## **Between Duty And Desire:**

**BETWEEN DUTY AND DESIRE** Leanne Banks,Rin Tanaka,2018-03-20 A story by New York Times bestselling author becomes a comic After Callie lost her beloved husband she shut herself away inside her beachside house Concerned her husband s friend Brock came to visit her to see how she was doing Her husband who was in the US Marines often wrote about him in the letters he sent from the battlefield Brock was said to be a hero someone they called Dark Angel Brock encouraged Callie every day and brought her back out into the world As she spent more time with the sexy yet kind angel Callie began feeling passion in her once empty heart If they touched even a little bit she might forget discretion **Between Duty and Desire** Leanne Banks,Kristi Gold,2004 **Hegel's Idea of a Phenomenology of Spirit** Michael N. Forster,1998-05-13 Forster s reading reveals the Phenomenology of Spirit as in fact an impressively coherent text containing a rich array of ideas of extraordinary philosophical originality and depth **Petrified Intelligence** Alison Stone,2012-02-01 Petrified Intelligence offers the first comprehensive treatment of Hegel s Philosophy of Nature exploring its central place within his system including its relation to his Logic Philosophy of Mind and moral and political thought It highlights the contemporary relevance of Hegel s approach to nature particularly with respect to environmental issues Challenging the standard view that Hegel devalues nature relative to mind and culture Alison Stone reveals the deep concern to re enchant the natural world that pervades his entire philosophical project Written in clear and nontechnical language the book also provides a critical introduction to Hegel s metaphysics **Foucault and Lifelong Learning** Andreas Fejes,Katherine Nicoll,2008-01-14 Over the last twenty years there has been increasing interest in the work of Michel Foucault in the social sciences and in particular with relation to education This the first book to draw on his work to consider lifelong learning explores the significance of policies and practices of lifelong learning to the wider societies of which they are a part With a breadth of international contributors and sites of analysis this book offers insights into such questions as What are the effects of lifelong learning policies within socio political systems of governance What does lifelong learning do to our understanding of ourselves as citizens How does lifelong learning act in the regulation and re ordering of what people do The book suggests that understanding of lifelong learning as contributory to the knowledge economy globalisation or the new work order may need to be revised if we are to understand its impact more fully It therefore makes a significant contribution to the study of lifelong learning **NONVIOLENCE OR NONEXISTENCE** Witness of a Body in the Body of the World LeRoy Moore,2022-08-30 The summary of this book is present in the title Nonviolence or Nonexistence I grew up knowing closely the violence of my father He was violent with me and also with my stepmother after my mother s early death As a boy I thought this was the life for men I was living a lie But I soon learned about nonviolence from Martin Luther King and with much more detail from Mohandas Gandhi of India Later I read the works of Gene Sharp of Harvard who emphasized strongly that we must abandon violence Early in my adult years I became a devotee of nonviolence especially after I learned that

nuclear weapons were manufactured at the Rocky Flats Plant near Boulder Colorado where I lived Achieving closure of Rocky Flats was a major accomplishment for devotees of nonviolence In words I used as a visiting professor at the University of Denver I am a body in the body of the world Drawing on a lifetime s experience of nonviolent thought and activism this book emphasizes that to survive we must end our devotion to violence     **Schiller's Poems and Plays** Friedrich Schiller,1889     **Kant After Derrida** Philip Rothfield,2003 Jacques Derrida s career long engagement with the philosophy of Emmanuel Kant has made possible a sea change in both the understanding and methods of appraisal of Kant s work Kant After Derrida is a collection of essays which reflects the breadth of this re appraisal assessing the principal points of contact and dissonance between the Derridean deconstructive approach and Kant s critical apparatus While explicitly avoiding simple opposition Derrida s work and its influence has intimately effected reconfigurations on familiar Kantian subjects such as beauty nature freedom the transcendental the categories casting anew the ethical aesthetic physical and metaphysical systems with which Kant blazed his Copernican revolution The richness and diversity of these essays is evidence both of the strength and enduring power of Kant s achievement some two hundred years after his death and tribute to the value of the very Derridean notion of reading with From back cover     [The Discourse of Courtly Love in Seventeenth-century Spanish Theater](#) Robert Elliott Bayliss,2008 By engaging in dialogue the voices of both male and female writers who participated both in the broader courtly love tradition and in the theatrical production of early modern Spain this book demonstrates that all representations of desire are gender inflected     [The Expositor](#) Samuel Cox,Sir William Robertson Nicoll,James Moffatt,1883     *Masterworks of Asian Literature in Comparative Perspective* Barbara Stoler Miller,1994-02-17 This is a collection of 46 essays by specialists in Asian literature who offer a wide range of possibilities for introducing Asian literature to English speaking students It is intended to help in promoting multicultural education     [Frank Leslie's Sunday Magazine](#) ,1881     [The National Magazine](#) ,1888     **On Selfhood and Godhood; the Gifford Lectures Delivered at the University of St. Andrews During Sessions 1953-54 and 1954-55** Charles Arthur Campbell,1957     **Theatre and Drama in the Making: The nineteenth and twentieth centuries** John Gassner,1964     *An Essay on Personality as a Philosophical Principle* Wilfrid John Richmond,1900     *The Theosophical Path* Katherine Augusta Westcott Tingley,1919     **The German Classics of the Nineteenth and Twentieth Centuries: J.W. von Goethe** Kuno Francke,William Guild Howard,1913     **Philosophy of Value** Tsunesaburō Makiguchi,1964     **Magazine of Western History** William Williams,J. H. Kennedy,1888
