## **Asian Face Reading Unlock The Secrets Hidden In The Human Face:**

**Asian Face Reading** Boye Lafayette De Mente, 2011-12-20 Imagine how much you could learn if you knew how to evaluate a person's character health fortune social status sexual charisma and life expectancy from a careful reading of his or her face Face reading a practice as old as man is a universal art that we all use every day with varying degrees of skill We all know and respond to facial expressions that indicate fear anger merriment and other moods and we know from experience that facial characteristics such as unusually large eyes or big noses have an important influence on our lives In China and Japan face reading is a respectable analytical tool used to make business decisions arrange marriages and evaluate partnerships and friendships Asian Face Reading offers a quick practical easy to understand and easy to apply introduction to the basic principles of face reading The book is fully illustrated with dozens of examples readers can use to learn this increasingly popular practice and to analyze their friends colleagues and loved ones

**How to Measure the Sexuality of Men & Women by Their Facial Features** Boye Lafayette De Mente, 2005-04-21 The influence of your facial features on other people begins the moment you are born from how you are going to be treated for the rest of your life to the level of happiness and success you are likely to achieve As you grow into adulthood the size shape and quality of your facial features also send out subliminal signals about your inborn sexual nature In this provocative handbook internationally known author and face reader Boye Lafayette De Mente provides valuable insights and useful do's and don'ts in the selection of playmates and lifemates

*The Bizarre and the Wondrous from the Land of the Rising Sun!* BOYE LAFAYETTE. DE MENTE, 2010-12-22 The Bizarre and the Wondrous from the Land of the Rising Sun highlights unique aspects of Japan ancient and modern that have made the country fascinating to Westerners since they first stumbled upon the islands in 1543 These unusual attractions range from high tech robots that do such things as act as tourist guides and perform delicate surgery to festivals that go back more than two thousand years and strike many foreign visitors as being bizarre Among the celebrations that could be labeled as bizarre are annual fertility festivals that feature authentic looking replicas of the male penis carved in wood from purse size versions to ones that are over two meters long and weigh up to 800 pounds The best known of the fertility festivals is the one staged each March 15 by the Tagata Shrine near the city of Nagoya The largest wooden penis is carved anew each year and after the ceremony is kept on display in the main shrine building until the following year when it is sold to private buyers On the day of the festival the large version of the erect male organ is pulled through the streets on a wheeled cart by up to 12 men to the delight of raucous crowds and child bearing age women who try to touch the replica in order to increase their chances of becoming pregnant Other penis replicas are edible versions made like candy and cookies that are sold to visitors as snacks and souvenirs to take home Also on the incredible side is a legend that the young Jewish man now known and worshipped by Christians as Jesus Christ the son of God did not die on the cross that in fact he lived and died in Herai Village in Japan According to the Christian Bible Jesus was born in Israel There is no further mention of him in

the Bible until he is 12 years old when he appears at a Jewish synagogue and lambasts the rabbis for their un-Christian like behavior. The next mention of Jesus in the Bible is when he is in his early 30s and shows up at the Jordan River to be baptized by John, a well-known Jewish preacher. According to the Japanese legend, Jesus and his brother Isukiri spent most of those missing years in Japan, returning to Judea when Jesus was 34 years old. The story goes on to say that after he was betrayed to the Roman authorities, he fled back to Japan and it was his brother who was crucified. The story adds that Jesus married a Japanese girl, became a rice farmer, and lived the rest of his life in Herai, later renamed Shingo. There is a tomb in Herai that has long been known as the burial place of Jesus, Jehova, the son of Mary. In the book *De Mente*, he goes on to explain how the legend and the tomb became known to present-day Japanese authorities and was publicized in English for the first time in 1935. De Mente says he learned about the story in Tokyo in the early 1950s when he was editor of a monthly cultural magazine, including seeing a photograph of documentary evidence from a museum in Herai. Other fascinating stories in the book include how the infamous secret agents and assassins known as *ninja* became a major part of Japanese history, why and how Japan became the first nation in the world to have a national network of roadside inns spaced one day's march apart, why the Japanese are so skilled at producing arts and crafts of extraordinary beauty, why single Japanese girls and men have a hard time hooking up, why Japan's *izakaya* are more fun than Irish pubs, why rice and other vegetables grow on top of buildings, how the Japanese came up with a new reason for wearing clothes, and some 50 plus other fascinating stories.

