The thrifty housewife shows you into the best chamber the walls of which are hung round with rude pictures from the Bible and brings you her heavy silver spoons an heirloom to dip the curdled milk from the pan You have oaten cakes baked some months before of bread with anise seed and coriander in it or perhaps a little pine bark About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Lyrical Ballads William Wordsworth, 2016-08-20 Excerpt from Lyrical Ballads With a Few Other Poems An accurate taste in poetry and in all the other arts Sir Joshua Reynolds has observed is an acquired talent which can only be produced by severe thought and a long con tinned intercourse with the best models of composition This is mentioned not with so ridiculous a purpose as to prevent the most inexperienced reader from judging for himself but merely to temper the rashness of decision and to suggest that if poetry be a subject on which much time has not been bestowed the judgment may be erroneous and that in many cases it necessarily will be so About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in
