Borden, 2016-05-18 Discover how the Holy

Spirit's vital and unique role in God's design for the New Testament Church impacts the stewardship of our life. Whether our material resources, talents and abilities or time, the Christian needs to depend totally upon the permanently indwelling Holy Spirit for direction and enablement. Is tithing as practiced in the Old Testament the norm for Christian giving today? Discover God's New Testament principles, precepts and directions as they related to the Christian's stewardship responsibilities and how they are distinct from God's plan for Israel. Learn how a consistently literal approach to Scripture helps us clearly define biblical stewardship and identify our distinct stewardship obligations during this Church age. [The Grace Filled Life](#) Dr. Stephen R. Button, 2023-04-03. When Jesus said "My grace is sufficient," Christians often forget that grace is the predominant characteristic of their Christian experience and therefore tend to overlook how grace permeates every aspect of their life. Were it not for grace, we would still be lost in our sin, unwilling to or incapable of enjoying the benefits of a relationship with Jesus. I chose the word "panoply" to describe God's grace because grace is so overwhelmingly abundant and impressively available to the believer. God's grace is more than sufficient. It is abundantly available to all that belong to Him. There is a reservoir of grace that will never empty. Christ was saying there is nothing else that will compare with it, nothing else that will replace it, and nothing else that will embody it. Grace is sufficient because there is nothing that can be added to it, supplement it, or enhance it. Well-written, interesting, and easy to read. It presents a practical understanding and comprehensive application of grace to Christian believers' daily lives, written at times out of the crucible of personal experience. It serves as a wonderful tribute to your Dad, Dr. Lloyd Button's life and ministry. It also represents an incredible amount of careful thought and work. I found it to be both clear and captivating. Dr. David Nicholas, President, Shasta Bible College, Redding, California.

Balancing Life's Roles H. Jarrell Gibbs, 2024-05-31. Every day we do our best to find the time to devote to work, family, and God. Yet despite our best efforts, we sometimes struggle to balance all our roles. The good news is that God has provided the answers we need within the Bible. In an inspirational guide filled with scripture-based wisdom, H. Jarrell Gibbs, a seasoned Bible teacher, begins by identifying both the general and more specific roles we play in life, detailing the guidance God has provided through the Bible on how we should live to fulfill these various roles. Within the second section, he then addresses the various Christian attributes outlined in the Bible that will help everyone gain proper balance in the conduct of our various roles. Through this Biblical study, it is his prayer that all believers come to realize that God's Word holds the answers on how to thrive in every role we are divinely meant to fulfill while here on Earth. *Balancing Life's Roles* offers Biblical wisdom to remind believers to look to God's Word first for the answers on how to confidently juggle all the roles of daily life.

Balancing the Christian Life Deonta Williams, 2015-06-29. Is it black or is it white? Is it all the way to the left or all the way to the right? God requires for those of us in Christendom to walk and live a balanced life. Deonta Williams takes the time to tell us about the grey areas of balance. He is transparent and heartfelt when he shares his life of extreme Christianity. He shares where he missed it and what it took for him to get back to the place of living a life of balance. Are you the person

