Nersessian,Vrej N. Nersessian,2013-11-19 Covers a comprehensive range of periodicals well over 165 in all

A

Bibliography of Articles on Armenian Studies in Western Journals, 1869-1995 Vrej Nersessian,1997 First Published in 1997

Routledge is an imprint of Taylor Francis an informa company *The Medieval World* Peter Linehan,Janet L.

Nelson,2013-09-13 This groundbreaking collection brings the Middle Ages to life and conveys the distinctiveness of this diverse constantly changing period Thirty eight scholars bring together one medieval world from many disparate worlds from Connacht to Constantinople and from Tynemouth to Timbuktu This extraordinary set of reconstructions presents the reader with a vivid re drawing of the medieval past offering fresh appraisals of the evidence and modern historical writing Chapters are thematically linked in four sections identities beliefs social values and symbolic order power and power structures elites organizations and groups Packed full of original scholarship The Medieval World is essential reading for anyone studying medieval history

Sources and Studies ,1983

Admonition and Curse

Noel Weeks,2004-10-01 The occurrence of

treaties throughout the Ancient Near East has been investigated on a number of occasions generally in order to resolve certain questions arising in the biblical field As a result of that focus the existence of a similar institution in a number of different cultures has not been treated as a problem in itself Generally the existence of treaties throughout the area has been taken for granted or a simple borrowing model has been used to explain how similar forms came to be used in different cultures Why forms were similar across the area has not been probed This work investigates treaty occurrences in different cultures and finds that the forms used correlate with ways of maintaining political control both internally and over vassals Related concepts are projected in official accounts of history Thus one can roughly distinguish threats based on power from persuasion based on benevolence and historical precedent though various combinations of these two occur There is a likely further connection of the means chosen to the degree of centralisation of power within the society Underlying the local traditions is a common tradition which has to be dated to the pre literate period Biblical covenants fit within this pattern The cultures treated are Mesopotamia the Hittites Egypt Syrian centres and Israel

The Pentecostal Mission in Palestine Eric

Nelson Newberg,2012-06-13 The Pentecostal mission in Palestine is a virtually unknown episode in the history of

Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the

Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land *Wrestling with an Angel* Ehud Luz,2008-10-01 By regaining for the Jewish people the capacity to deploy force Zionism posed moral dilemmas for the Jews that for many generations living in exile they had not had to confront The return to full political life and the use of military force involved a profound revolution in the Jewish identity and aroused deep and painful misgivings This thought provoking book examines how the forging of a new moral stance on the use of force has affected Jewish identity in the Land of Israel and throughout the world Drawing on historiography philosophy social commentary ideological tracts and belles lettres Ehud Luz explores the ways that Zionist attitudes toward sovereignty were shaped by their Judaic heritage in particular the prophetic literature and the halakhic legal tradition which stressed the sanctity of human life and the strict prohibition against the shedding of innocent blood Luz argues that despite secularization Jewish tradition continues to influence the political life and national ethos of the Jews and that the Jewish religious tradition is an important sometimes even decisive factor in the way that political and cultural issues in Israel are resolved **Amurru Akkadian: A Linguistic Study. Volume: 2** Shlomo Izre'el,2018-08-14 *The Oxford Dictionary of the Jewish Religion* Adele Berlin,2011 Hailed by Library Journal as the best ready reference access point to the Jewish religion and as essential by CHOICE in its First Edition The Oxford Dictionary of the Jewish Religion has been the go to resource for students scholars and researchers in Judaic Studies since its 1997 publication Now The Oxford Dictionary of the Jewish Religion Second Edition focuses on recent and changing rituals in the Jewish community that have come to the fore since the 1997 publication of the First Edition including the growing trend of baby naming ceremonies and the founding of gay lesbian synagogues Under the editorship of Adele Berlin nearly 200 internationally renowned scholars have created a new edition that incorporates updated bibliographies biographies of 20th century individuals who have shaped the recent thought and history of Judaism and an index with alternate spellings of Hebrew terms Entries from the previous edition have been revised new entries commissioned and cross references added all to increase ease of navigation research The Dictionary covers more than three millennia of Jewish religious thought custom law and practice from traditional approaches to Reform Conservative Reconstructionist and post denominational Judaism Brief definitions and longer essays all supplemented with bibliographies enlighten readers about the major figures folklore and events in the history of Judaism throughout the world **Israel's History and the History of Israel** Mario Liverani,2014-12-18 In Israel's History and the History of Israel one of the world's foremost experts on antiquity addresses the birth of Israel and its historic reality Many

stories have been told of the founding of ancient Israel all rely on the biblical story in its narrative scheme despite its historic unreliability Drawing on the literary and archaeological record this book completely rewrites the history of Israel The study traces the textual material to the times of its creation reconstructs the evolution of political and religious ideologies and firmly inserts the history of Israel into its ancient oriental context *A History of Ancient Near Eastern Law (2 vols)*

