Ascendancy Karri Thompson, 2015-11-30 I ll never let them control me I ve been lied to deceived and manipulated again You d think I d be treated with dignity and respect I m the one who s supposed to save humanity right I m the one with the power to re populate this dying world But the clones want to control me force me to give birth over and over again And my daughters will face the same fate unless I change it My awakening into this future should have been a chance for a new life but it just promises a living death With Michael on my side though maybe I can save us He s the only person I can trust I hear rumors of others A secret society is growing Tension is building A rebellion is imminent Mirror X Karri

Thompson, 2014-06-30 I was born more than a thousand years ago Put into a cryogenic tube at age seventeen forgotten during a holocaust that decimated the world I ve finally been awakened to a more serene and peaceful future But things at the hospital are new and strange And it s starting to scare me Everyone is young Everyone is banded and tracked And everyone is keeping secrets The cute geneticist Michael Bennett might be the only good thing in this crazy new world where life is precious but no one seems free to live it The problem is I don t think he s being totally honest with me either When I m told only I can save the human race from extinction it s clear my freeze didn t avoid a dreadful fate It only delayed the horror

Starstruck Kalli Lanford, 2017-04-24 My father the king has condemned my friend Lestra to death for treason and I ve joined with her brother Slaine the most beautiful male Enestian I ve ever seen to save her Although even being seen with him is forbidden for Lestra and the promise I made to my brother I m willing to take the risk But time is short and if we re caught we ll be labeled traitors and executed To enlist help for our daring rescue Slaine leads me into a dark dangerous underworld where an uprising against the crown is brewing And if the rebels discover I m Princess Murelle even Slaine s status as a commander and vow to protect me with his life might not save me The Trans Galactic Insurrection series is best enjoyed in order Reading Order Book 1 Gamma Rift Book 2 **Starstruck** Relegation Karri Thompson, 2018-06-04 The end is near and I m fated to save humanity I m feared yet revered The presidents are leery of me but I ve read the files And I know the truth at least I think I do And I m the one who is going to tell the clones They deserve to know Michael and I have been forced to fight to kill We ll do anything to keep our daughters safe and free But we can t do it alone There s a rumor about a secret society eager for battle and we re going to find them Help them end the government s corruption It s my duty my calling as the first mother of the new world I want to create This started with me and that s where it s going to end
