## **Baptism A Vietnam Memoir:**

**Baptism** Larry Gwin, 2008-12-10 The 2nd Battalion of the 7th Cavalry had the dubious distinction of being the unit that had fought the biggest battle of the war to date and had suffered the worst casualties We and the 1st Battalion A Yale graduate who volunteered to serve his country Larry Gwin was only twenty three years old when he arrived in Vietnam in 1965 After a brief stint in the Delta Gwin was reassigned to the 1st Cavalry Division Airmobile in An Khe There in the hotly contested Central Highlands he served almost nine months as executive officer for Alpha Company 2 7 fighting against crack NVA troops in some of the war's most horrific battles The bloodiest conflict of all began November 12 1965 after 2nd Battalion was flown into the Ia Drang Valley west of Pleiku Acting as point Alpha Company spearheaded the battalion's march to landing zone Albany for pickup not knowing they were walking into the killing zone of an NVA ambush that would cost them 10 percent casualties Gwin spares no one including himself in his gut wrenching account of the agony of war Through the stench of death and the acrid smell of napalm he chronicles the Vietnam War in all its nightmarish horror

**Entwined with Vietnam** Theodore M. Hammett, 2022-07-26 In 1968 Theodore Hammett entered a war he believed was wrong pressured by his father's threat to disown him if he withdrew from a Marine Corps officer candidate program He hated the Vietnam War and soon grew to hate Vietnam and its people As a supply officer at a field hospital uncomfortably near the DMZ he employed thievery bargaining and lies to secure supplies for his unit and retained his sanity with the help of alcohol music and the promise of going home In 2008 he returned to Vietnam for a five year second tour to assist in improving HIV AIDS policies and prevention programs in Hanoi His memoir recounts his service at the height of the war and how the country he detested became his second home **The American South and the Vietnam War** Joseph A.

Fry, 2015-06-19 To fully comprehend the Vietnam War it is essential to understand the central role that southerners played in the nation's commitment to the war in the conflict's duration and in the fighting itself President Lyndon B Johnson of Texas and Secretary of

**Vietnam War Slang** Tom Dalzell, 2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration's escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don't encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a

growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang *Baptism* Larry Gwin,1999-11-02 Gwin is a Yale graduate who got his Army commission through ROTC and then volunteered to fight in Vietnam His book is an account of some of the most horrific battles of the early war including the famed Ia Drang Valley for which he won a Silver Star for heroism **Friendly Fire in the Literature of War** Earl R. Anderson,2017-04-21 The term friendly fire was coined in the 1970s but the theme appears in literature from ancient times to the present It begins the narrative in Aeschylus's *Persians* and Larry Heinemann's *Paco's Story* It marks the turning point in Homer's *Iliad* Virgil's *Aeneid* the *Chanson de Roland* Stephen Crane's *The Red Badge of Courage* and Tim O'Brien's *Going After Cacciato* It is the subject of transformative disclosure in Jaan Kross's *Czar's Madman* Ron Kovic's *Born on the Fourth of July* O'Brien's *In the Lake of the Woods* and A.B. Yehoshua's *Friendly Fire* In some stories events propel the characters into a friendly fire catastrophe as in Thomas Taylor's *A Piece of this Country* and Oliver Stone's 1986 film *Platoon* This study examines friendly fire in a broad range of literary contexts *The Soldiers' Story* Ron Steinman,2015-07-01 Veteran journalist Ron Steinman gathers candid reminiscences from seventy six men including Senator John McCain who lived through the brutalities of combat in the Vietnam War *A Soldiers Story* provides a vivid and gripping oral history of the fear fellowship trauma and triumph of these Marine Army Air Force and Navy veterans Complete with maps and battlefield photographs these indispensable first hand accounts provide a unique front line record of Vietnam from its surreal horrors to the comradeship and courage forged in battle From the jungles of Southeast Asia to life back in the United States as veterans of an unpopular war *A Soldiers Story* also includes complete and updated biographies of the brave men who are profiled This is a book that goes beyond the military and political implications of Vietnam to the truth of what the war cost and who actually paid the price *Parameters* ,2002 *Heart of a Soldier* James B. Stewart,2009-11-24 From Pulitzer Prize winner James B Stewart comes the extraordinary story of American hero Rick Rescorla Morgan Stanley security director and a veteran of Vietnam and the British colonial wars in Rhodesia who lost his life on September 11 When Rick Rescorla got home from Vietnam he tried to put combat and death behind him but he never could entirely From the day he joined the British Army to fight a colonial war in Rhodesia where he met American Special Forces officer Dan Hill who would become his best friend to the day he fell in love with Susan everything in his remarkable life was preparing him for an act of generosity that would transcend all that went before *Heart of a Soldier* is a story of bravery under fire of loyalty to one's comrades of the miracle of finding happiness late in life Everything about Rick's life came together on September 11 In

charge of security for Morgan Stanley he successfully got all its 2 700 men and women out of the south tower of the World Trade Center Then thinking perhaps of soldiers he d held as they died as well as the woman he loved he went back one last time to search for stragglers Heart of a Soldier is a story that inspires offers hope and helps heal even the deepest wounds

