## **Managerial Accounting 2nd Edition Braun Tietz And Harrison:**

**Pricing Strategies** Robert M. Schindler, 2011-10-11 The primary theme of Pricing Strategies is that pricing should be guided by the marketing concept which indicates that success is achieved through a focus on the needs and sensitivities of the customer This customer focus theme is evident throughout the text The author helps to overcome the mathematical anxieties of students with an intuitive approach to understanding basic pricing concepts and presents mathematical techniques as simply more detailed specifications of these concepts Provided by publisher

**International Marketing** Daniel W. Baack, Eric G. Harris, Donald Baack, 2013 International Marketing presents an innovative integrated approach to the course in which marketing concepts are explored in depth within the international context The authors identify five key factors that impact any international marketing venture culture language political legal systems economic systems and technological operational differences and discuss them in relation to the core marketing concepts of markets products pricing distribution place and promotion Uniquely the book provides discussions of sustainability and bottom of the pyramid concepts within each chapter and is richly illustrated with examples from both multinational companies as well as smaller local concerns Setting the path for the future direction of this course the authors provide instructors and students with the first truly international marketing textbook
