

Why Should We Go?
The Great Commission: Part 2
Matthew 28:16-20

I. Intro

A. *Read Matthew 28:16-20.*

1. I worked as a maintenance electrician before becoming a preacher.
2. In my experience, maintenance workers are always smarter than machine operators.
3. That's what we used to tell them anyway!

B. *They would have problems on their machines, but they didn't want to stop long enough to fix it.*

1. So we would just have to pass it on to the next crew coming on.
2. Sometimes we'd get back 12 hours later and the same problem would be passed back to us.
3. Nobody wanted to stop and fix it. They wanted to wait and let somebody else do the dirty work.
4. While the machine was destroying itself they kept acting like nothing was wrong.
5. We'd try to explain to them that if they didn't shutdown now, there would be bigger problems down the road.
6. But they would turn a blind eye to the problem.

C. *We have a big problem in the world today.*

1. It's one that most Christians don't want to hear about.
2. When you bring it up, they want someone else to do it.
3. They don't want to stop what they're doing and address the problem.
4. So the problem grows worse and worse while Christians act like nothing is wrong.

D. *What's this massive problem?*

1. People are leaving this life into a God-less eternity.