Raymond Westbrook,2003-08-01 The first comprehensive survey of the world s oldest known legal systems this collaborative work of twenty two scholars covers over 3 000 years of legal history of the Ancient Near East Each of the book s chapters represents a review of the law of a particular period and region e g the Egyptian Old Kingdom by a specialist in that area Within each chapter the material is organized under standardized legal categories e g constitutional law family law that make for easy cross referencing The chapters are arranged chronologically by millennium and within each millennium by the three major politico cultural spheres of the region Egypt Mesopotamia and Anatolia and the Levant An introduction by the editor discusses the general character of Ancient Near Eastern Law *Hittite Diplomatic Texts* Gary M. Beckman,2025-02-28 This work presents full translations of more than 50 documents from the files of the foreign office of the Hittite Empire 21 treaties 18 diplomatic letters and 18 royal edicts and miscellaneous records concerning the relations of the Hittites with their Anatolian and Syrian vassals as well as with other great powers such as Egypt Assyria and Babylonia Originally composed in Hittite or in the Akkadian lingua franca of the day many of these texts have never before appeared in English A short introduction places each document in its historical and cultural context and a general essay acquaints the reader with the diplomatic practice of the Late Bronze Age This collection of documents is a major source book for historians of the Ancient Near East and for students of cuneiform and Biblical law It will also prove useful for those investigating the relationship between Biblical covenant theology and its possible antecedents in older Near Eastern treaty patterns **The Canterbury**

Tales Harold Bloom,2008 Presents a collection of critical essays on the Canterbury tales by Geoffrey Chaucer **Economy, Geography, and Provincial History in Later Roman Palestine** Hayim Lapin,2001 Hayim Lapin examines the economic geography of fourth century Roman Galilee Drawing on literary and archaeological material for the distribution of cities villages roads and other features of trade and marketing and making use of the central place theory the author attempts to reconstruct models of the regional economy of northern Palestine and to examine the degree of economic integration in the region As a contribution to the historiography of Jews and Palestine in antiquity Hayim Lapin argues that the economic social and cultural landscape inhabited by residents of fourth century Palestine was in many ways shaped by its Roman provincial administrative setting and political economy Thus key aspects of the history of later Roman Palestine and particularly of Jews need to be reexamined **Galilee in the Late Second Temple and Mishnaic Periods, Volume 1** James Riley

Strange,2015-07-10 Drawing on the expertise of archaeologists historians biblical scholars and social science interpreters who have devoted a significant amount of time and energy in the research of ancient Galilee this accessible volume includes

modern general studies of Galilee and of Galilean history as well as specialized studies on taxation ethnicity religious practices road systems trade and markets education health village life houses and the urban rural divide This resource includes a rich selection of images figures charts and maps A Vanished Ideology Matthew B. Hoffman, Henry F. Srebrnik, 2016-06-16 While a number of books and articles have been written about Jewish Communist organizations and their supporters in particular countries an academic treatment of the overall movement per se has yet to be published A Vanished Ideology examines the politics of the Jewish Communist movement in Australia Canada Great Britain South Africa and the United States Though officially part of the larger world Communist movement it developed its own specific ideology which was infused as much by Jewish sources as it was inspired by the Bolshevik revolution The Yiddish language groups especially were interconnected through international movements such as the World Jewish Cultural Union Jewish Communists were able to communicate disseminate information and debate issues such as Jewish nationality and statehood independently of other Communists and Jewish Communism remained a significant force in Jewish life until the mid 1950s

While this might not be the Bar Ilan Studies In History full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Bar Ilan Studies In History eBooks, including some popular titles.

FAQs About Bar Ilan Studies In History Books

What is a Bar Ilan Studies In History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Bar Ilan Studies In History PDF?** There are several ways to create a PDF: Use software like

Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Bar Ilan Studies In History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Bar Ilan Studies In History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Bar Ilan Studies In History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
