anniversaries **THE Minister's Handbook: A Guide for Leadership** Rev. Dr. Jeremy Odom, 2014-02-06 Dr Odom's book comes to the aid of ministers all across the country who face questions of leadership and ministry. He discusses how the minister is to identify with himself and his calling and provides valuable insight to responding to the call to pastor a new church. It is a great book for use in informal instruction to both young and seasoned ministers to take a closer look at spiritual leadership and how it relates to the Christian ministry. This book is filled with specific practical and insightful instruction that is sure to help any preacher or pastor become more effective in ministry. **Paideia** Dr. Joni Nicole McAllister, 2024-10-31 Overseer Dr. Joni Nicole McAllister was born in Brooklyn, New York, to the late John Allen McAllister Sr. and the late Virginia Scott McAllister. She is the second of eight children who grew up in the South Bronx. The author currently holds both Associate and Bachelor of Science degrees in Business from Empire State University, a Master of Arts in Theological Studies degree from Liberty University, a Master of Divinity degree, and a Doctor of Ministry degree from Apex School of Theology. In her forty years of ministry, she has a passion for training associate ministers who are called by God but have little or no adequate ministerial training to address the needs of their congregation or provide support to their senior pastor. Joni is the founder of Paideia University located in Greenville, North Carolina, which assists in training pastors, associate ministers, and ministry leaders. *Paideia: The Associate Minister's Training Manual* is her first book. A second book, *Paideia: The Associate Minister's Workbook*, will be released in 2024. Joni worked as a customer service representative and retired from Verizon Communications after twenty-six years of service. Joni is the Senior Pastor of Healing Word Ministries, which is located in Greenville, NC. She is an ordained Overseer who serves under the auspices of the Presiding Bishop T. Barry Nashaun Burkett and Executive Pastor Krystal Burkett of the Progressive Fellowship of Churches, Corona, New York. Joni loves the Lord and the church where she serves. She enjoys fun times with her family and friends, gospel music, classic black and white movies, concerts, and traveling. Her future goals are to learn to swim and play the violin. Joni currently lives in North Carolina.

The purpose of this book is to begin an intentional effort to

retrieve the ministry of faith healing using a Christian education model to educate train clergy and laity Healing as a spiritual gift for the body of Christ is a much neglected gift due to variables that may be altered to benefit multitudes In my research and study I have discovered it is the lack of knowledge in understanding the gift of healing and how to operate it that caused so many to be indifferent about it Jesus came so that our souls may be saved and to heal our bodies A scriptural reference is Isaiah 53 5 But He was wounded for our transgressions He was bruised for our iniquities the chastisement of our peace was upon him and by His stripes we are healed This sums up the purpose for Jesus coming to earth to make it possible for each person who would believe to have eternal life and be sound in body and mind This book reveals some pitfalls or controversial teachings regarding why so many from various denominations believe that the gifts ceased during the first century Being in the health profession for thirty eight years I have seen various diseases many struggle with and medical technology has no cure for With health care benefits changing and there is a possibility many may lose their coverage it is imperative that we go back to God s original plan divine healing Not to discount the physicians scientist and medical technology but it is important for us to know that we have God s plan for healing My desire is to get the message out to the masses especially to churches to establish healing centers that divine healing is a benefit of the Kingdom of God **Teachers' Guide to Child**

Walden, 2015-04-20 Cross racial pastoral ministry and multicultural ministry are wonderfully complex endeavors Practical Theology for Church Diversity suggests that they include a substantial amount of conversation preparation and prayer if they are to be done faithfully Sacred spaces within Christian churches can have a meaningful witness through diversity in their particular locations This book skillfully informs gently challenges and respectfully questions some widespread components of church life along demographic lines Most importantly it focuses on pragmatic approaches to cross cultural pastoral ministry and multicultural ministry for readers to utilize All persons of faith religious institutions professors seminarians and others interested in church diversity on any level will find this book a valuable resource *Straight Talk for Crooked Church* Dr. Rahsaan A. Armand, 2013-06-06 A father once taught his son that the two things he should avoid debating are faith and politics He was adamant that his son avoids political arguments citing that no one ever wins them because people are passionately stubborn about the powers that represent them Concerning matters of faith his father offered the same counsel claiming people are equally as passionate about the higher power s they represent In *Straight Talk* against his father s advice the author dives into both arguments Within is a conversation for theocracy over democracy and God s Will over man s way In *Straight Talk For Crooked Church* Pastor Armand arms the reader with an awareness of the Divine Design for Church This read will undoubtedly tear down

obstacles that hinder churches from being and functioning as God's intended Bride. This book is not a vaccination against the challenges of Church leadership or Church scandal. It serves however as a kind of blueprint churches need to stand upright and be strong. While critics of the Church are leery of so-called Jesus freaks, Straight Talk seeks to correct any misinterpretations about the Church by painting an accurate picture of the Body of Christ along with its functions as they were originally intended by its Architect, the Lord Jesus Christ.

Worship is dialogue. It is more than that, but it is not less than that. The way Baptists have worshiped for three and a half centuries demonstrates this consistently in spite of their penchant for freedom and autonomy. No one tells Baptists how to order their worship services. They don't have a common liturgy that they must follow, and yet their services look remarkably similar. This is largely due to two controlling factors in their worship: The Bible that they embrace as inspired, inerrant, authoritative, and sufficient; and the Christ-revealing gospel that is contained within its pages. When the word of God is followed closely, a shape for worship order begins to emerge. It is the same gospel shape that is found throughout the Bible. When the word of God is applied to a worship service in which God and his people are engaged in a worship conversation, a consistent contour of gospel elements and content begins to emerge that reveals the glory of the Christ we gather to worship. He is so glorious that when we behold him, we are transformed into the same image from one degree to another. This is the power of corporate worship. 2 Cor 3

Living in a small hometown gave you so many precious memories you could share with those you grew up with. Many lived there without knowing the origin of the town and who made it what it is. These pages will tell the story of a small town just outside of Birmingham, Alabama. A rich history has been had by this town, and hopefully these pages will tell the story of those who have lived there.

History of the Baptist Denomination in Georgia Samuel Boykin, 2001-04 **Hit List** Brian G. Hedges, 2014-11-01

The Christian life is a war, and one of your most lethal enemies hangs its helmet inside your heart. This infernal internal enemy is sin, which even after new birth continues to reside in every believer. As followers of Jesus, we've been given a simple mission regarding sin: search and destroy. Put it to death. But in the words of Cornelius Plantinga Jr., sin has a thousand faces. It is one thing to oppose sin in principle, quite another to actually do the bloody work of crucifying specific sin patterns in our lives. Sometimes these patterns are difficult to detect. Always they fight back tooth and nail, mounting vehement resistance in counter maneuvers of a variety and complexity that would send General Schwarzkopf's mind spinning like a tilt-a-whirl. The most famous faces of sin are the Seven Deadly Sins: pride, envy, wrath, sloth, greed, gluttony, and lust. Not merely corrupting vices in themselves, these seven are gateway sins leading to countless others. They are the leading undercover operatives for the world, the flesh, and the devil, that evil complex of powers arrayed against our souls. And while we may recognize these sins by their names, we are

often misled by the subtlety of their methods and ways These sins are masters of disguise adept at masking their true nature in charades of harmlessness acceptability and fun In Hit List Brian Hedges helps us take aim at the seven deadly sins by providing detailed dossiers for each one and equipping us with rich gospel resources for replacing vice with the virtue of Christ
