Asian Reflections on the American Landscape Brian D. Joyner, 2005 **American Families** Stephanie Coontz, Maya Parson, Gabrielle Raley, 1999 This collection by leading scholars discusses race gender and class stressing their effects on American families It emphasizes the many varied formations of the family and the ways in which government policy class race and gender both past and present affect these various family formations in different ways *Ethnic and Cultural Dimensions of Knowledge* Peter Meusbarger, Tim Freytag, Laura Suarsana, 2015-10-28 This book presents theoretical and methodical discussions on local knowledge and indigenous knowledge It examines educational attainment of ethnic minorities race and politics in educational systems and the problem of losing indigenous knowledge It comprises a broad range of case studies about specifics of local knowledge from several regions of the world reflecting the interdependence of norms tradition ethnic and cultural identities and knowledge The contributors explore gaps between knowledge and agency address questions of the social distribution of knowledge consider its relation to communal activities and inquire into the relation and intersection of knowledge assemblages at local national and global scales The book highlights the relevance of local and indigenous knowledge and discusses implications for educational and developmental politics It provides ideas and a cross disciplinary scientific background for scholars students and professionals including NGO activists and policy makers

History of Soybeans and Soyfoods in Japan, and in Japanese Cookbooks and Restaurants outside Japan (701 CE to 2014) William Shurtleff, Akiko Aoyagi, 2014-02-19 The world s most comprehensive well documented and well illustrated book on this subject with 445 photographs and illustrations Plus an extensive index **Race and Religion in American Buddhism** Joseph Cheah, 2011-10-28 While academic and popular studies of Buddhism have often neglected race as a factor of analysis the issues concerning race and racialization have remained not far below the surface of the wider discussion among ethnic Buddhists converts and sympathizers regarding representations of American Buddhism and adaptations of Buddhist practices to the American context In *Race and Religion in American Buddhism* Joseph Cheah provides a much needed contribution to the field of religious studies by addressing the under theorization of race in the study of American Buddhism Through the lens of racial formation Cheah demonstrates how adaptations of Buddhist practices by immigrants converts and sympathizers have taken place within an environment already permeated with the logic and ideology of whiteness and white supremacy In other words race and religion Buddhism are so intimately bounded together in the United States that the ideology of white supremacy informs the differing ways in which convert Buddhists and sympathizers and Burmese ethnic Buddhists have adapted Buddhist religious practices to an American context Cheah offers a complex view of how the Burmese American community must negotiate not only the religious and racial terrains of the United States but also the transnational reach of the Burmese junta *Race and Religion in American Buddhism* marks an important contribution to the study of American Buddhism as well as to the larger fields of U S religions and Asian American studies Solving the Immigrant Church Crisis Ronald M. Rothenberg, 2016-08 Solving the Immigrant Church Crisis The

Biblical Solution of Parallel Ministry Acts 6 1 7 addresses the crisis of the immigrant church in which complex cultural and linguistic factors create a reticence on the part of immigrants to transfer financial and decision making authority to succeeding generations and this results in a culturally irrelevant ministry to those generations an exodus of believers from the church a spiritually immature remnant and an inability to reach the lost The thesis of this book is that parallel ministry based on Acts 6 1 7 is the biblical solution to the crisis in the immigrant church While there are at least two main aspects of this crisis a spiritual relational and an ecclesiastical aspect this book focuses on the ecclesiastical aspect of defining the biblical structure of church government Specifically this book is for immigrant churches primarily in the United States and offers them a biblical and practical solution to the problem plaguing them for over two centuries of how to minister effectively to the succeeding generations

Wealth Accumulation and Communities of Color in the United States

Jessica Gordon Nembhard, Ngina S. Chiteji, 2006-11-06 Congratulations to Drs Nembhard and Chiteji and the authors included in this much needed volume of work Their book offers the perspective and insight of scholars of color that are too often missing from information produced by the asset building field people and organizations seeking to help low income people develop assets Communities served by the asset building field are disproportionately made up of people of color This book captures work produced by scholars representing these communities and offers innovative and thought provoking analyses of wealth inequality Decision making on research policy and practice that fails to incorporate the knowledge of these and other asset accumulation experts of color runs the risk of being fatally flawed and irrelevant to the communities the asset building field intends to serve Kilolo Kijakazi Ph D The Ford Foundation An important contribution to the economics literature on wealth and to our understanding of racial and ethnic inequality This book adds to our knowledge and understanding of the wealth positions of Latinos Asian Americans Hawaiians and Native Americans and places this information in the context of black white wealth inequality Cecilia A Conrad Department of Economics Pomona College This book does an outstanding job of introducing readers to a host of interesting questions related to racial and ethnic minority status and wealth composition and accumulation The chapters on wealth accumulation among Native Americans Latinos and Asian Americans offer one of the few places where this information is readily available The recent disaster in New Orleans has shown the nation that there is a strong interaction between wealth race and social outcomes This book not only fills a void in understanding the black white wealth inequality that was apparent after Hurricane Katrina but it also provides great insight into the wealth status of other racial and ethnic minorities Patrick L Mason Department of Economics Florida State University This edited volume takes up an important indeed fundamental topic bringing together leading scholars to assess wealth accumulation among people of color No other book or research report covers as many groups of color as appear in this volume devoting chapters to African Americans Latinos Native Americans Asian Americans and Native Hawaiians The result is a noteworthy achievement Michael Sherraden Benjamin E Youngdahl Professor of Social Development Washington
