Billionaire Breakfast Club Box Set Lisa Hughey, 2021-12-20 His Semi Charmed Life They each have a goal From Princess to Pauper Her life wasn't the fairy tale Penelope Hastings expected as a young debutante Camp Firefly Falls is home to her most treasured memories and the place where she got a wake up call from a counselor about how lucky she was The lady farmer and entrepreneur had one weekend to sell her urban garden concept to two CEOs What better place to launch her philanthropy than where her dreams began From Rags to Riches CEO Diego Ramos never wanted to see Camp Firefly Falls again He'd hated his summer as a teenage camp counselor highlighted by one regrettable moment when he'd clashed with an entitled camper The encounter had a profound impact and changed the trajectory of his future Now he's back for a corporate retreat and ready to clinch a merger that will culminate years of hard work and perseverance and make his dreams come true The problem is they can't both succeed Twenty years later Penny and Diego are reunited Their unexpected attraction complicates everything and offers a second chance at happiness One man stands in their way and holds the power to make or break their dreams Who wins and who loses Everything He Wants To help them both their friends set up an interview it was supposed to be simple Former professional football player D Andre Smith has it all Fame Money Women On the outside his life looks perfect He's about to launch a new business venture but he's got a secret that could destroy everything He has no intention of revealing it and being alone is easier than confessing his deepest darkest shame But the first time they meet he's flattened by a powerful attraction Took a hit to the head that leaves him dazed and in serious lust The last woman he should get involved with is a reporter The first time he saw her he wanted her and damn the consequences And then he meets her Heiress Elise Putnam's life is a mess She is searching for purpose after nursing her critically ill mother for years In some Victorian move her father has decided that she needs to get married and carry on the Putnam line When she's granted an interview with the ungettable D Andre she vows to dig for an explosive story to prove her investigative chops and gain some independence from her domineering father The last thing she should do is get involved with the subject of her big interview But wow their attraction is potent and magnetic She uncovers D's secret and her heart aches for him She can't write the article The scandal would be the least of his problems and she refuses to hurt him But she's got a secret of her own Sometimes losing it all is the only way to have it all If flirty banter challenging competition heartfelt falling in love with the person who is all wrong but feels so completely right along with a healthy dose of a guy who loves his mama are your jam then Everything He Wants is for you

NightShade Forensic FBI Files - (Vol 2): Science-Based Medical Paranormal Thrillers A.J. Scudiere, 2019-07-07 Huge savings off the individual book cost These nail biters from author AJ Scudiere will have you on the edge of your seat Former marine turned Private Investigator Walter Reed has been given yet another strange and amazing opportunity to become an agent with the FBI's NightShade division Though confident her training will make Quantico a cake walk even with only one leg Walter is discovering her shot at a new career has

disaster written all over it Her first hurdle Walter doesn't graduate training if her new partner GJ Janson doesn't graduate too After previously being arrested by the FBI GJ Janson hopes to redeem herself with the chance to become an agent Unfortunately her snooping around her grandfather's laboratory reveals he's been hiding strange skeletons with strikingly similar anomalies to those she notices in her friend Donovan When a weekend visit to her grandfather's lab yields a fresh body GJ goes into investigation mode But the body is that of a fellow NightShade agent and Walter and GJ quickly realize that nothing in NightShade is what it seems not the case the other agents nor even their job descriptions Only one thing is clear the killer is coming after them next And they suspect it's someone they know Can Eleri and Donovan outsmart a killer who is more intelligent than both of them together An action packed thriller Highly recommended Midwest Book Review These are the fifth sixth and seventh full novels in the NightShade Forensic FBI Files series by USA Today bestselling author A J Scudiere These books can each be read as a standalone but readers who love paranormal investigations and FBI thrillers will want to binge read the entire series

