for a potential reform coalition aiming to complete modernisation through the restructuring required for EU membership Secular Catholic and rural urban conflicts and well as the growing regional split between the north west and south east have fragmented political life and the party system Nevertheless Poland has made remarkable steps in the consolidation of democracy and the development of her political system whilst maintaining social stability she is also successfully transcending her historical security dilemma of open western and eastern frontiers and stronger aggressive neighbours by embedding herself in Europe through membership of NATO and the EU Poland is overcoming her historical problems Estonia David James Smith,2001 In 1998 Estonia became the first of the former Soviet republics to enter membership negotiations with the EU This book traces the remarkable reforms that have propelled Estonia from the USSR to the threshold of the EU in less than a decade **Uzbekistan** Neil J. Melvin,2004-08-02 Uzbekistan more than any other country in the area is likely to play a critical role in shaping Central Asia s future Situated at the heart of the region and sharing borders with all the other Central Asian states Uzbekistan is the most powerful and populous of the new states of Central Asia In this volume the historical origins of Uzbekistan are explored and the range of political economic and social challenges faced by the country since independence is charted Particular attention is given to the emergence of highly authoritarian politics in the country and the implications of this regime for the prospects of economic development ethnic peace and the growth of political Islam The emergence of Tashkent as a force in the international system and the importance of Uzbekistan to other countries in the area to regional powers and to the leading western countries and international organizations is also examined *After Independence* Lowell Barrington,2009-12-18 The majority of the existing work on nationalism has centered on its role in the creation of new states *After Independence* breaks new ground by examining the changes to nationalism after independence in seven new states This innovative volume challenges scholars and specialists to rethink conventional views of ethnic and civic nationalism and the division between primordial and constructivist understandings of national identity Where do nationalists go once they get what they want We know rather little about how nationalist movements transform themselves into the governments of new states or how they

can become opponents of new regimes that in their view have not taken the self determination drive far enough This stellar collection contributes not only to comparative theorizing on nationalist movements but also deepens our understanding of the contentious politics of nationalism s ultimate product new countries Charles King Chair of the Faculty and Ion Ratiu Associate Professor Georgetown University School of Foreign Service This well integrated volume analyzes two important variants of nationalism postcolonial and postcommunist in a sober lucid way and will benefit students and scholars alike Zvi Gitelman University of Michigan Lowell W Barrington is Associate Professor of Political Science Marquette University

Romania Stephen Roper, 2004-08-02 The Romanian revolution was motivated by a desire for greater political and intellectual freedom and economic prosperity It was the bloodiest of the eastern European transitions due to Ceausescu s cult of personality However many of the goals of the revolution are still unfulfilled The lack of civil society charges of political corruption the failure to transform the economy and concerns over the protection of ethnic minority rights are all factors in Romania s failure to become a fully integrated European country Tracing the country s political history and examining Romania s postcommunist politics economic transition and foreign policy this book contemplates the prospects for this country as it enters the twenty first century

As recognized, adventure as competently as experience roughly lesson, amusement, as well as arrangement can be gotten by just checking out a ebook **Armenia At The Crossroads Postcommunist States And Nations** next it is not directly done, you could understand even more a propos this life, on the world.

We find the money for you this proper as competently as simple pretension to get those all. We meet the expense of Armenia At The Crossroads Postcommunist States And Nations and numerous book collections from fictions to scientific research in any way. accompanied by them is this Armenia At The Crossroads Postcommunist States And Nations that can be your partner.

How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Armenia At The Crossroads Postcommunist States And Nations is one of the best book in our library for free trial. We provide copy of Armenia At The Crossroads Postcommunist States And Nations in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Armenia At The Crossroads Postcommunist States And Nations. Where to download Armenia At The Crossroads Postcommunist States And Nations online for free? Are you looking for Armenia At The Crossroads Postcommunist States And Nations PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Armenia At The Crossroads Postcommunist States And Nations. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Armenia At The Crossroads Postcommunist States And Nations are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides

make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Armenia At The Crossroads Postcommunist States And Nations. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Armenia At The Crossroads Postcommunist States And Nations To get started finding Armenia At The Crossroads Postcommunist States And Nations, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Armenia At The Crossroads Postcommunist States And Nations So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Armenia At The Crossroads Postcommunist States And Nations. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Armenia At The Crossroads Postcommunist States And Nations, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Armenia At The Crossroads Postcommunist States And Nations is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Armenia At The Crossroads Postcommunist States And Nations is universally compatible with any devices to read.
