**Huxford's Old Book Value Guide** Bob Huxford,1991 Nearly 25 000 titles with current values fill this hardbound book Much more than just a typical price guide the book is a directory with scores of actual buyers listed by the subject matter they are searching for as well as dealers offering the books at listed prices It will put you in touch with a person interested in buying or selling the books you have piled on your bookshelves *Garage Sales & Flea Market Annual* Sharon Huxford,Bob Huxford,1999-04 Packed with descriptions and current values for items readily available at flea markets or garage sales this book contains listings for 25 000 collectables representing virtually every collectable category on today s market old books ornaments toys cookie jars and movie memorabilia 750 photos **Departure Stories** Elisa Bernick,2022-10-04 We weren t religious per se The most frequent mention of God in our house was my mother yelling Goddammit Elisa Bernick grew up different i e Jewish in the white Christian suburb of New Hope Minnesota during the 1960s and early 1970s At the center of her world was her mother Arlene who was a foul mouthed red headed suburban Samson who ultimately shook the walls of their family until it collapsed Poignant and provocative *Departure Stories* peers through the broader lens of Minnesota s recent history to reveal an intergenerational journey through trauma that unraveled the Bernick family and many others Deftly interweaving reporting archival material memoir jokes scrapbook fragments personal commentary and one very special Waikiki Meatballs recipe Bernick explores how the invisible baggage of place and memory Minnesota s uniquely antisemitic history and the cultural shifts of feminism and changing marital expectations contributed to her family s eventual implosion *Departure Stories* Betty Crocker Made Matzoh Balls and other lies is a personal exploration of erasure immigrants and exiles that examines the ways departures from places families and memory have far reaching effects **Books in Print** ,1982 **As Seen on TV** Karal Ann Marling,1996-03-01 From the painting by numbers fad to the public fascination with the First Lady s apparel to the television sensation of Elvis Presley to the sculptural refinement of the automobile Marling explores what Americans saw and what they looked for in the 1950s with a gaze newly trained by TV *Why Moderates Make the Best Presidents* Gil Troy,2012-09-12 George Washington Abraham Lincoln Theodore Roosevelt Franklin Delano Roosevelt John F Kennedy Ronald Reagan most would agree their presidencies were amongst the most successful in American history But what made these very different men such effective leaders According to presidential historian Gil Troy these presidents succeeded not because of their bold political visions but because of their moderation Although many presidential candidates claim to be moderates the word cannot conceal a political climate defined by extreme rhetoric and virulent partisanship In this book Troy argues that this is a distinctly un American state of affairs The great presidents of American history have always sought a golden mean from George Washington who brilliantly mediated between the competing visions of Thomas Jefferson and Alexander Hamilton to Abraham Lincoln who rescued the union with his principled pragmatism to the two Roosevelts Theodore and Franklin who united millions of Americans with their powerful

affirmative nationalist visions Moderation in politics is difficult to achieve in an age of excess an anything goes culture feeds an all or nothing politics In the face of challenges both at home and abroad Troy calls for a muscular moderation a powerful affirmation of the values that united us and a commitment to a politics that builds from the center rather than playing to extremes As America lines up to select its next president Gil Troy brilliantly reminds us of the finest traditions of presidential leadership from our nation s past Published in 2008 by Basic Books as *Leading from the Center* This is first time in paperback

**Photography** Michelle Henning, 2023-01-06 We live in a time in which photographs have become extraordinarily mobile They can be exchanged and circulated at the swipe of a finger across a screen The digital photographic image appears and disappears with a mere gesture of the hand Yet this book argues that this mobility of the image was merely accelerated by digital media and telecommunications Photographs from the moment of their invention set images loose by making them portable reproducible projectable reduced in size and multiplied The fact that we do not associate analogue photography with such mobility has much to do with the limitations of existing histories and theories of photography which have tended to view photographic mobility as either an incidental characteristic or a fault Photography *The Unfettered Image* traces the emergence of these ways of understanding photography but also presents a differently nuanced and materialist history in which photography is understood as part of a larger development of media technologies It is situated in much broader cultural contexts caught up in the European colonial ambition to grasp the world and in the development of a new artificial second nature dependent on the large scale processing of animal and mineral materials Focussing primarily on Victorian and 1920s 30s practices and theories it demonstrates how photography was never simply a technology for fixing a fleeting reality

**Books in Print Supplement** ,2002      **Room of One's Own** ,2004      *Cake: A Slice of History* Alysa

Levene, 2016-02-25 If you have wondered about the stories behind the cakes made on the Great British Bake Off or the difference between a Victoria sandwich and a sponge cake especially if Mary Berry or Nigella Lawson is not to hand this is the book for you Baking has always been about memories passed down through families and Alysa Levene will take you through this compelling social history of baking My sister had three wedding cakes Rather than spend a lot of money on a traditional cake she asked our grandmother our mother and our step mother to make their signature bakes My grandmother made the rich fruit cake she always baked at Christmas My mother made a chocolate sponge which we called Queenie s Chocolate Cake after the great aunt who gave her the recipe it appeared at almost every one of our birthdays in one guise or another And finally my step mother made chocolate brownies Nigella Lawson s recipe if you d like to know whose sticky pleasurable unctuousness is fully explained by the amount of butter they contain In our family as in many others these familiar cakes are the makers of memories My siblings and I took this idea into our adult lives and now bake for our own families But it wasn t until I developed an interest in the history of food that I started to think about the deeper significance of these tasty treats What does cake mean for different people How have we come to have such a huge variety of cakes What

had to happen historically for them to appear And what can they tell us about the family and women s roles in particular I wrote this book to find out the answers What follows is a journey from King Alfred to our modern day love of cupcakes via Queen Victoria s patriotic sandwich the Southern States of America slavery and the spice trade to the rise of the celebrity chef and so much more **Paperbound Books in Print** ,1992 **Author - Title Catalog** University of California, Berkeley.
