BETRAYAL IN THE CITY BY FRANCIS IMBUGA

THE AUTHOR

Francis David Imbuga (1947- November, 2013) was one of the greatest literary giants. For three decades, he taught at Kenyatta University where he was the Director of Quality Assurance, Chairman of the Department of Literature and the Dean of the Faculty of Arts. Francis Imbuga studied at Alliance High School in the 1960's where he wrote and acted a play which won the National Best Actor's Award. Professor Imbuga published several plays including *Betrayal in the City* 1976, *The Successor* 1979, *Man of Kafira* 1984, *Aminata* 1988, and *The Return of Mgofu* 2011. He has also authored two novels, *Shrine of Tears*, 1993 and *Miracle of Remera* 2005. In his works he addresses the problems of independent and post-colonial African states, family relations, tradition, religion, and change among other issues affecting our society today. Imbuga passed on in the year 2013.

THE TITLE

The title, *Betrayal in the City*, fits the events of the play as this is what the people of Kafira have to live with daily.

Betrayal in the City reflects the political, cultural and personal betrayal witnessed in the fictitious state of Kafira. Boss the head of state works alongside other strong cronies and sycophants like Mulili, Tumbo, Kabito, and Nicodemo to let down their citizens through abuse of power, negligence of duty, senseless killings, and inefficiency to create a nation of hopelessness, corruption and disregard to the local citizens hence betrayal in the nation of Kafira.

The government is run by scandalous and corrupt leaders and under whose leadership the hopes of independence for the people of Kafira are dashed.

Betrayal in the City is characterized by all sorts of ills in society, namely: murder, misrule, tribalism, Nepotism, corruption, highhandedness, inefficiency, incompetence and a general atmosphere of rebellion and defiance.

As the title suggests, betrayal breeds suspicion and intolerance and this creates a highly unstable environment for decent and safe living. One cannot safely determine who to trust with information hence the general feeling of betrayal among the people.

THE SETTING

Betrayal in the City was first published in 1976 at a time when African states had attained their independence and were undergoing serious problems in adjusting to self-rule.

The play set in the fictional country of Kafira, ruled by Boss, who surrounds himself with kinsmen like Mulili and the sharing-the-pie government officials, Tumbo, Kabito and
