Money and Finance After the Crisis Brett Christophers, Andrew Leyshon, Geoff Mann, 2017-09-05 Money and Finance After the Crisis provides a critical multi disciplinary perspective on the post crisis financial world in all its complexity, dynamism and unpredictability. Contributions illuminate the diversity of ways in which money and finance continue to shape global political economy and society. A multidisciplinary collection of essays that study the geographies of money and finance that have unfolded in the wake of the financial crisis. Contributions discuss a wide range of contemporary social formations including the complexities of modern debt driven financial markets. Chapters critically explore proliferating forms and spaces of financial power from the realms of orthodox finance capital to biodiversity conservation. Contributions demonstrate the centrality of money and finance to contemporary capitalism and its political and cultural economies.