**The Soldiers' Story (Fall River Press Edition)** Ron Steinman,2011-11-01 Most history minded Americans have discussed the Vietnam War becoming familiar at the very least with the names of such pivotal events as the Siege of Khe Sanh the Tet Offensive and the Fall of Saigon But to grasp the full impact of this agonizing conflict the human costs of an infernal war that raged for ten years and took more than 58 000 American lives one must hear about it from the soldiers sailors and airmen who experienced the fighting and endured In The Soldiers Story veteran journalist Ron Steinman gathers the candid reminiscences of seventy six men who survived combat in Vietnam Not a military analysis or political study this oral history vividly conveys the hardships friendships fears and personal triumphs of Marine Army Air Force and Navy veterans each of whom shares memories that have lingered to this day It is a valuable frontline record of battle torn Vietnam from the perspective of those who lived it first hand giving us a window into the horror intensity and raw courage that the war engendered For this tenth anniversary reissue of the book at a time of the continued commitment of American military forces on other continents Steinman has added a brief new foreword addressing the ongoing significance of soldiers stories both to themselves and to their families Praise for The Soldiers Story Ranks among the most vivid accounts of the war Stanley Karnow Their stories are as dangerous as the battles they fought stunning plain spoken recollections that reveal the terror of combat and the perils of a far off war and the folly of government policy New York Newsday A powerful book that brings to life the triumphs and tragedies experienced by American soldiers in Vietnam This excellent compilation belongs on every Vietnam bookshelf Publishers Weekly *Donut Dolly* Joann Puffer Kotcher,2011 This is the story of a former Math teacher at the explosive beginnings of the Viet Nam War where she ducks bullets and mortar shells to bring moments of home to scared GIs The author deftly intertwines her unique experiences with the grueling life of the common soldier and her personal life with her compassion for the soldiers **Autopsy of an Unwinnable War: Vietnam** William C. Haponski, Jerry J. Burcham,2019-06-11 A military studies professor and former combatant rationally dissects the strategies and mindsets on both sides of this thirty year conflict New York Journal of Books Since the fall of Saigon in 1975 there have been much discussion of why and whether America lost the war in Vietnam The common belief is that the war was lost not on the battlefield but in Washington DC The stark facts though are that the Vietnam War was lost before the first American shot was fired In fact it was lost before the first French Expeditionary Corps shot almost two decades earlier and was finally lost when the South Vietnamese fought partly then entirely on their own Offering an informed narrative of the entire thirty year war this book seeks to explain why Written by a combatant in six large battles and many smaller firefights who was also a leader with a full range of pacification duties a commander who lost forty three wonderful young men Autopsy of an Unwinnable

War is the result of a quest for answers by one who after decades of wondering what it was all about turned to a years long search of French American and Vietnamese sources This is a story lived and revealed mainly by the people inside Vietnam who were directly involved in the war from leaders in high positions down to the jungle boots and sandals level of the fighters and among the Vietnamese who were living it Because of what was happening inside Vietnam itself no matter what policies and directives came out of Paris or Washington or the influences in Moscow or Beijing it is about a Vietnamese idea that would eventually triumph over bullets Includes photographs *Cinematic Corpographies* Eileen Rositzka,2018-05-22

Writing on the relationship between war and cinema has largely been dominated by an emphasis on optics and weaponised vision However as this analysis of the Hollywood war film will show a wider sensory field is powerfully evoked in this genre Contouring war cinema as representing a somatic experience of space the study applies a term recently developed by Derek Gregory within the theoretical framework of Critical Geography What he calls corpography implies a constant re mapping of landscape through the soldier s body These assumptions can be used as a connection between already established theories of cartographic film narration and ideas of neo phenomenological film experience as they also entail the involvement of the spectator s body in sensuously grasping what is staged as a mediated experience of war While cinematic codes of war have long been oriented almost exclusively to the visual the notion of corpography can help to reframe the concept of film genre in terms of expressive movement patterns and genre memory avoiding reverting to the usual taxonomies of generic texts

*Damn the Man!* Tom Dalzell,2010-01-01 A fascinating exploration of the role of language in the culture of resistance this volume features hundreds of colorful expressions with examples of defiant slang from books movies periodicals and other media Sources include communities of African Americans immigrant minorities poor whites gay men the armed forces prisoners the workplace and countercultures Hardcover edition *The A to Z of the Vietnam War* Edwin E.

