**Autobiography,**

**Volume 1** Mircea Eliade,1990-01-16 Here finally are Eliade s memoirs of the first thirty years of his life in Mac Linscott Rickett s crisp and lucid English translation They present a fascinating account of the early development of a Renaissance talent expressed in everything from daily and periodical journalism realistic and fantastic fiction and general nonfiction works to distinguished contributions to the history of religions Autobiography follows an apparently amazingly candid report of this remarkable man s progression from a mischievous street urchin and literary prodigy through his various love affairs a decisive and traumatic Indian sojourn and active brilliant participation in pre World War II Romanian cultural life Seymour Cain Religious Studies Review Lives of Victorian Literary Figures, Part VI, Volume 1 Ralph Pite,Tom Hubbard,Rikky Rooksby,Edward Wakeling,2024-05-31 In their own time Lewis Carroll Robert Louis Stevenson and Algernon Charles Swinburne were highly successful writers Part of the Lives of Victorian Literary Figures series this three volume facsimile edition draws together a range of biographical sources relating to these three celebrated Victorian authors **Amagi Brilliant Park: Volume 1** Shouji Gatou,2018-09-09 Amusement parks are places of wonder and fun for all ages right Well that s not quite the case for Amagi Brilliant Park a crummy amusement park on the outskirts of Tokyo where the snacks are inedible the attractions are falling apart and the mascots regularly get into fistfights with the guests It s the kind of place that cool handsome brilliant Kanie Seiya wouldn t be caught dead in until a mysterious girl drags him there at literal gunpoint and demands that he help them save the park From the author of Full Metal Panic **The Oxford History of Modern German Theology, Volume 1: 1781-1848** Grant Kaplan,Kevin M. Vander Schel,2023-05-20 From the closing decades of the eighteenth century German theology has been a major intellectual force within modern western thought closely connected to important developments in idealism romanticism historicism phenomenology and hermeneutics Despite its influential legacy however no recent attempts have sought to offer an overview of its history and development Oxford History of Modern German Theology Vol I 1781 1848 the first of a three volume series provides the most comprehensive multi authored overview of German theology from the period from 1781 1848 Kaplan and Vander Schel cover categories frequently omitted from earlier overviews of the time period such as the place of Judaism in modern German society race and religion and the impact of social history in shaping theological debate Rather than focusing on individual figures alone Oxford History of Modern German Theology Vol I 1781 1848 describes the narrative arc of the period by focusing on broader intellectual and cultural movements ongoing debates and significant events It furthermore provides a historical introduction to each of the chronological subsections that divides the book Moreover unlike previous efforts to introduce this time period and geographical region the volume offers chapters covering such previously neglected topics as religious orders the influence of Romantic art secularism religious freedom and important but overlooked scholarly initiatives such as the Corpus Reformatorum Attention to such matters will make this volume an invaluable repository of scholarship and knowledge and an indispensable reference resource for decades to come The Pleasant Nights - Volume 1 Don Beecher,2012-08-27

Renowned today for his contribution to the rise of the modern European fairy tale Giovan Francesco Straparola c 1480 c 1557 is particularly known for his dazzling anthology *The Pleasant Nights* Originally published in Venice in 1550 and 1553 this collection features seventy three folk stories fables jests and pseudo histories including nine tales we might now designate for mature readers and seventeen proto fairy tales Nearly all of these stories including classics such as Puss in Boots made their first ever appearance in this collection together the tales comprise one of the most varied and engaging Renaissance miscellanies ever produced Its appeal sustained it through twenty six editions in the first sixty years This full critical edition of *The Pleasant Nights* presents these stories in English for the first time in over a century The text takes its inspiration from the celebrated Waters translation which is entirely revised here to render it both more faithful to the original and more sparkishly idiomatic than ever before The stories are accompanied by a rich sampling of illustrations including originals from nineteenth century English and French versions of the text As a comprehensive critical and historical edition these volumes contain far more information on the stories than can be found in any existing studies literary histories or Italian editions of the work Donald Beecher provides a lengthy introduction discussing Straparola as an author the nature of fairy tales and their passage through oral culture and how this phenomenon provides a new reservoir of stories for literary adaptation Moreover the stories all feature extensive commentaries analysing not only their themes but also their fascinating provenances drawing on thousands of analogue tales going back to ancient Sanskrit Persian and Arabic stories Immensely entertaining and readable *The Pleasant Nights* will appeal to anyone interested in fairy tales ancient stories and folk creations Such readers will also enjoy Beecher s academically solid and erudite commentaries which unfold in a manner as light and amusing as the stories themselves

**A Biographical Dictionary of Actors, Volume 1, Abaco to Belfille** Philip H. Highfill, Jr., Philip H. Highfill, Kalman A. Burnim, Edward A. Langhans, 1973-12 Tobe completed in 12 volumes this monumental work here begins publication with the first two volumes Abaco to Bertie and Bertin to Byzard When completed it is expected that the biographical dictionary will include information on more than 8 500 individuals Hundreds of printed sources have been searched for this project and dozens of repositories combed and the names of personnel listed have been filtered through parish registers whenever possible From published and unpublished sources from wills archives of professional societies and guilds from records of colleges universities and clubs and from the contributions of selfless scholars the authors have here assembled material which illuminates theatrical and musical activity in London in the 1660 1800 period The information here amassed will doubtless be augmented by other specialists in Restoration and eighteenth century theatre and drama but it is not likely that the number of persons now known surely or conjectured finally to have been connected with theatrical enterprise in this period will ever be increased considerably Certainly the contributions made here add immeasurably to existing knowledge and in a number of instances correct standard histories or reference works The accompanying illustrations estimated to be some 1 400 likenesses at least one picture of each subject for whom a

portrait exists may prove to be a useful feature of the Work The authors have gone beyond embellishment of the text and have attempted to list all original portraits any knowledge of which is now recoverable and have tried to ascertain the present location of portraits in every medium
