*Queer Southeast Asia* Shawna Tang, Hendri Yulius Wijaya, 2022-11-22 Tang and Wijaya present a range of new and established scholarly voices including local activists directly involved in developments in Southeast Asia. This groundbreaking collection presents the current state of play and longstanding LGBTQ debates in this often overlooked region of Asia. The diversity of both the subject and the region is reflected in the broad scope of topics addressed from the impact of Japanese queer popular culture on queer Filipinos to the politics of public toilets in Singapore and the impact of digital governance on queer communities across ASEAN. Taken in combination these investigations not only highlight the operations of queer politics in Southeast Asia but also present a concrete basis to reflect on queer knowledge production in the region. A vital resource for students and scholars of gender and sexuality in Southeast Asia or any Queer or LGBTQ studies looking beyond the West.

**Race and Masculinity in Gay Men's Pornography** Desmond Francis Goss, 2021-10-31 This book unpacks the character of pornographic representations of queer Black masculinity and how these representations vary between corporate and noncorporate producers. The author argues that representations of Black men in gay porn rely on stereotypes of Black masculinity to arouse consumers especially those which characterize Black men as missing links or focus excessively on their dark phalluses. Moreover these depictions consistently separate gay Black and white men's sexuality into bifurcated discursive spaces thereby essentializing sexual aspects of racial identity. Lastly though such depictions are less prevalent in user submitted videos overall both user submitted and corporate content reify stereotypes about Black masculinity. This book is written for researchers, lecturers and graduate courses in the social sciences and humanities including Sociology, Social Psychology, Sexuality, African American Studies, Women and Gender Studies, LGBTQ Studies, Culture and Art Studies, Porn Studies, Social Media Studies and Public Health.

Villains Bill McCay, 1994 Pick up a comic book and one sees big muscled superheroes battering away at each other. But what if they were real? What if they were real nasty and somehow got into our world? This work continues the bizarre mutant superhero adventures of a wayward comic book writer in his fight to save Earth from men in tights.

Adversaries! Dale Lazarov, 2018-10-30 A leather daddy superhero on his night patrol catches a magical beardo supervillain in the act of cracking a safe but just before he can make a citizen's arrest the villain unleashes his secret weapon his ensorcelling muscly manbutt. Who can resist such enticement to sexual congress? There is much chasing mid flight penetrating and property damaging grudge fucking and then cuddling. All this and more in ADVERSARIES.

Tapstuds Dale Lazarov, 2020-04 *Bulldogs* DALE. LAZAROV, 2019-03-29 BULLDOGS collects three gay comics stories that celebrate what we all love about manly men from the United Kingdom. Caber Tossers features three kilted Scottish sportsmen who meet and compete in Highland Games of strength and then team up for a friendly non competitive bit of sport afterwards. Two kind and gentle but very masculine village clergymen one young and charming one distinguished and experienced find themselves in Hot Vicar. On Vicar Action with each other. And a saucy chav and a friendly South Asian bobby

keep hooking up for increasingly intimate late night cottaging sessions in an urban London park until one of them says it s a Fair Cop
