Barbarian's Prize Ruby Dixon,2016-03-04 It s hard being the most popular girl on the ice planet The alien men are falling all over themselves to impress me in the hopes that I ll take them to my furs But they don t know my secrets none of them do And they don t realize that behind my smile I just wish they d go away I don t want any of them I want someone else someone with a gorgeous blue body big horns and the most intense gaze ever He s the only one that knows the truth Maybe with him I can work through my fears of the past but I m pretty sure he wants more than just friendship He wants forever and I m not sure I can give it

Barbarian's Seduction: A Scifi Alien Romance Ruby Dixon,2019-03-16 The long awaited story of the romance of Marlene and Zennek

Barbarian's Touch Ruby Dixon,2016-06-11 When I wake up on the ice planet I m scared of everything this place is cold silent and the locals look more like blue devils than aliens To make matters worse one of the strangers decides I m going to be his girlfriend and kidnaps me away from my sister I m completely and utterly alone What s a girl to do Well this girl escapes Of course that means I go from frying pan into the fire and my situation gets even more dangerous Just when I have no hope left a new hero appears Sure he s blue horned and has a tail He s also fierce protective makes me purr and thinks I m perfect But is what we have real or just a mating instinct

Barbarian's Beloved Ruby Dixon,2018 My tribesmates don t understand her The other humans think she is weak But no one knows my mate like I do They don t see her gentle heart or her brave spirit I know why she struggles I know how strong she is And I know I ll do anything to make her smile But can I convince her that she can be happy in this strange new world with me

Barbarian's Lady Ruby Dixon,2017-03-15 You d think a tall woman would fit in on a planet of seven foot tall aliens but even on the ice planet I m still a weirdo and an oddity I m everything all the other cute dainty human women aren t One guy in particular the alien Harrec is determined to embarrass me by pretending he s interested He s a jokester that flirts like mad and hits on me constantly just to make me feel foolish He gets under my skin He makes me so

frustrated I want to scream When a side trip to a glacier turns into a nightmare and the two of us are forced to survive alone I see another side to the enticing blue alien Even with no one else around his compliments keep coming and I start wondering if the attraction between us is real Barbarian Lover Ruby Dixon,2022-07-12 The third novel in the Ice Planet Barbarians series an international publishing phenomenon now in a special print edition with bonus materials and an exclusive epilogue Kira plans on remaining single on this alien planet she doesn't want a mate anyway At least that's what she tells herself But when Aehako comes along everything changes As one of the humans stranded on the ice planet I should be happy that I have a new home Human women are treasured here and one alien in particular has made it clear that he's interested in me It's hard to push away the sexy flirtatious Aehako when I long to grab him by his horns and insist he take me to his furs But I've got a terrible secret a few of them actually I'm convinced that Aehako can never love me if he knows the full truth More worryingly the aliens who abducted me are back and thanks to the translator in my ear they can find me My presence here endangers everyone but can I give up my new life and the man I desire more than anything And will he even want me if he knows my secrets *Barbarian's Hope* Ruby Dixon,2016-11-23 Seasons ago I resonated to the quietest of tribesmates a male content to love me from afar while I was the center of attention We could have been happy Despite our differences I loved him and he loved me But then a terrible thing happened and my world was never the same again Now resonance is giving us a second chance but I'm afraid What if what I have with my mate is too broken to be fixed What if there's no hope left for us at all Ice Planet Barbarians Ruby Dixon,2015-04-24 LOST You'd think being abducted by aliens would be the worst thing that could happen to me And you'd be wrong Because now the aliens are having ship trouble and they've left their cargo of human women including me on an ice planet FOUND And the only native inhabitant I've met He's big horned blue and really really has a thing for me Barbarian Alien Ruby Dixon,2023-08-18 Liz Cramer jura que encontrar una manera de escapar del planeta alienígena en el que está atrapada pero cuando conoce a Raahosh un alien con p simo carácter y que además nunca la deja sola ya no está tan segura de querer irse Doce humanas quedaron varadas en un planeta de hielo y yo soy una de ellas Bien por mí Para sobrevivir tuvimos que adoptar un khui al que me gusta llamar bicho un simbiote que está cambiando nuestros cuerpos para que se adapten a esta atmósfera hostil Mi bicho es un idiota porque cree que soy la pareja del alien más grun y enorme de todos Raahosh Y claro ¡estoy de acuerdo con mi bicho! as que intentar acercarse a toda costa No tiene ni idea de con quién se está metiendo Si no fuera por lo mucho que me atrae ya le habría dicho a ese tipo lo insufrible y aterrador que es No importa lo que mi bicho piense Raahosh y yo no estamos destinados a estar juntos Y sí de vez en cuando nos besamos pero es solo por una cuestión biológica no porque me estoy enamorando de él

Barbarian's Heart Ruby Dixon,2016-10-16 I've never spent a day without my mate since arriving on the ice planet I'm happy and in love and we have a beautiful child together All that changed when the world shook My mate nearly died He wakes up from his coma and he can't remember me Or our son Every memory of the past two years is gone And that changes

