PSP Reference ASIS International, 2009 *The Professional Protection Officer* Sandi J. Davies, Lawrence J. Fennelly, 2019-12-04 Eight previous iterations of this text have proven to be highly regarded and considered the definitive training guide and instructional text for first line security officers in both the private and public sectors The material included in the newest version covers all the subjects essential to the training of protection officers This valuable resource and its predecessors have been utilized worldwide by the International Foundation for Protection Officers since 1988 as the core curriculum for the Certified Protection Officer CPO Program The Professional Protection Officer Practical Security Strategies and Emerging Trends provides critical updates and fresh guidance as well as diagrams and illustrations all have been tailored to the training and certification needs of today's protection professionals The Professional Protection Officer IFPO, 2010-03-09 The Professional Protection Officer Security Strategies Tactics and Trends Second Edition is the definitive reference and instructional text for career oriented security officers in both the private and public sectors The first edition originated with the birth of the International Foundation for Protection Officers IFPO in 1988 which has been using the book as the official text since that time Each subsequent edition has brought new and enlightened information to the protection professional The material in this new edition includes all of the subjects essential to training of protection professionals and has been updated to reflect new strategies tactics and trends in this dynamic field Written by leading security educators trainers and consultants this valuable resource has served as the definitive text for both students and professionals worldwide This new edition adds critical updates and fresh pedagogy as well as new diagrams illustrations and self assessments The Professional Protection Officer Security Strategies Tactics and Trends is tailored to the training and certification needs of today's protection professionals and proves to be the most exciting and progressive edition yet Information included is designed to reflect the latest trends in the industry and to support and reinforce continued professional development Concludes chapters with an Emerging Trends feature laying the groundwork for the future growth of this increasingly vital profession Written by a cross disciplinary contributor team consisting of top experts in their respective fields Personal Identification David J. Haas, 2024-03-04 Personal Identification Modern Development and Security Implications Second Edition explains how personal identification and REAL ID became part of the American fabric along with their past century's historical ID development The development of the trusted and secure personal identification documents began with passports and has continued as social changes made IDs more essential This book describes the convergence of technologies and hundreds of patents that produced our trusted and secure documents and IDs from our past right up through to today Key factors that created today's need for public issued mass ID are addressed Chronicles the effects of large and mobile populations beginning a century ago Chronicles the effects of impersonal electronic computer communications at a distance and not face to face The distribution of services and money by government agencies based on a

person's identity including age and group criteria Describes recent national security and terrorism concerns that necessitates the need to know You are who you say you are Personal identification documents IDs and the societal need for trusted identification by the public is a relatively new social phenomenon In 1900 most people did not need or have any IDs until passports with a photograph of the individual became mandatory when Great Britain entered World War I in 1914 In the United States the State issued driver's license is probably the only trusted ID in one's wallet today but they became trusted and secure documents only recently with the requirement for REAL ID With the first photo driver's license issued by the State of Colorado in 1959 it took until 1984 for the last State New York 25 years later to comply As a direct result of 9/11 where terrorists used fake driver's licenses to board planes Congress passed the Real ID Act in 2005 to make all State issued driver's licenses more trusted uniform and tamper resistant what is now called the Enhanced Driver's License with non drivers being issued Enhanced Identification Cards And with this every US citizen can now possess a trusted and secure personal identification document Personal Identification Second Edition chronicles the path of personal identification measures including the latest developments of Real ID Scholars and professional security managers understand that stability security and safety necessitate these identity measures to ensure a safer America The book explains the various stages and advances providing readers with a unique study of this fascinating history of the relationship between identity and the means by which one validates and proves their own identity The enactment of the REAL ID Act of 2005 with more secure and tamper resistant documents for each citizen of the United States is being instituted so that one can trust you are who you say you are The State issued driver's license is not a National ID Card it is a Nationally Recognized ID for each citizen
