## **The Marriage Mirage:**

Marriage Or Mirage Morolayo Owoputi, 2019-04-13 This is a book on marriage and understanding successful marriage s love languages like Gary Chapman s book True marriages are a blessing but the consequences that come from a bad marriage are not experiences anyone wishes to live with as these could be cancerous to personal health families societies and nations As every day realities set in some marriages come across to the dispassionate observer as simply struggling to thrive Some marriages may appear to be in good health but lack substance While some fall apart along the way most seem to be enduring marriage rather than enjoy it Many individuals seem to be struggling to come to terms with the reality that their dreams of a blissful peaceful profitable and harmonious union have been eroded with the passage of time The surprises are just incredible There s a significant difference between a true marriage and its counterfeits Marriage or Mirage is a book for all individuals who are ready and willing to make great marriages A profoundly compelling book that unravels the secrets to having a marriage that works lastingly through the vicissitudes of life It s not a book that attempts to mock challenging or failing marriages but rather a resource to help show what marriage is not It primarily shows you how to know if there s a marriage in your house or a mirage It reveals and addresses devastating occurrences that make illusionary mirages out of many marriages today It also illustrates what the Originator s view of marriage is and spells out the roles assigned to each party in the marriage partnership to prevent the occurrence of mirages A must read With this book spouses in a discordant marriage are armed with the knowledge of what to do to redeem their marriages and those enduring marriage would discover how their marriages could become a delight rather than an exercise of endurance Even those experiencing a separation are given by this work the keys to form future workable marriages It also points out to individuals planning a divorce some truth they need to consider before saying never again Young couples about getting married are fore armed with the laws of union which they must continually exercise to build a lasting marriage Above all it will help stakeholders see how to make a marriage work such that all dreams of living happily ever after can become a reality which is the end desired for all true marital journeys

**Same Sex Mirage: Phantasmagoria at the Altar & Some Biblical Responses** Douglas Wilson,2016-05-31 Obergefell v Hodges was a wonderful decision because it s now forcing every Christian to decide whether their allegiance is to the Supreme Court or to the Supreme Being In every other way it was a terrible decision But understanding where it came from and how it impacts our public and private lives isn t so straightforward And for Christians most of that difficulty stems from the fact that we have mis identified the nature of the current culture war Homosexual rights are about sexual liberty but only superficially Primarily gay marriage is about the right to control Same Sex Mirage starts to untangle the issues involved beginning with the fundamentals of marriage and then tracing the effects of this foundational institution in every area of life Is marriage a private matter an agreement before God alone Or is it public a matter for legislation But most Christians also need to think about the issues involved beyond the chapel Does marriage equality affect public discourse How should free speech play into this discussion What does the Bible say about the Supreme Court or repentance or a theology of resistance Obergefell was a disaster for our nation And as with every disaster the biggest benefit is in determining how we Christians ignored all warnings and let it happen Our secular culture is trying to redefine marriage because the church first showed the way by redefining love