everything between us How can I love someone that doesn't remember me How can I not when I know he's still my mate underneath it all **Barbarian's Tease** Ruby Dixon, 2017-07-19 It should have been a one night stand I never intended to seduce Taushen but things happened I don't dwell on the past and while it was great I'm not looking for a relationship Of course try telling that to Taushen The big blue alien's in love after one night and it's making things darn awkward We've got bigger problems than whether or not I'm his woman like the cargo of the space ship that landed here But Taushen's not giving up He thinks I'm his mate And he'll do anything to keep me **Barbarian's Rescue** Ruby Dixon, 2017-06-12 Bad day Try mine on for size Rogue slavers have landed on the ice planet and captured the tribe The only ones not snatched Me a walking human motormouth with no skill except that of incoherent babbling and Warrek who's as silent as he is attractive Two more unlikely people have never been paired together And now we're supposed to form a rescue team Saving the others is either going to bring us closer together or drive us completely apart I'm pretty sure the feelings I'm having for my alien companion are as unrequited as they are inappropriate but since we aren't going to make it out alive what harm is one teeny tiny kiss Who knew that one kiss could change everything **Barbarian's Taming** Ruby Dixon, 2016-09-03 As a newcomer to the alien tribe I've struggled to find my place It might be because I'm a tad headstrong at times And yes I might have thrown a few things at people's heads But I had a good reason to pitch a fit my shy sister was stolen away right under my nose Of course now she's back and mated Everyone's happy except me I need affection Attention Okay I'm lonely Really lonely Strangely enough the only person that I think understands what I'm going through is the same blue skinned brute that stole my sister It's wrong to hook up with him even as a mindless fling Except I'm not so good with the whole rules thing And he's not so great with the fling thing **Ice Planet Barbarians** Ruby Dixon, 2021-11-30 The international publishing phenomenon Ice Planet Barbarians now in a special print edition Fall in love with the out of this world romance between Georgie Carruthers a human woman and Vektal an alien from another planet in this expanded edition with bonus materials and an exclusive epilogue in print only You'd think being abducted by aliens would be the worst thing that could happen to me And you'd be wrong Because now the aliens are having ship trouble and they've left their cargo of human women including me on an ice planet We're not equipped for life in this desolate winter wasteland Since I'm the unofficial leader I head out into the snow to look for help I find help all right A big blue horned alien introduces himself in a rather startling way Vektal says that I'm his mate his chosen female and that the reason his chest is purring is because of my presence He'll help me and my people survive but this poses a new problem If Vektal helps us survive I'm not sure he's going to want to let me go **Barbarian's Hope** Ruby Dixon, 2025-04-29 The next novel in the Ice Planet Barbarians series an international publishing phenomenon now in a special print edition with bonus material Asha and Hemalo's relationship has never been easy for there is just as much hurt between them as there is love Will they find their way back to each other or will they let tragedy keep them separated for good Seasons ago I resonated to the quietest of tribesmates a male content to love me from

afar while I was the center of attention We could have been happy Despite our differences I loved him and he loved me But then a terrible thing happened and my world was never the same again Now resonance is giving us a second chance but I m afraid What if our bond is too broken to be fixed What if there s no hope left for us at all The Barbarian Before Christmas Ruby Dixon,2017 The growing barbarian tribe is about to celebrate No Poison Day a time of love laughter and gifts But all Elly wants is for her mate to be at her side before the brutal season arrives All Bek wants is a way to quickly return to his female despite the mountains between them Thanks to the talents of a newcomer they re both about to get their wish and celebrate the happiest of holidays together *Barbarian's Touch* Ruby Dixon,2024-01-02 The next novel in the Ice Planet Barbarians series an international publishing phenomenon now in a special print edition with a bonus new epilogue Lila has never been more frightened in her life but when Rokan appears everything changes When I wake up on the ice planet I m scared of everything This place is cold silent and the locals look more like blue devils than aliens To make matters worse one of the strangers decides I m going to be his girlfriend and kidnaps me away from my sister I m completely and utterly alone What s a girl to do Well this girl escapes Of course that means I go from the frying pan into the fire and my situation gets even more dangerous Just when I have no hope left a new hero shows up Sure he s blue horned and has a tail He s also fierce protective makes me purr and thinks I m perfect But is what we have real or just a mating instinct **Barbarian Mine** Ruby Dixon,2022-09-13 The fourth novel in the international publishing phenomenon the Ice Planet Barbarians series now in a special print edition with bonus materials and an exclusive epilogue Harlow receives the shock of her life when she wakes up to see Rukh a stranger who has clearly been on his own his whole life but she soon learns that there is much more to this gruff barbaric alien than the savage he appears to be The ice planet has given me a second lease on life so I m thrilled to be here Sure there are no cheeseburgers but I m healthy and ready to be a productive member of the small tribe What I didn t anticipate That there d be a savage stranger waiting nearby watching me And when he takes me captive the unthinkable happens I resonate to him Resonance means mating and children but I don t know if this guy s ever been around anyone before Rukh is utterly wild He s completely uncivilized can t speak more than a few words and doesn t know what clothes are A human a human woman is mystifying to him He s truly a barbarian in all ways and like Tarzan in the stories he s kidnapped me and claimed me for his own Being with him means I m going to have to teach him to speak how to kiss and how to be human Or even alien It should be a terrifying prospect so why is it that I crave his touch and hunger for more Barbarian's Mate Ruby Dixon,2023-07-11 The next novel in the international publishing phenomenon the Ice Planet Barbarians series now in a special print edition with a bonus novella Josie has always dreamed of finding The One but the hunter chosen for her is nothing like what she expected or wanted but he might be exactly what she needs Resonance is supposed to be a dream that s when your soulmate is chosen for you And every woman on the ice planet has hooked up with a big hunky soulmate of their own except me So do I want a mate Heck yeah More than anything all I ve ever wanted is to be loved by someone But

the soulmate chosen for me My least favorite person on the darn ice planet Haeden s the most cranky disapproving unpleasant overbearing male alien so why is it that my body sings when he gets close Why is he working so hard to prove to me that he s not as awful as I think he is I hate him don t I
