Act of Retribution J.P. Phillips, 2010-03-17 My quest for an answer to the riddle of President Kennedys assassination first began in April 1967 following a talk given by Warren Commission critic and best selling author Mark Lane at Michigan State University where I was a graduate student My search has lasted well over twenty years Gathering every scrap of information I could find on the assassination I have arrived at what I believe is the most credible thesis to date As a result of meticulous research I am able to identify probable suspects in what I have come to believe was a far reaching conspiracy which involved not only renegade elements from the CIA and organized crime figures but one which extended to the highest echelons of the U S government By pulling together existing knowledge of the assassination while introducing new evidence my book focuses primarily on six main principals persons of interest their motives and their activities in relation to the assassination and the links that connect them

- 1 LEE HARVEY OSWALD Accused by the Warren Commission In 1964 of being the sole assassin of President Kennedy
- 2 JACK RUBY Dallas night club owner who two days following the Presidents assassination shot and killed Oswald
- 3 CARLOS MARCELLO Reputed crime boss of the New Orleans Dallas Mafia during the time of the assassination
- 4 GENERAL CHARLES PEARE CABELL Deputy Director of the CIA from 1953 to 1962 when he was dismissed by President Kennedy along with other high ranking intelligence officials for the failure of the Bay of Pigs invasion
- 5 EARLE CABELL Younger brother of General Charles P Cabell who was Mayor of Dallas the day President Kennedy was assassinated
- 6 FRED KORTH Fort Worth businessman and banker who was Secretary of the Navy from 1962 to October 1963 when he was forced by President Kennedy to resign for his involvement in the TFX controversy

As to the motives of those individuals involved in the Presidents murder I believe that the assassination was planned and carried out with a dual purpose in mind

- 1 as an act of vengeance by those ex high government officials who were dismissed by the President either for alleged wrongdoing as in the case of Fred Korth or for incompetence as in General Cabells case
- 2 to prevent the Presidents domestic and foreign policies particularly in reference to his stand on the Vietnam conflict from being implemented

Viewed in this light the assassination of President Kennedy was an act of retribution by a group of mean spirited vengeance seeking individuals who acted in the misguided belief that by assassinating this president they were furthering the national interest

Notwithstanding his immense popularity with the American people President Kennedy was perceived by his killers to be a clear and present danger to the country and to its interests at home and abroad for several reasons

- for his stand on civil rights and racial equality
- for his attempt to closely regulate the oil and gas industry
- for his desire to normalize relations with Cuba
- for his desire to ease tensions between the superpowers through a reduction in armaments
- for his crackdown on organized crime
- for his stated intention to withdraw U S forces from Vietnam

Removing him from office by political murder therefore excused his killers in their own eyes from any wrongdoing for by killing this

President they were convinced that they were acting in the national interest against the seemingly dangerous policies of a chief executive who if allowed to finish his presidency would lead the nation to ruin A wise mind will never censure anyone for having employed any extraordinary means for preserving a kingdom Believing like Machiavelli that they were acting to preserve and maintain

JFK - The Conspiracy and Truth Behind the Assassination John Hughes-Wilson,2013-11-04 Ever since President John F Kennedy was gunned down in Dallas fifty years

ago various theories have swirled around what was a key event in American and world history JFK's death affected the Cold War Vietnam and the economic and social history of the United States Whatever the conclusions of the US official Warren Report that the President had been assassinated by a lone gunman Lee Harvey Oswald many people doubt that to be true Indeed President Nixon later admitted on tape that the report was a hoax committed on the American people John Hughes Wilson a former colonel in British Intelligence set out in 2007 to go through the millions of words and thousands of pieces of evidence to put together an intelligence jigsaw of what really happened that dreadful high noon in Dallas in 1963 The result is a dramatic exposure of what really happened and a clear indication that while some of the pieces of that jigsaw may be missing the truth is emerging While the US Federal Archive still keeps a million documents relating to the case under lock and key he has uncovered enough information available for us now to see the overall picture It is beyond reasonable doubt that Jack Kennedy was the victim of a plot to remove the President of the United States John Hughes Wilson highlights the facts behind The myth of Camelot Jack Kennedy's insatiable sex life Why Marilyn Monroe had to be silenced How the President was blackmailed by J Edgar Hoover LBJ's corrupt and murderous secrets How the Kennedys secretly planned a coup in Cuba How a hero of the revolution wanted to work for the CIA Why Israel and the White House were openly at loggerheads M How the Mafia manipulated politicians and the CIA Rogue elements in the CIA How the assassination was covered up and why What the KGB discovered Reading this book no one can be in any doubt that JFK's life was not at the hands of a lone deranged gunman but a deadly plot to remove a President who threatened vested interests at home and abroad
