Barbecue Road Trip Michael Karl Witzel, 2008-10-21 The all American food as it s never been seen before histories techniques culture competitions traditional side dishes and classic hot spots associated with barbecue s four major regional styles
The British National Bibliography Arthur James Wells, 2009 *Barbecue Crossroads* Robb Walsh, 2013-06-06 In stories recipes and photographs James Beard Award winning writer Robb Walsh and acclaimed documentary photographer O Rufus Lovett take us on a barbecue odyssey from East Texas to the Carolinas and back In *Barbecue Crossroads* we meet the pitmasters who still use old fashioned wood fired pits and we sample some of their succulent pork shoulders whole hogs savory beef sausage mutton and even some barbecued baloney Recipes for these and the side dishes sauces and desserts that come with them are painstakingly recorded and tested But *Barbecue Crossroads* is more than a cookbook it is a trip back to the roots of our oldest artisan food tradition and a look at how Southern culture is changing Walsh and Lovett trace the lineage of Southern barbecue backwards through time as they travel across a part of the country where slow cooked meat has long been part of everyday life What they find is not one story but many They visit legendary joints that don t live up to their reputations and discover unknown places that deserve more attention They tell us why the corporatizing of agriculture is making it difficult for pitmasters to afford hickory wood or find whole hogs that fit on a pit Walsh and Lovett also remind us of myriad ways that race weaves in and out of the barbecue story from African American cooking techniques and recipes to the tastes of migrant farmworkers who ate their barbecue in meat markets gas stations and convenience stores because they weren t welcome in restaurants The authors also expose the ways that barbecue competitions and TV shows are undermining traditional barbecue culture And they predict that the revival of the community barbecue tradition may well be its salvation
