Modern American Counter Writing A. Robert Lee, 2010-01-21 The dissident voice in US culture might almost be said to have been born with the territory Its span runs from Roger Williams to Thoreau Anne Bradstreet to Gertrude Stein Ambrose Bierce to the New Journalism The Beats to the recent Bad Subjects cyber crowd This new study analyses three recent literary tranches in the tradition a re envisioning of the whole Beat web or circuit a consortium of postwar outrider voices Hunter Thompson to Frank Chin Joan Didion to Kathy Acker and a latest purview of what all too casually has been designated ethnic writing The aim is to set up and explore these different counter seams of modern American writing those which sit outside or at least awkwardly within agreed literary canons

American Political Humor Jody C. Baumgartner, 2019-10-07 This two volume set surveys the profound impact of political humor and satire on American culture and politics over the years paying special

attention to the explosion of political humor in today's wide ranging and turbulent media environment. Historically there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics, entertaining and sometimes insightful but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture. This set documents just how mistaken that assumption is. By examining political humor and satire throughout US history, these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents, parties and issues but also how satirists, comedians, cartoonists and filmmakers have helped to shape popular attitudes about landmark historical events, major American institutions and movements and the nation's political leaders and cultural giants. Finally, this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live.

Fear and Loathing Worldwide Robert Alexander, Christine Isager, 2018-07-26. For more than 40 years the radically subjective style of participatory journalism known as Gonzo has been inextricably associated with the American writer Hunter S. Thompson. Around the world, however, other journalists approach unconventional material in risky ways, placing themselves in the middle of off-beat stories and relate those accounts in the supercharged rhetoric of Gonzo. In some cases, Thompson's influence is apparent even explicit: in others, writers have crafted their journalistic provocations independently, only later to have that work labelled Gonzo. In either case, Gonzo journalism has clearly become an international phenomenon. In *Fear and Loathing Worldwide*, scholars from fourteen countries discuss writers from Europe, the Americas, Africa and Australia whose work bears unmistakable traces of the mutant Gonzo gene. In each chapter, Gonzo emerges as a powerful but unstable signifier, read and practiced with different accents and emphases in the various national, cultural, political and journalistic contexts in which it has erupted. Whether immersed in the Dutch crack scene, exploring the Polish version of Route 66, following the trail of the 2014 South African General Election or committing unspeakable acts on the bus to Turku, the writers described in this volume are driven by the same fearless disdain for convention and profound commitment to rattling received opinion with which the outlaw journalist Thompson scorched his way into the American consciousness in the 1960s, 70s and beyond.

American Literary Journalists, 1945-1995 Arthur Jesse Kaul, 1997. Essays on American literary journalists whose writings appeared from 1945 to 1995. During this period, literary journalists and novelists turned journalists produced nonfiction writing of enduring aesthetic, cultural and political significance, reshaping the contours of contemporary American letters. These journalists achieved a notoriety and status in literature, winning major journalism and literary prizes.