The Origins of Human Violence! - Male Dominance, Ignorance, Religions & Willful Stupidity! Boyé De Mente, 2010-05-24

Despite the ages that have passed since *homo sapiens* developed the ability to think and behave in ways that transcended our animal origins and in remarkable ways distinguished us from other primates, male humans in particular have continued to exhibit animalistic behavior and today remain fixated on violence, not only toward other humans but also toward animals, other species of life, and the Earth itself. There is more to the story of why so many human males are prone to engage in violence, and remarkably, most of this story has to do with attempts by men to establish controls and high standards for human behavior that to an astonishing degree had the opposite effect. The author says the reason for this dichotomy is that these religiously inspired attempts were based on the misunderstanding, misuse, and abuse of human sexuality combined with the fundamental ignorance and willful stupidity of human males. He explains why and how this incredible situation developed and continues today and includes some extraordinary recommendations.

*Romantic Mexico--the Image and the Realities* Boyé De Mente, 2005-06

This insightful guide provides an in-depth look at the history of male-female relations in Mexico, at how Indian, Moorish, and Spanish influences molded the character of present-day Mexicans, and how these influences continue to play a role in sexual morality, courting, and marriage in Mexico. It covers the origins of the *machismo* cult, the smoldering passions of men and women, the extraordinary romantic nature of Mexicans, the violent element in love, sex, and marriage, visitors looking for romance in Mexico, and more. There are also some choice aphrodisiacs, including one that is known as

Raise the Dead      *CHINA Understanding and Dealing with the Chinese Way of Doing Business!* Boye De Mente,2012-02-29  
China has emerged on the world scene as a major economic and political force that appears destined to surpass the United States a portent of the future that goes well beyond anything the U S has faced before The business practices of today s China are a mixture of traditional values and customs combined with Western concepts and practices that despite bumps in the highway are propelling the country forward at warp speed This book addresses both the traditional and modern day aspects of how business is done in China and offers valuable insights in how to deal with them effectively It also covers aspects of China s appearance on the international scene and the globalization of its economy that are political in nature It is an ideal handbook for businesspeople consultants educators and students      **THE GRAND CANYON ANSWER BOOK! -**

**Everything You Might Want to Know About the Grand Canyon and Then Some! ,      Arizona's Lords of the Land!**  
Boye Lafayette De Mente,2010-05-24 Arizona s Navajo Indians the largest tribe of Native Americans in the U S with a Reservation larger than 10 of the smaller states arrived in the area several thousand years ago an amazing event chornicled in their oral history and in key words in their language Author Boye Lafayette De Mente has used these key words to reveal not only the history but the extraordinary culture and wisdom of the Navajos Far from being simple savages when they first encountered white men in the 1500s they had a long tradition of poetry and healing that equaled that of European nations The book also details the virtual extinction of the Navajos in the 1860s by the U S military and their comeback from this Fearing Time an amazing saga of American arrogance ignorance and inhuman treatment of an extraordinary people

**Which Side of Your Brain Am I Talking To? - the Advantages of Using Both Sides of Your Brain** Boye De Mente,2005-04 The human brain has a left side and a right side and it is well known that the two sides are programmed to perform different functions There is growing evidence that sexual gender the language one first learns as a child and the culture in which one is raised play primary roles in determining which side of the brain is engaged at particular times

**The 6 Keys to a Good Life - What You Must Know & Do to Live a Full Life** Boye Lafayette De Mente,2006-12-17  
Author Boye Lafayette De Mente identifies and describes the six overlapping elements in life the physical emotional sexual intellectual spiritual and philosophical that determine the quality of life and provides specific and provocative guidelines for understanding coping with and making the best use of these elements De Mente is internationally known for his 60 plus books on business ethics culture the influence of language on human behavior and the role of sex in human affairs He has received numerous accolades for the clarity and impact of his writing style      [America's Famous Hopi Indians!](#) Boye Lafayette De Mente,2010-05-29 The oral history of Arizona s Hopi Indian tribe tells them that they were the first human beings to inhabit the North and South American continents and that they arrived aboard large rafts island hopping across the Pacific Ocean not by the land bridge that once connected Alaska and Siberia The details of their arrival splitting up into groups and going in different directions to populate the two continents are so detailed that it is hard to believe that they are