Moise,2005-07-21 The Vietnam War is anything but a forgotten war Even today the strategies that led to an unexpected American defeat are hotly debated and much remains controversial and unclear which is not surprising given the nature of the combat in which the Vietnamese guerrilla warfare eventually won out over high tech weaponry The task of clarifying the issues without oversimplifying this complex war that impacted the world is undertaken by *The A to Z of the Vietnam War* first in its chronology then in its introduction but mainly in a substantial dictionary section including hundreds of entries on significant persons military and political places events armed units battles and lesser engagements and weapons And for those seeking further information an extensive bibliography is included *The United States and the Vietnam War, 1954-1975*

Louis Peake,2007-11-13 *The United States in the Vietnam War 1954 1975* is an invaluable reference guide to the costly and controversial war the U S waged in Vietnam over the course of five presidential administrations Focusing not only on the conflict in Southeast Asia but also on the tumult the war inspired on the domestic front Louis Peake provides an authoritative guide to the wide range of media available on the U S involvement in Vietnam From collections of art work and

poetry about the soldiering experience to journalistic accounts of battles and military training films the entries consistently provide clear and concise descriptions allowing the reader to easily identify the value of any particular resource With revised and updated annotations and over 150 new entries this second edition of The United States in the Vietnam War 1954-1975 is an invaluable reference tool for researchers and students of the Vietnam War Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian

**Misfire**  
 Bob Orkand, Lyman Duryea, 2019-07-26 The M16 rifle is one of the world's most famous firearms iconic as the American weapon of the Vietnam War and indeed as the U.S. military's standard service rifle until only a few years ago But the story of the M16 in Vietnam is anything but a success story In the early years of the war the U.S. military had a problem its primary infantry rifle the M14 couldn't stand up to the enemy's AK-47s The search was on for a replacement that was lighter weight more durable and more lethal than the M14 After tests some of which the new rifle had failed and debates more than a few rooted in the army brass's resistance to change Secretary of Defense Robert McNamara ordered the adoption of the M16 which was rushed through production and rushed to Vietnam reaching troops' hands in early 1965 Problems appeared immediately Soldiers were often not adequately trained to maintain the new rifle in fact some were told the new rifle was self-cleaning nor were they always given cleaning supplies or instructions The harsh jungle climate corroded the rifle's chamber exacerbated by the manufacturer's decision against chrome plating the chamber The ammunition that accompanied the rifles sent to Vietnam was incompatible with the M16 and was the principal cause of the failure to extract malfunctions The result was the M16 often jammed making the rifle about as effective as a muzzleloader in the words of one officer Men were killed in combat because they couldn't return fire until the malfunction was cleared Congress investigated and the rifle and its ammunition were incrementally modified greatly improving its reliability over the next few years Troop training was also improved But the damage to the M16's reputation could not be undone and many soldiers remained deeply skeptical of their rifle through the war's end Misfire combines insider knowledge of U.S. Army weapons development with firsthand combat experience in Vietnam to tell the story of the M16 in Vietnam Even as it details the behind-the-scenes development tests and debates that brought this rifle into service the book also describes men and M16s in action on the battlefield never losing sight of the soldiers who carried M16s in the jungles of Vietnam and all too often suffered the consequences of decisions they had nothing to do with

**Historical Dictionary of the War in Vietnam** Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the

notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War *The Arizona Quarterly* ,2006 **Vietnam War Almanac** James H. Willbanks,2013-09-03 With more than 58 000 casualties and 300 000 wounded at a cost of more than 130 billion the Vietnam War became one of the most divisive conflicts in American history The scars left by the war can still be felt today making it crucial that we have the facts about this watershed event Vietnam War Almanac contains a chronological history of the war in Vietnam with day by day listings of the war on the ground in the air and at sea international and U S events and a biographical dictionary of major military and civilian figures It may be impossible to fully understand such a complicated and horrible struggle but for the families of veterans and for historians the thorough presentation here along with its extensive bibliography and index is an excellent place to start Coverage here includes The Tet Offensive Walter L Cronkite The Battle of Dien Bien Phu Vo Nguyen Giap Ngo Dinh Diem The Battle of Ia Drang Valley Robert S McNamara The Battle of Hamburger Hill Abbie Hoffman The Battle of An Loc And much more President Nixon claimed that the war was misreported then and it is misremembered now This almanac will ensure that it is remembered correctly

**Baptism A Vietnam Memoir Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Baptism A Vietnam Memoir PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Baptism A Vietnam Memoir PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Baptism A Vietnam Memoir free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Baptism A Vietnam Memoir Books**

1. Where can I buy Baptism A Vietnam Memoir books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Baptism A Vietnam Memoir book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Baptism A Vietnam Memoir books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
