fall in love with his best friend's little sister. He is not that guy. So yeah, okay. Alyssa Kyle is gorgeous and funny, and she's slipped into more than a few of his fantasies over the years, but Sebastian Ridgeway is not about to cross that particular line. No way. No day. Today is the day Alyssa's in trouble. Someone shot at her, actually shot at her, and now she's getting all kinds of threatening messages. Messages that say she's about to pay for her brother's crimes. Only her brother is a computer gaming designer, not some secret agent. The bad guys out there have obviously made a mistake. There is no mistake. Sebastian and Alyssa's brother, Antony, have been working the spy game for years. They started as hacking teens but graduated to the big leagues, and their gaming company is just their cover. Apparently, their cover has been blown. Now some of the bad guys they've taken down want payback, and Alyssa is being targeted. Her brother is out of the country, gone dark on an assignment, and Sebastian can't just leave Alyssa on her own to face the wolves. Not happening. So time to get close. He moves Alyssa into his home. Provides twenty-four-seven protection for her. He figures he can keep his secret desire for her in check; he's done it for years, after all, or at least that's the initial plan. Until he finds out that Alyssa has been longing for him. That he's starred in more than a few of her fantasies too. All bets are off. He's held back for years, thinking he was doing the right thing. Thinking he'd never truly deserve a woman like her. But if Alyssa wants him, if Alyssa needs him, nothing will stop him from claiming the woman who owns his heart. Not the bad guys who are closing in, not the government who wants his tech, and not even Alyssa's big brother. Keep his hands off her. Stay away from Alyssa. Sorry, that's NEVER GONNA HAPPEN. Absolutely one hundred percent Sebastian will not let her go, and he will prove that he is the guy, the only one for her.

The One Who Got Away

Cynthia Eden, 2021-02-23

He has to get her back. Antony Kyle can't believe what's happening to him. First Ella Webb, the head of security at his gaming company, quits on him. Then she kisses him as if she's never wanted anyone more. They spend one incredible night together, a night that brands him to his core, and he wakes to find her gone. Gone. No, not happening. Antony is not about to lose her now. Not when he's been obsessed with her for years. He can't have a taste and then lose everything. She's done with his lies. Ella has been in love with her gorgeous genius boss for far too long. And she's put up with his lies and secrets for far too long. She'd fallen for his helpless act, thought that the man needed her, but now she has learned the truth. Antony Kyle is a secret spy, more than capable of looking after himself and taking out a whole army of bad guys. So she gives in to the need that she's always felt for him; she allows herself one unforgettable night with him, then she walks away. But he follows her. Antony can't lose Ella, not when he's finally had the woman he's wanted so desperately. But she's got a new job at Wilde, an elite protection and security firm, and he has to figure out a way to woo her back. So he hires Wilde. Says that he needs protection. He pulls some strings because the owner of Wilde happens to owe him about a dozen favors, and Antony gets Ella assigned as his bodyguard. He thinks his plan is brilliant. He'll have Ella in close proximity again, and Antony is sure that he'll be able to convince her that they belong together. Though some groveling and a whole lot of seduction may just be involved in his master plan. Except the danger turns out to be real. Someone is gunning for Antony, and he doesn't know if his

enemy is from the spy world or the business world He just knows that a big target is on his back Now he and Ella have to unmask the threat that they never saw coming before it s too late As they fight to track the bad guy Antony has to prove to Ella that he can be honest with her and if she gives him a shot he just might be a man she can love Because if he loses her again Antony knows there will be no second chances Author s Note Their sexual tension can t be held in check When Ella and Antony are close they ignite But with so many secrets and lies can they find a happy ending It will take a master spy and one very savvy new Wilde agent to bring down the bad guy in this case Wilde times are ahead again Let s see where these two lovers lead as they fight for each other **Wilde Ways Box Set Volume Four** Cynthia Eden, 2021-03-25 A master manipulator loses his heart A reformed bad guy falls hard for the good girl And a desperate genius will do anything to win back the woman of his dreams Wilde adventures are waiting in the Wilde Ways Volume 4 box set The set includes the following full length titles SAY I DO ROMAN WILL FALL and THE ONE WHO GOT AWAY In the mood for romance danger humor fun times and thrills Then it s time to cozy up with these books SAY I DO Wilde Ways Book 10 Dexter Ryan is smug Arrogant Manipulative And he is also Lacey Amari s new partner Well her partner on one case A case she doesn t even want to take but when Dex CIA super operative and all around puppet master basically blackmails her she has no choice Then he asks her the big question Will you marry me The proposal isn t real It s just an undercover assignment Dex doesn t work well with others and handling a case with a partner in close proximity as in 24 7 close isn t his normal style He s pulled Lacey into the investigation because she is smart and resourceful and maybe because he knows a secret about her that could prove to be very useful to him After all Dex uses people all the time It s his thing Yet the more he is around her the idea of using Lacey suddenly doesn t seem like such a good plan But getting her into his bed Stellar idea ROMAN WILL FALL Wilde Ways Book 11 They ve been partners for barely a week and Roman Smith if that even was his real last name is already driving Harper Crane absolutely insane His list of faults is a mile long Roman is secretive controlling and far too sexy Okay the sexiness doesn t matter It can t matter What matters is that Roman never listens to orders he is far too quiet and intense and Harper is pretty sure that he is up to some seriously shady side business Roman has spent his life in the darkness He is far too well acquainted with evil and working at Wilde Well joining the security and protection firm is supposed to be the first step to turning things around in his world The first step to becoming someone new But some habits are hard to shake And Roman knows that his way too beautiful trainer Harper is already suspicious of him Yeah so she is right to be suspicious Until recently he has been the bad guy in the story His list of past deeds could give anyone nightmares Too bad he only wants to give Harper sweet dreams THE ONE WHO GOT AWAY Wilde Ways Book 12 Antony Kyle can t believe what s happening to him First Ella Webb the head of security at his gaming company quits on him Then she kisses him as if she s never wanted anyone more They spend one incredible night together a night that brands him to his core and he wakes to find her gone Gone No not happening Antony is not about to lose her now Not when he s been obsessed with her for years He can t have a
