Cyberscams James Elliott, 2007 When you walk out onto the street you don't expect to be hit by a bus but you know it could happen It's a different story when you're on the Internet though you should expect scam emails In order for you to defend yourself you need to know the who what where how and why about Internet scams Learn WHO is running these scams WHAT are they doing and how do they do it WHERE are these people located HOW do they get your personal details and what they do with this information WHY do they do it BUT most importantly this book will show you what scams look like so you can spot scams yourself This book will teach you all the above and two other pieces of key information how to avoid being scammed and what to do if you are a victim After everything is said and done there is only one guaranteed method of stopping these scams and that is KNOWLEDGE this book will give you just that **Recruiter Journal**, 2001 **Kanza Spirit**, 1998 Activate Brand Purpose Scott Goodson, Chip Walker, 2021-03-03 SHORTLISTED Business Book Awards 2022 International Business Book category CATEGORY SILVER WINNER Axiom Awards 2022 Business Commentary Category The greatest challenge facing leaders is activating and actioning purpose based brands to the people who matter inside the company and out Recent statistics prove that more than 87% of consumers would purchase a product because a company advocated for an issue they cared about and more than two thirds would refuse to do so if the company supported an issue contrary to their beliefs We live in an age of activism the conscious consumer is more socially aware than ever before and this is reflected in their buying habits Yet activism on behalf of brands is lagging While many claim to be purpose driven far too often this purpose is relegated to a plaque above the CEO's desk and never goes any further Or worse the purpose is transparently used as a marketing ploy but never acted upon in any real way Activate Brand Purpose shows readers how to transform their brand's purpose into meaningful action by sparking a company wide cultural movement beginning internally and permeating externally Regardless of whether your purpose is lofty and socially conscious or all business focus on galvanizing people and they will respond if you can prove that you care about that purpose and that you're working to realize it rather than simply chasing the next dollar This book contains a clearly explained proven framework that will make this happen **QuickBooks 2009 on Demand** Gail Perry CPA, Laura Madeira, 2009-04-02 Need answers quickly QuickBooks 2009 on Demand provides those answers in a visual step by step format We will show you exactly what to do through lots of full color illustrations and easy to follow instructions Produce and customize reports that show exactly how your company is doing Schedule transactions so you'll never forget a due date again Bill time and expenses directly to customers Use the new QuickBooks features for 2009 including a redesigned Payroll Center and the new Accountant's Copy that lets you keep working while your accountant reviews your books Create and use a budget Reconcile your bank account to the penny without waiting for the bank statement to come in the mail Keep detailed records of fixed asset acquisitions Protect financial information with the latest in security techniques Send customized mailings to your customers and vendors Learn tips and