seeking to have balance in the area of faith Its not about rules or rituals living from one extreme to the next In this book the author helps us to get to the middle ground the area of grey the place of balance in our Christian walk *Balancing Christianity* Jon D. Parish,2003-06 *Leading a Life of Balance* Women of Faith,2017-02-28 Most of us desire to have balance in our routines We want to get to the place where our household work diet rest and exercise schedules are all in perfect harmony But as believers we know that if we don t have spiritual balance we will never truly have balance in any other area of life For this reason we have to consider the state of our heart and determine whether anything is taking priority over God In this study readers will have the opportunity to examine our levels of balance and see how they measure up against Jesus example For it is only when we start within and allow God to work in us that we can find the equilibrium we need *Spiritual Indentions That Matter* Duncan L. Futrelle Jr.,2015-09-03 For the longstanding Christian this book will be an added source of constant strength For the infant Christian it will contribute to the understanding of what the Christian life involves For the unsaved it will give guidance to salvation Included in this book are impersonations simple and understandable to ensure that what God does for one he can do for everyone The keynote of this book is the transforming power of the gospel and the challenges that follow new life in Christ Jesus **Basics for Believers** William L. Thrasher, Jr.,1998-09-30 Just as athletes must master certain physical skills to dominate their sport Christians must master certain basic principles of the faith to reach spiritual maturity But because many of us don t have a good grasp of the fundamentals we find our spiritual lives stagnant With 54 brief topical discussions Basics for Believers includes subjects like the Trinity life goals worship budgeting and evangelism making the basics of Christianity accessible and understandable for everyone *A God-Balanced Life* James Puckett Sr.,2022-08-22 When I speak about being balanced I am referring to a balance in living a spiritual lifestyle a balance in living by the Word of God God has placed value on your life whether you have made Him Lord and Savior or not And He desires that you live up to that value What value do you place on your own life How do you compare your life versus that of an unsaved person God took an appraisal of humans and placed such value on it that He sent His only begotten Son to die on the cross as a way of reconciling us back in relationship with Him I was lost You were lost God said No no We are too valuable to leave in a fallen state Balancing how you live means weighing advantages against disadvantages of every area of your life because there are consequences to your actions Living an unbalanced life means there is a contrast between your way of living and the way God desires for you to live This is what this book *A God Balanced Life* is about It s about the whole man spirit body and soul It is written to focus on the whole person the person that you see every time you look into a mirror you Our life should be a mirror to the world that reflects the image of Christ Imagine your life being a scale and the scale is balanced by how you should live it And how you live is based on the Word of God Your way of living should be balanced by God s word Let s get ready to live a God balanced life Imbalance leads to unstable Unstable leads to discontentment Discontentment leads to never knowing what it means to be fulfilled in Christ A false balance is an

abomination to the Lord but a just weight is his delight *Living For Christ* First Place 4 Health, 2011-10-11 *Living for Christ* guides readers through Paul's epistle to the Ephesians to discover their inheritance as children of God. They will come to understand the spiritual blessings of being chosen, loved, predestined, and forgiven by the heavenly Father. Most important, readers will learn how to live a life worthy of their calling as children of God, a legacy that was theirs to claim at birth.

Dispensationalism Charles C. Ryrie, 2007-02-01 Dispensationalism continues to provoke heated debate within the Christian world. Highly acclaimed theologian Dr. Charles C. Ryrie addresses this crucial issue from the perspective of classic dispensationalism. He confronts the views of covenant theology, historical premillennialism, ultradispensationalism, and in this revised edition, the increasingly popular progressive dispensationalism. In his best-selling book *Dispensationalism Today*, written more than thirty years ago, Dr. Ryrie made this complex subject more understandable for thousands worldwide. This revised and expanded version of that book will prove to be an invaluable reference tool for your library. **Keeping Your**

Balance Pam Hardy, 2020-10-21 *Keeping Your Balance* looks at the challenge that Christians face in maintaining a biblical balance in seven key areas of life. These include the following: family and ministry, self-denial and liberty, patience and confrontation, the temporal and the eternal, the inner man and the outer man, reality and hope, and striving and trusting. In each of these categories, the author first highlights the balance that is clearly set forth for the believer in Scripture. Second, a discussion is presented of the symptoms that may be manifested when an individual loses balance in a particular area. The practical life consequences of that imbalance are also examined. An understanding of these tensions is absolutely vital for living a life to the glory of God. **A Compact Guide to Balancing Your Life** Brad Lewis, 2001 *Sanctified Sexuality*

Sandra Glahn, 2020-09-22 Expert biblical and practical advice for handling today's most challenging sexual issues. Although modern culture constantly changes its views on sexuality, God's design for sexuality remains the same. Bringing together twenty-five expert contributors in relevant fields of study, Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today. From a scriptural perspective and with an irenic tone, the contributors address issues such as: The theology of the human body, Male and female in the Genesis creation accounts, Abortion, Celibacy, Sexuality in marriage, Contraception, Infertility, Cohabitation, Divorce and remarriage, Same-sex attraction, Gender dysphoria. An ideal handbook for pastors, counselors, instructors, and students, *Sanctified Sexuality* provides solid answers and prudent advice for the many questions Christians encounter on a daily basis. **Themelios, Volume 34, Issue**
