**Health planning reports subject index** United States. Health Resources Administration,1979 **Nursing Times,**  
**Nursing Mirror** ,2004 *Nursing Times* ,1990-04 Nursing Mirror and Midwives Journal ,1977 **Baragwanath**  
**Hospital, Soweto** Simonne Horwitz,2013-09-01 Baragwanath Hospital Soweto illustrates how this rapidly growing  
underfunded but surprisingly effective institution found the niche that allowed it to exist to provide medical care to a massive  
patient body and at times even to flourish in the apartheid state The book offers new ways of exploring the history of  
apartheid apartheid medicine and health care The long history of Chris Hani Baragwanath Hospital its full current name or  
Bara as it s popularly known has been shaped by a complex set of conditions Established in the early 1940s Bara stands on  
land purchased by the Cornish immigrant John Albert Baragwanath in the late nineteenth century He set up a refreshment  
post trading store and hotel on the site in what is now Soweto which was a one day journey by ox wagon from Johannesburg  
The hotel became affectionately known as Baragwanath Place the surname is Welsh from bara meaning bread and gwenith  
meaning wheat The land was then bought by Corner House Mining Group and later taken over by Crown Mines Ltd but was  
never mined The British government bought the land in the early 1940s to build a military hospital but by 1947 Baragwanath  
ceased to operate as a military hospital and under the auspices of the Transvaal Provincial Administration a civilian hospital  
was opened with 480 beds Patients were transferred from the non European wing of the Johannesburg General Hospital in  
the white area of Johannesburg Links were immediately forged with the University of the Witwatersrand and Bara would over  
time become one of its largest teaching centres This link brought medical students and their teachers into direct contact with  
apartheid in the medical sphere This book will contribute to studies of the history of apartheid that have begun to provide a  
more nuanced account of its workings The history of Baragwanath and of the doctors and nurses who worked there tells us  
much about apartheid ideology and practice as well as resistance to it in the realm of health care *Soweto Inside Out*  
Adam Roberts,2012-10-02 This is a book about Soweto from inside and out It is an effort to mark a century since the first  
forced removals of black Africans from central Johannesburg to the banks of the Klipspruit River It is also in recognition of  
the limited books available on a world famous city A wide variety of writers have contributed Sowetan experts with views  
from inside the township as well as interested outsiders who are peering in Contributors include writers from publications as  
varied as Drum Sowetan Mail Guardian Time magazine The Economist The Independent and New York Times *Decisions*

*Approach to Chronic Disease* Carolyn Chambers Clark,2004-08-31 This book provides an overview of the holistic nursing

approach along with chapters on 20 commonly encountered chronic conditions ranging from diabetes to sleep disorders. The interventions described for each condition include recommendations for diet, herbal supplements if appropriate, and therapies such as acupuncture, guided imagery, and stress management. Treatment planning emphasizes minimally invasive wellness approaches. Each chapter includes a specific example of a holistic nursing assessment, a collaborative treatment plan with a list of possible interventions, and a section on evaluating the effects of treatment.
