Ascended Master Dictations Letters To A Chela:

Ascended Master Dictations Po Li,Po Li Po,2001 It is the intention of the author to give a thumbnail sketch of the Ascended Masters and what they have to do with the evolution of man on this planet and beyond It is not within the scope of this book to present all material available upon this subject nor to attempt the entire picture for this there is a great wealth of genuine literature extant on the Ascended Masters and their teaching Included in this book are portions that are directly dictated through the author from various masters Some of these teachings may be identified while others may not It is up to the readers to discern for themselves the authenticity of the offering One who is familiar with the teaching will recognize it I have spent 30 years studying these teachings and have come to know the Masters by their words and vibrations I can only hope that those of you who find these words interesting and useful will pursue the literature I have available a list of writers and writings which I know to be The Genuine Article This you must judge for yourselves You may find those on the web site or by emailing me In writing this book I do not claim to know or discuss the only way to contact the Masters However I do know that these methods work as I have successfully used them There may very well be other methods that work I can only speak from my personal experience and training under the Masters and their representatives in embodiment One statement from El Morya to me was an answer to my surprise at finding them in unexpected places was Do you not know that we are every where and that we work with all teachings and activities to the extent that they will allow us to enter in The Ascended Masters are the Elder Brothers and Sisters on The Path They have long been called too The Great White Brotherhood This title is partially representative of the times in which it was coined There have been many misunderstandings concerning white as racist and brotherhood as male specific This was never intended Perhaps in this day the title Ascended Masters is more gender neutral and more effective in the New World We live in a more balanced masculine and feminine time The name Great White Brotherhood is meant to be neither gender nor race exclusive and has no reference to color race or creed The Ascended Masters have all had physical 3rd dimensional bodies at one or more times in history They are an Order in Hierarchy and occupy seats on the Cosmic Councils with other Cosmic Beings It is our birthright to graduate from earth in the Initiation of the Ascension and take our place among the Ascended Masters Once we have balanced at least 51% of our personal karma completed our personal divine plan contract we are eligible to take Ascension The Author Li Po **The Ascended Masters on Soul Mates and Twin Flames** Mark L. Return to the Mystery School Elizabeth Clare Prophet,2025-01-01 Return to the Mystery School is a direct transfer of wisdom and love from the Teacher who walked and talked with the spiritual disciples in the ancient mystery school known as the Garden of Eden Humanity stands at a crossroads where we see the serpentine logic of the fallen angels that caused the fall of Eden once again permeating today s culture Maitreya comes to teach us to discern the truth from the lie by extracting the splintered momentums hidden in our consciousness These are ancient records of disregarding our inner guidance and the resulting chaos it causes in our lives The mindset that challenges the Law of Love has misled us over many lifetimes Through Maitreya s insights instruction and meditations this master resets our spiritual perspective and reawakens our Edenic consciousness to embrace the divine potential within Spiritual seekers exploring the truths common to the world s mystical paths are finding that the advanced lessons in the Maitreya Mystery School series help them unlock their greater spiritual potential and freedom Elizabeth Clare Prophet dedicated her life to bringing these sacred teachings from the ascended masters to provide you with current spiritual revelations timeless truths and practical steps on the spiritual path Maitreya comes to prepare you to hold greater spiritual light by resurrecting the memory of your direct relationship with God Take that memory to heart experience deeper meaning in life and meet Maitreya
