Baragwan Training For Nursing:

South African Digest ,1964 **Baragwanath Hospital, Soweto** Simonne Horwitz,2013-09-01 Baragwanath Hospital Soweto illustrates how this rapidly growing underfunded but surprisingly effective institution found the niche that allowed it to exist to provide medical care to a massive patient body and at times even to flourish in the apartheid state The book offers new ways of exploring the history of apartheid apartheid medicine and health care The long history of Chris Hani Baragwanath Hospital its full current name or Bara as it s popularly known has been shaped by a complex set of conditions Established in the early 1940s Bara stands on land purchased by the Cornish immigrant John Albert Baragwanath in the late nineteenth century He set up a refreshment post trading store and hotel on the site in what is now Soweto which was a one day journey by ox wagon from Johannesburg The hotel became affectionately known as Baragwanath Place the surname is Welsh from bara meaning bread and gwenith meaning wheat The land was then bought by Corner House Mining Group and later taken over by Crown Mines Ltd but was never mined The British government bought the land in the early 1940s to build a military hospital but by 1947 Baragwanath ceased to operate as a military hospital and under the auspices of the Transvaal Provincial Administration a civilian hospital was opened with 480 beds Patients were transferred from the non European wing of the Johannesburg General Hospital in the white area of Johannesburg Links were immediately forged with the University of the Witwatersrand and Bara would over time become one of its largest teaching centres This link brought medical students and their teachers into direct contact with apartheid in the medical sphere This book will contribute to studies of the history of apartheid that have begun to provide a more nuanced account of its workings The history of Baragwanath and of the doctors and nurses who worked there tells us much about apartheid ideology and practice as well as resistance to it in the realm of health care Juta's Manual of Nursing Sophie Mataniele Mogotlane,2005 2 Books the role of the nurse as a primary caregiver educator advisor and advocate of patient s rights and suggestions to enhance the patient nurse relationship The book is organised into two parts Part I Cross Systems and Part II The Systems **The Impact of AIDS: Psychological and Social Aspects of HIV Infection** Jose Catalan,Barbara Hedge,1997-05-22 This volume contains a selection of key contributions to the discussion on the psychological and social implications on HIV infection It contains up to date and authoritative papers by senior practitioners and researchers in the field of the psychological and social aspects of HIV infection The book will appeal to those involved in providing care **The Human Cost of African Migrations , Hospital and Nursing Year Book of Southern Africa** ,1959 **Government Annual Report of the Republic of Venda** Venda (South Africa),1982 **South African Scope** ,1968 **Soweto** Pauline Morris,S. The Human Cost of African Migrations Toyin Falola,Niyi Afolabi,2007-11-13 In an era of globalization population growth and displacements migration is now a fact of life in a constantly shifting economic and political world order This book contributes to the discourse on the beneficiaries benefactors and the casualties of African displacement While the few existing studies have emphasized economic motivation as the primary factor triggering African migration this volume treats a range of issues economic socio political pedagogical developmental and cultural Organized with a multidisciplinary thrust in mind this book argues that any discussion of African migration whether internal or external must be conceived as only one aspect of a more complex organic and global patterning of flux and reflux necessitated by constantly shifting dynamics of world socio economic cultural and political order
