Better Hockey for Girls Brenda Read,1976 Discusses basic techniques and game strategies of field hockey emphasizing skillful individual play **The Malvernian 2014** Malvern College,2014-12-12 News from the year at Malvern College

Female Gladiators Sarah K. Fields,2010-10-01 Female Gladiators is the first book to examine legal and social battles over the right of women to participate with men in contact sports The impetus to begin legal proceedings was the 1972 enactment of Title IX which prohibited discrimination in educational settings but it was the Equal Protection Clause of the U S

Constitution and the equal rights amendments of state constitutions that ultimately opened doors Despite court rulings however many in American society resisted and continue to resist allowing girls in dugouts and other spaces traditionally defined as male territories Inspired women and girls began to demand access to the contact sports which society had previously deemed too strenuous or violent for them to play When the leagues continued to bar girls simply because they were not boys the girls went to court Sarah K Fields s Female Gladiators is the only book to examine the legal and social
