Better than Chocolate Debby Mayne, Trish Perry, 2015-09-01 Being busy is a way of life for most women but it is essential to take time and immerse our thoughts in what is really important God's Word His message is often the only thing we have to cling to when things get rough My comfort in my suffering is this Your promise preserves my life Psalm 119 50 And when everything is going well we need to remember where the blessings originated Rejoice in the Lord always I will say it again Rejoice Philippians 4 4 *Better Than Chocolate Tasty Morsels of God's Goodness* is a collection of 365 devotionals that busy women can read and enjoy while having their morning cup of coffee waiting in the carpool lane or ending the day and turning off the light It gives them the opportunity to reflect on how God's Word relates to their lives We all have to deal with ups downs and everything in between but we can be sure that the Lord is with us every step of the way *The Balanced Plate* Renée Loux, 2006-09-19 A celebrated chef from the Raw Experience restaurant in Maui pairs more than 150 recipes with practical advice on how to live a natural and healthy life drawing on the principles of macrobiotic and Ayurveda plans while outlining the preparation steps for such fare as Ratatouille Thin Crust Pizza Roasted Spring Vegetable Salad and Lemon Vanilla Ginger Snaps Original 25 000 first printing *Shooting Ladders* Gary Keeney, 2010-08-03 *Shooting Ladders* is a book of advice written to a little girl named Tori She was four years old when the author started writing the first topic and she was eight years old when he finished the last topic But he didn't write it for the Tori of then or even the Tori of now instead he wrote it for the Tori of the future as something to help her make the right decisions in her late childhood early adult years and throughout her life The book contains the author's opinions on hundreds of various subjects some of them practical many of them philosophical some serious some whimsical On a typical subject the author tells a story from his own personal experiences and then adds a moral lesson for her to learn from the story Although he's not trying to tell her what to think he is trying to guide her into making the proper decisions in life The author hopes that she'll carefully weigh all the options and choose the paths that lead her to a good and happy life *Reaching for Eternal Truths* Donald Rhody, 2009-09 If our minds are unable to grasp even the concept of eternity how can we possibly understand the many biblical truths written from the perspective of eternity When we misunderstand each other using the written and spoken word why does God use these means to communicate with us *Reaching for Eternal Truths* begins with the understanding that definitive answers to these questions are elusive for finite minds Yet author Donald Rhody demonstrates the merit in the endeavor as he examines such difficult questions as bull How is it possible for the sovereignty of God and the free will of man to coexist bull If we are saved by grace what is the role of good works bull When God desired to give the early Israelites a covenant sign why did he choose circumcision bull What is our relationship to creation *Reaching for Eternal Truths* will guide you as you begin your own explorations into these questions It provides a scriptural foundation not the entire structure beginnings of discovery not complete answers The goal is to bring us closer to understanding God and our place in his world Whatever you finally