Marginal Spaces and Cultures of Dissent in Socialist Romania's Black Sea

Ruxandra-Iuliana Canache, 2023-09-05 This book analyzes two Romanian villages 2 Mai and Vama Veche as spaces of relative freedom during the last decades of socialist rule This microhistorical study refutes simplistic views of the communist past which focus on political figures and events and instead explores ordinary people and everyday life Taking a multidisciplinary approach it considers a broad range of sources including official Communist Party documents secret police files personal memoirs oral history interviews ethnographic films songs and artistic performances This book intertwines three narrative threads that of the visitors mainly members of the Romanian intelligentsia young people and hippies that of the local inhabitants and that of authority local and central state agents actively engaged in surveillance and supervision In doing so it interrogates the spectrum of consent dissent and resistance collaboration hitherto neglected in scholarship

Away From Keyboard Volume 2 Patricia D. The Secret History of the Mongols, VOLUME 3 (Supplement) Igor de Rachewiltz, 2013-07-18 Volume Three of Igor de Rachewiltz s annotated translation of the *Secret History of the Mongols* Brill 2004 2006 now regarded as the standard English version of this epic biography of inggis Qan is both a complement and a supplement to the first two volumes On the one hand it revises and updates the work to the end of 2012 and on the other it introduces new interpretations and ideas

about both the identity of its anonymous author and the date of its composition It is therefore an indispensable companion volume for all readers and users of the earliest Mongolian literary production which contains in the words of Arthur Waley some of the most vivid primitive literature that exists anywhere in the world The Secret History of the Mongols has been selected by Choice as Outstanding Academic Title 2005 **Video Source Book** ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction **The Armed Forces: Instrument of Peace, Strength, Development and Prosperity** Joseph Babatunde Fagoyinbo,2013 Across the ages technological developments have been accelerated by the military This results from the fact that able bodied vibrant youths are generally involved and are also exposed to high tech training prevailing at their times for assignments defence and security that are essential but not desired They form the Armed Forces for the nations Such brilliant military officers like Caesar and Napoleon made their marks and in contemporary times the Armed Forces of United States France Britain Australia etc are making remarkable contributions to technological developments Such infrastructure as the Internet the GPS and the cell phones are products that have significant military contributions This book scans across the major regions of the world highlights the efforts of representative countries in the regions and observes that nations that have harnessed the efforts of their Armed Forces have progressively developed It is also observed that developments in America and Europe though not entirely dependent on their Armed Forces have been greatly affected by their efforts In Asia such countries as the People s Republic of China Brazil India Pakistan and Singapore utilise the human and material resources within the Armed Forces for national growth and cohesion Development effort is least in the African Region except South Africa and Egypt notwithstanding the high potentials as exhibited by Nigeria s Armed Forces Although attempts to industrialise through the Armed Forces may be able to create economic development for developing nations such factors as historical background economic resources political climate government policies and infrastructure are equally important Economic development programme of an aspiring country should i promote education and access to knowledge ii aspire to economic self sufficiency in economic power iii allow and promote private sector and foreign participation in defence production research and development iv commit itself to the establishment and support of defence industries v indigenise defence programmes establish a balance between military and economic development and vi mobilise the nation s economy through technology partnership with the private sector and foreign investors **The Reader of Gentlemen's Mail** David Kahn,2008-10-01 One of the most colorful and controversial figures in American intelligence Herbert O Yardley 1889 1958 gave America its best form of information but his fame rests more on his indiscretions than on his achievements In this highly readable biography a premier historian of military intelligence tells Yardley s story and evaluates his impact on the American intelligence community Yardley established the nation s first codebreaking agency in 1917 and his solutions helped the United States win a major diplomatic victory at the

1921 disarmament conference But when his unit was closed in 1929 because gentlemen do not read each other's mail Yardley wrote a best selling memoir that introduced and disclosed codemaking and codebreaking to the public David Kahn describes the vicissitudes of Yardley's career including his work in China and Canada offers a capsule history of American intelligence up to World War I and gives a short course in classical codes and ciphers He debunks the accusations that the publication of Yardley's book caused Japan to change its codes and ciphers and that Yardley traitorously sold his solutions to Japan And he asserts that Yardley's disclosures not only did not hurt but actually helped American codebreaking during World War II