just myths concocted for some ulterior purpose In this provocative title the author known for his code word books on the cultures of China Japan Korea and Mexico uses key Hopi words as windows to reveal the traditional beliefs customs and spirit of the Hopi people The spiritual based lifestyle they created was in many ways far superior to those that developed in Europe and other parts of the world especially in their understanding of both humans and nature and the cosmos at large Perhaps most astounding of all in the story of the Hopi is their tradition of prophecies and their incredible accuracy **The Incredible Power of Serendipity!** Boye De Mente, 2012-05-22 How Serendipity Shaped the Life of Author Boy Lafayette De Mente This is the personal memoir of author Boy Lafayette De Mente the 4th of ten children born to poor parents in an isolated valley in the Ozark Hills of southeast Missouri and raised during the Great Depression of the 1930s He went on to have a remarkable life which he attributes to the incredible power of serendipity As editor of The IMPORTER magazine in Tokyo in the late 1950s and early 1960s and as the author of numerous pioneer books on the mindset and business practices of the Chinese Japanese and South Koreans he made major contributions to the initial rise of Japan South Korea Taiwan Hong Kong and China as economic superpowers He played a leading role in helping to launch the career of Thunderbird School of Global Management alumnae brother Merle Hinrichs who became the largest trade magazine publisher in Asia a major financial donor to Thunderbird and member of the board of directors And he launched the publishing career of Kentucky hillbilly Larry Flynt who achieved great wealth and notoriety as the publisher of HUSTLER magazine and champion of freedom of speech On the day De Mente met Flynt he told his wife that he had just met a 26 year old man who had the intelligence and drive to become president of the United States by the time he was old enough to qualify for the office De Mente's encounters and relationships with such extraordinary individuals as Admiral Chester W Nimitz America's ranking naval officer during World War II Akio Morita co founder and leading light of what was to become the Sony empire Toshio Karita former protocol officer for the Imperial Family of Japan and Daisetsu Suzuki Japan's leading Zen master plus many more were experiences he could not have even dreamed about before they happened His story is an example of the potential of ordinary individuals to achieve significant things when life presents opportunities and they follow up on them **Why Ignorance, Stupidity and Violence Plague Mankind!** , Samurai Principles and Practices That Will Help Preteens and Teens in School, Sports, Social Activities and Choosing Careers! Boye Lafayette De Mente, Boye De Mente, 2005 FOR PARENTS TEACHERS PRETEENS TEENS Japan's famous samurai warriors who ruled the country from 1192 until 1868 were one of the most remarkable groups of people the world has ever seen Their skills with the sword and other weapons of war have seldom been equaled and never surpassed During the latter centuries of the samurai reign their training went beyond the martial arts to include such cultural pursuits as poetry painting calligraphy history philosophy and human behavior Schooling in the skills and knowledge necessary to produce a samurai began in early childhood and was a lifelong effort Samurai Principles Practices That Will Help Preteens Teens in School Sports Social Activities Choosing Careers by internationally known

Japanologist and author Boy Lafayette De Mente identifies the principles and practices that made up the educational and training process of samurai youths. The book covers all of the basics of the samurai training: setting goals, discipline, diligence, perseverance, respect, personal appearance, keeping things in order, using intuitive and emotional intelligence, and tapping into cosmic power. De Mente says that training in karate, kendo, the way of the sword, and meditation are paths to learning the skills, morality, and motivation that made the samurai so successful and recommends that this training be incorporated into the educational system of Western countries. An intriguing handbook for success that should especially appeal to the video game generation.

**Saburo--The Saga of a Teenage Samurai in 17th Century Japan** Boye De Mente, 2006-02-21. Male members of Japan's famous samurai class, which began evolving at the end of the 12th century, were required to undergo physical, mental, and spiritual training that gave them incredible skills in a number of martial arts. By the 1600s, samurai were also expected to become versed in aesthetics, calligraphy, philosophical matters, and writing poetry. **SABURO: The Saga of a Teenage Samurai** are true to life stories of a young boy who opts to become a roving shugyosha (shuugyo) or samurai in training rather than serve a feudal lord, leading him to extraordinary adventures that bring out the culture of his times. Saburo was born in the mid 1600s when the country was ruled by the illustrious Tokugawa line of shoguns who had closed the country off to foreigners except for a tiny detachment of traders in Nagasaki and had turned their backs on Western guns in favor of the traditional sword. Each story is filled with cultural and historical facts that reveal both negative and positive elements in the lives of the samurai class, with Saburo surmounting those that are negative and eventually finding a master who explains the essence and the purpose of life. It is both an educational and an inspirational read for young people.

Japan Boye De Mente, 2012. Dramatic changes have occurred in Japan's way of doing business since the late 1980s and early 1990s when its economic juggernaut was literally stopped in its tracks. The rapid rise of global competition and the fact that the Japanese real estate and financial industries copied the doomed American practices added to Japan's woes.

**Amazing Arizona!** Boye Lafayette De Mente, 2010. Arizona is unique among American states not only in its geography and geology but also in the diversity of its climate, its indigenous animal and plant life, and in the history of its first inhabitants, communities of Indians whose ancestors arrived on the scene more than 20,000 years ago. Arizona is also the youngest of the contiguous mainland states of America precisely because of these very same factors. Its climate, geography, and Indian tribes were major barriers that prevented the territory from becoming widely populated by the Spanish, Mexicans, and early European Americans, and from being used as a crossroads by American fur pelt trappers, gold prospectors, and settlers who began pushing west in the mid 1800s. Now it is exactly these same factors that make Arizona a great place to live as well as a world famous travel destination. The stories of how Arizona finally became what it is today are as amazing as the lay and the beauty of the land. Great background reading for residents and visitors alike and an ideal gift. THE

PLAGUE OF MALE DOMINANCE Boye De Mente, 2014-09-12. Human males have been responsible for most of the violence

that has plagued humanity since the origin of the species It is something programmed into males by their genes This built in mindset is responsible for the present state of affairs in the United States and the economic social and religious problems in virtually all other societies Virtually all of the male created institutions have traditionally been designed to keep women from using their minds and to repress their natural sexuality and this especially applies to man made religions This book details the overall failures of American culture from economics education entertainment politics and religions to sexual behavior It maintains that human beings cannot achieve even half of their potential until women play an equal if not primary role in the affairs of humanity It also makes other suggestions for overcoming the built in handicaps of humanity **Amazing Japan!**

Boye Lafayette De Mente,2009-11 Japan is known worldwide for its economic prowess and such iconic symbols as geisha karaoke manga Mt Fuji ninja feudal age samurai warriors and huge sumo wrestlers What is not so well known are its amazing historical artifacts shrines temples castles the world s largest and oldest wooden buildings arts and crafts hundreds of annual festivals that go back nearly two thousand years the incredible scenic beauty of its mountains gorges rivers one of the longest and most gorgeous coastlines in the world and a combined modern and traditional lifestyle that is so fascinating and seductive that exposure to it for just a few days is a mind altering experience The author identifies and describes a choice selection of things that make Japan one of the world s most unusual most intriguing and most enjoyable travel destinations things that explain why so many foreigners take up permanent residence there once they have experienced life in this amazing country *Speak Japanese Today -- a Little Language Goes a Long Way!* Boye De Mente,2006-02 Japanese for the World Compiled by Japanologist author Boy Lafayette De Mente *Speak Japanese Today* is designed for anyone who comes into contact with Japanese and wants to communicate with them in their own language The first portion of the book provides an introduction to the pronunciation of Japanese and an easy overview of the structure of the language It also includes basic greetings farewells telling time everyday expressions about the weather giving directions telling distances counting money telephoning and much more *Speak Japanese Today* is unique in that it also provides vocabulary and sentences for airline pilots stewardesses Immigration officials Customs officials hotel staff restaurant staff bartenders shop clerks taxi drivers tour guides doctors people hosting Japanese students and more With a little practice a person can communicate as many as 500 key concepts using only a 100 word vocabulary *Speak Japanese Today* contains more than 700 key words which is close to the total number of words most people use in their own language in the course of a day All of the words and expressions in the book are given in Romanized Japanese along with an easy to master pronunciation phonetic system that uses standard English Just pronounce the phonetics as if they were English and the sounds come out in Japanese

Thank you enormously much for downloading **Asian Face Reading Unlock The Secrets Hidden In The Human Face**. Maybe you have knowledge that, people have seen numerous times for their favorite books gone this Asian Face Reading Unlock The Secrets Hidden In The Human Face, but end going on in harmful downloads.

Rather than enjoying a good PDF subsequently a cup of coffee in the afternoon, on the other hand they juggled gone some harmful virus inside their computer. **Asian Face Reading Unlock The Secrets Hidden In The Human Face** is simple in our digital library an online entry to it is set as public correspondingly you can download it instantly. Our digital library saves in combination countries, allowing you to get the most less latency time to download any of our books subsequent to this one. Merely said, the Asian Face Reading Unlock The Secrets Hidden In The Human Face is universally compatible afterward any devices to read.
